The Signifying Power of Pearl Jane Beal, 2016-12-08 This book enhances our understanding of the exquisitely beautiful fourteenth century Middle English dream vision poem Pearl Situating the study in the contexts of

medieval literary criticism and contemporary genre theory Beal argues that the poet intended Pearl to be read at four levels of meaning and in four corresponding genres literally an elegy spiritually an allegory morally a consolation and anagogically a revelation The book addresses cruxes and scholarly debates about the poem's genre and meaning including key questions that have been unresolved in Pearl studies for over a century What is the nature of the relationship between the Dreamer and the Maiden What is the significance of allusions to Ovidian love stories and the use of liturgical time in the poem How does avian symbolism like that of the central symbol of the pearl develop transform and add meaning throughout the dream vision What is the nature of God portrayed in the poem and how does the portrayal of the Maiden's intimate relationship to God her spiritual marriage to the Lamb connect to the poet's purpose in writing Noting that the poem is open to many interpretations Beal also considers folktale genre patterns in Pearl including those drawn from parable fable and fairy tale The conclusion considers Pearl in the light of modern psychological theories of grieving and trauma This book makes a compelling case for re-reading Pearl and recognizing the poem's signifying power Given the ongoing possibility of new interpretations it will appeal to those who specialize in Pearl as well as scholars of Middle English Medieval Literature Genre Theory and Literature and Religion *Chasing the Pearl-Manuscript* Arthur Bahr, 2025-03-11 A unique study of the only physical manuscript containing Sir Gawain and the Green Knight as both a material and literary object In this book Arthur Bahr takes a fresh look at the four poems and twelve illustrations of the so-called Pearl Manuscript the only surviving medieval copy of two of the best-known Middle English poems Pearl and Sir Gawain and the Green Knight In *Chasing the Pearl Manuscript* Bahr explores how the physical manuscript itself enhances our perception of the poetry drawing on recent technological advances such as spectroscopic analysis to show the Pearl Manuscript to be a more complex piece of material visual and textual art than previously understood By connecting the manuscript's construction to the intricate language in the texts Bahr suggests new ways to understand both what poetry is and what poetry can do **Arthurian Literature XXXVIII** K. Inlets of the Soul Pierre François, 2021-11-01 The relationship of myth to literature has largely been overshadowed in contemporary theory by perspectives of a linguistic or sociological orientation and by relativist sometimes negatory stances on all searches for meaning This book attempts to show that myth criticism and critical theories of more recent provenance are not

irreconcilable While taking into consideration some of the more influential tenets of structuralist post structuralist Marxist and feminist theory it applies a post Jungian archetypal approach to illustrating the perennial nature of a particular myth the Fall of Man in two main traditions Mesopotamian and Christian and in the contemporary novel in English The discussions of five major novels by William Golding Patrick White Martin Amis Salman Rushdie and Wilson Harris not only serve to expand the mythological insights achieved in the first part of the book they also suggest the incommensurability of imaginal novelistic life with mythology's age old intuitions about the human condition Myth criticism emerges from this book as an irreplaceable vantage point from which man's lapsarian predicament can be scrutinized synchronically as archaic wisdom contemporary anxiety and post colonial commitment to the building of a new human city
