Interplay of Spins, Charges and Photons in Low-dimensional Systems Can-Ming Hu, 2005 *American Book Publishing Record*, 1999 [Speak English or What?](#) Philipp Sebastian Angermeyer, 2015-04-01 This book presents a study of interpreter mediated interaction in New York City small claims courts drawing on audio recorded arbitration hearings and ethnographic fieldwork [Walzer, Just War and Iraq](#) Ronan O'Callaghan, 2015-10-08 In recent years questions of ethical responsibility and justice in war have become increasingly significant in international relations This focus has been precipitated by United States U S led invasions in Afghanistan and Iraq In turn Western conceptions of ethical responsibility have been largely informed by human rights based understandings of morality This book directly addresses the question of what it means to act ethically in times of war by drawing upon first hand accounts of U S war fighting in Iraq during the 2003 invasion and occupation The book focuses upon the prominent rights based justification of war of Michael Walzer Through an in depth critical reading of Walzer s work this title demonstrates the broader problems implicit to human rights based justifications of war and elucidates an alternative account of ethical responsibility ethics as response Putting forward a compelling case for people to remain troubled and engaged with questions of ethical responsibility in war this work will be of great interest to students and scholars in a range of areas including international relations theory ethics and security studies

[The Geology of Scotland, 5th edition \(paperback\)](#) Martin Smith, Rob Strachan, 2024-08-30 Although a small country Scotland s geology is complex internationally renowned and offers an accessible outdoor research laboratory and training ground for earth science The onshore and offshore geology together encompass examples of all Earth s geological periods and preserve many classic examples of sedimentary basins and orogenic belts Palaeontological findings have provided key evidence for the evolution of life With a wide spectrum of contributors full colour figures and photographs and for each chapter a Topic Box highlighting key research developments and challenges this 5th edition of The Geology of Scotland represents a major update and expansion from the 4th edition A revised Introduction summarizes the geological evolution of Scotland the nature of the crust and the societal relevance of geology to climate change and sustainability The final three chapters provide a modern view on energy water and minerals environmental concerns and geoconservation The intervening chapters cover the geological periods including much new geochronological data and exciting new palaeontological discoveries [Overcoming Toxic Emotions](#) Raymond Olusesan Aina, 2022-07-06 Overcoming Toxic Emotions is a compelling theme to enrich the restorative justice literature on the complex tasks of relational repair in a transitional society With its emphasis on the centrality of rebuilding trust and renewing the mode of being together this book is an innovative addition to the literature on justice in transitional societies It offers an original assessment of the Nigerian experience of restorative justice in peacebuilding This genuinely theological work opens new perspectives for a more adequate understanding of the Christian contribution to peacebuilding and the secular debate on restorative justice Yet the author expresses himself as an

African theologian paying attention to the specific context of the problems about transitional justice and integrating spontaneously the wisdom of his dual cultures Yoruba and Christianity With its attentiveness to victim perspectives the book engages the traditional notion of divine omnipotence and vulnerability The book rejects the notion of the fetish omnipotent God It opts instead for an image of God as vulnerable yet powerful in love compelling inspiring and rallying us
