O'Neill,2011-11-08 Benedictus is a love story of both divine and human dimensions The story of the nun is also the story of Joseph her psychologist It was a labyrinthian path that brought the two together in a surprising and courageous love that changed both their lives Twenty years of conflict over her vocation had taken Sister Anne into a void whose depths of darkness became what she called a place of Nothing She always believed that someone would come to help her and someone did but not as she had imagined and not in a way that the world would easily accept It would take someone like Joseph who was willing to risk all things professionally and personally to pull her out of that void Sister Annes risk was no less she had to hold on and meet him every step of the way No door would be left unopened sparing her nothing She walked through them all and when the last door closed behind her Sister Anne knew a choice had to be made *About Ed* Robert Gluck,2023-11-14 A moving story about love AIDS grief and memory by one of the most adventurous writers to come out of San Francisco s LGBTQ scene Bob Gluck met Ed Aulerich Sugai in 1970 Ed was an aspiring artist Bob wanted to write They were young men in San Francisco at the high tide of sexual liberation and soon and for eight years they were lovers after which they were friends Ed was an explorer in the realms of sex He was beautiful fragile exasperating serious unassuaged In 1994 he died of HIV His dream notebooks became a touchstone for this book which Gluck has been working on for some two

decades while also making his name as a proponent of New Narrative writing and as one of America's most unusual venturesome and lyrical authors. *About Ed* is about Ed who remains as our dead do both familiar and unknowable faraway and close. It is about Bob too. The book is a hybrid at once fiction and fact like memory and it takes in many things through tales of political activism and domestic comedy and fury to questions of art and love and experiences of longing and horror. The book also shifts in register from the delicate to the analytic to funny and explicit and heartbroken. It begins in the San Francisco of the early 1980s when Ed and Bob have been broken up for a while AIDS is spreading but Ed has yet to receive his diagnosis. It follows him backward through his life with Bob in the 1970s and forward through the harrowing particulars of death. It holds on to him and explores his art. It ends in his dreams. **Spirit Matters** Matthew J. Pallamary, 2007-12

It's June 1947 in Riverton, Alabama. Ten-year-old Graham and his pals Blake and Todd are fresh out of school for the summer and don't have a care in the world. Or do they? The annual slingshot battle using chinaberries as ammo is only a few weeks away and they need a plan. Last year their tree house was demolished by the mock orange cannon of the Ramar Renegades. Following her sister's death in February, Ruth St. John has been alone in her ante-bellum house. With Rachael gone, the old woman develops an interest in the outside world, especially the roughnecks she sees through her window. Gayle Freemont, a young black professor at the Negro college, wants to have a wife and children but is reluctant to get trapped in the South where he is just another boy. The childless wife of a prominent architect, Jane Forrester, is entering menopause and fears that life is passing her by. She resents her husband's selfish and domineering behavior and longs to find happiness before it's too late. Graham's father, Pete, is the county school superintendent. He considers himself quite progressive with respect to race relations until the day he has to put his progressive ideas to the test. Priscilla Andrews teaches at the elementary school. Her acne-scarred face has caused some of the boys to call her Worm Face behind her back. But she maintains her professional bearing and decides that she and black people share a skin problem. Crayton Turner pedals his Popsicle cart as fast as he can, trying to reach the construction site before the workers leave, which proves to be a fateful decision. The Shard Of Eternity R. McKay, *The Shard of Eternity* follows the journey of Lirael, an elf chosen by the ancient Well of Magic to carry the balance of light and darkness within her. As the Void King rises threatening to consume the world in eternal shadow, Lirael is thrust into a battle not only for her people's survival but for the very fabric of creation. Guided by the wisdom of the elven elders and supported by her steadfast companion Elrion, Lirael faces a series of trials that test her ability to wield both creation and destruction. Along their perilous journey, they encounter powerful allies, ancient magic, and the harrowing forces of the void. In the final confrontation with the Void King, Lirael must make the ultimate sacrifice to restore balance to the world, facing the darkness within herself and unlocking the true potential of the Well's magic. The story is one of love, loyalty, sacrifice, and the eternal struggle to maintain the balance between light and darkness. *Vlad* C.C. Humphreys, 2011-05-01

Vlad The Last Confession is a novel about the real man behind the Bram Stoker myth. It tells of the Prince, the warrior, the lover, the torturer.

the survivor and ultimately the hero Dracula A name of horror depravity and the darkest sensuality Yet the real Dracula was just as alluring just as terrifying his tale not one of a monster but of a man and a contradiction His tale is told by those who knew him best The only woman he ever loved and whom he has to sacrifice His closest comrade and traitor And his priest betraying the secrets of the confessional to reveal the mind of the man history would forever remember as The Impaler This is the story of the man behind the legend as it has never been told before Trust nothing that you've heard Winter 1431 a son is born to the Prince of Transylvania His father christened him Vlad His people knew him as The Dragon's Son His enemies reviled him as Tepes The Impaler He became the hero of a nation We know him as Dracula
