Manual for MOS 11 B (SQI S) United States. Department of the Army,1979 *The Mosin-Nagant Rifle Bill*

Harriman,2016-10-20 The Mosin Nagant is the world s longest surviving and most widely distributed military rifle having armed the forces of Russia and many other countries for more than five decades It has seen action from World War I to the present day but is most famous for its role during World War II when it proved to be an excellent sniping weapon in the hands of marksmen such as Vasily Zaitsev and Simo H yh This study covers the rifle s entire combat history from its early development through to its service in combat and the impact it has had on modern firearms Dramatic battle reports and specially commissioned artwork complement the meticulously researched examination of the Mosin Nagant provided by author Bill Harriman as he delves into the history of one of the most iconic rifles of World War II *Gun Digest* 2004 Ken Ramage,2003 An illustrated catalog of current firearms and accessories *The AK-47* Gordon L. Rottman,2011-04-01 A detailed fully illustrated study of the most recognizable assault rifle ever produced The Kalashnikov AK 47 is the most ubiquitous assault rifle in the world with more AK 47s and its variants in use than any other individual small arm Created by Senior Sergeant Mikhail Kalashnikov and first adopted by the USSR soon after World War II its production continues to this day with an estimated 75 million produced worldwide Supported by photographs and original artwork this book takes a look at the complete history of the weapon discussing its design development and usage taking its story from the great armies of the Soviet Union to the insurgents and criminal gangs that often employ the weapon today *Weapons and Warfare* Spencer C. Tucker,2020-03-26 This work covers major weapons throughout human history beginning with clubs and maces through crossbows swords and gunpowder up to the hypersonic railgun lasers and robotic weapons under development today *Weapons and Warfare* is designed to provide students with a comprehensive and highly informative overview of weapons and their impact on the course of human history In addition to providing basic factual information this encyclopedia will delve into the greater historical context and significance of each weapon The chronological organization by time period will enable readers to fully understand the evolution of weapons throughout history The work begins with a foreword by a top scholar

and a detailed introductory essay by the editor that provides an illuminating historical overview of weapons It then offers entries on more than 650 individual weapons systems Each entry has sources for further reading The weapons are presented alphabetically within six time periods ranging from the prehistoric and ancient periods to the contemporary period Each period has its own introduction that treats the major trends occurring in that era In addition 50 sidebars offer fascinating facts on various weapons Numerous illustrations throughout the text are also included

[The SVD Dragunov Rifle](#) Chris McNab, 2023-06-22 Featuring specially commissioned artwork and carefully chosen photographs this study charts the SVD Dragunov rifle's development combat use and lasting legacy from Vietnam to Syria Developed as a medium range sniping rifle in the Soviet Union during the 1960s the Dragunov stood out against most Western sniping rifle types by being semi automatic a configuration that marginally lowers accuracy compared to bolt action sniping rifles but which allows for faster follow up shots Even so the SVD is still capable of taking precision killing shots out to 800m and beyond making it a thoroughly practical combat weapon for marksmen and snipers In this fully illustrated study Chris McNab explores the Dragunov's development and performance in detail But the story of this weapon really comes to life with its combat history It is the world's most widespread sniping rifle still in use in the former Soviet armies and sold to more than 40 countries worldwide Its rugged design dependable capabilities and relatively low cost mean that it has been used in every conceivable type of conflict from Vietnam and Afghanistan to Iraq and Syria Illustrated with cutaway artwork and battlescenes plus technical and historical photographs this study tells the story of this remarkable weapon from design and development to tactical use in action
