The Moscow Connection

Gordon Thomas, Greg Lewis

The Moscow Connection:

The Moscow Connection Robin Moore,1994 Adventure set in 1991 during the time of the disintegration of the Soviet Union Based on a real life leader of the Russian Mafioso **The Moscow connection** Robin Moore,1995 A novel about the Russian mafia stealing nuclear weapons for sale abroad The protagonists are Peter Nikhilov and American agent sent to Moscow to bust the operation and Oksana Martinova daughter of a high ranking official who falls in love with him *The Moscow Connection* Ashley Barnett Smith,2009-04-24 The hunt for dangerous materials stolen from Russian Military Arsenal lead to the treacherous mountains of Turkey **India** Ashok Kapur,2006 This book provides an in depth account of India s role in world politics at the beginning of the twenty first century The author shows how the approach laid down by Nehru and followed by his successors an approach that included nuclear self restraint the search for friendly relations with Pakistan and China seeking the high ground in moral and diplomatic spheres and giving a lead to the non aligned Third World has been replaced The new more self confident and assertive approach of this book is based on India s growing economic strength and has a more strategic and pro Western orientation Meticulous in approach this book discusses this change shows how it has come about and explores how India s role in world politics might develop going forward This book will be of interest to students and scholars of South Asian studies Asian politics international relations and security studies Moscow in the Making Ernest Simon,Shena Simon,W. A. Robson,J. Jewkes,2014-08-07 This book published in 1937 reported on a four week visit to Moscow in 1936 to study the making of Moscow as a showpiece Soviet capital At its core was the 1935 General Plan for the Reconstruction of Moscow but the book was a study of planning in the Soviet rather than the Western sense Thus it covered many aspects of the city s social and economic life including industry and finance education and housing production as well as governance and town planning Much first hand detail is included based on the visit and the authors meetings with Soviet officials and citizens that illustrate various points usually in praise The book made a significant contribution towards the growing arguments in 1930s Britain and other parts of the Anglophone world for a bolder more comprehensive and more state led approach to planning In turn these arguments had an important impact in shaping the policies adopted in the 1940s

The German Left and the Weimar Republic Ben Fowkes,2014-07-10 The German Left and the Weimar Republic illuminates the history of the political left by presenting a wide range of documents on various aspects of socialist and communist activity in Germany Separate chapters deal with the policy of Social Democracy in and out of government the attempts of the Communist Party to overthrow the Weimar Republic and then later to oppose it Later chapters move away from the political scene to treat the attitudes of the parties to key social issues in particular questions of gender and sexuality The book concludes with a presentation of documents on various groups of socialist and communist dissidents Many of the documents are made accessible for the first time and each chapter begins with an original introduction indicating the current state of research The Spy's Veil David JB Foster,2025-06-10 The Spy s Veil The First in the Sir Andrew Gresham Spy

Novel Series In the shadowy corridors of espionage secrets are currency and trust is a deadly game The Spy's Veil introduces Sir Andrew Gresham a once retired intelligence officer drawn back into the perilous world he thought he'd left behind When a cryptic message arrives from an old ally Gresham is thrust into a labyrinth of deception that stretches from the fog drenched streets of London to the heart of a chilling international conspiracy As he races to unravel a series of covert operations tied to a rogue agent from his past Gresham finds himself facing enemies both new and familiar none more dangerous than the enigmatic Kessler a master manipulator who always seems to be two steps ahead With a stolen briefcase brimming with secrets a network of hidden agendas and a city teeming with watchers in the shadows Gresham must rely on his instincts his wits and a handful of unreliable allies But as the layers of intrigue are peeled away Gresham realises that the stakes are far higher than he imagined and the cost of failure is not just his life but the security of nations Fast paced and atmospheric The Spy's Veil weaves intricate tradecraft moral dilemmas and heart stopping suspense into a gripping tale of betrayal loyalty and survival Sir Andrew Gresham is a complex haunted hero for the modern age a man walking the fine line between honour and expediency in a world where no one is what they seem Perfect for fans of John le Carr and Daniel Silva The Spy's Veil is a thrilling opening chapter in a series that promises to keep readers on the edge of their seats Prepare to enter a world where the truth is as elusive as the shadows that conceal it

The Astrology of the Four Horsemen

Elizabeth Clare Prophet, 1991 This layman's guide to beating the Fates in the 1990s looks at the astrology of a world in transition and explains how it will affect the U S and the world Prophet describes the relationship between astrology prophecy and karma And she offers practical techniques you can use to deal with the positive and negative aspects of both personal and planetary astrology

Defying Hitler Gordon Thomas, Greg Lewis, 2019-04-23 A terrifying and timely account of resistance in the face of the greatest of evils Alex Kershaw New York Times bestselling author of *The First Wave* An enthralling story that vividly resurrects the web of everyday Germans who resisted Nazi rule Nazi Germany is remembered as a nation of willing fanatics But beneath the surface countless ordinary everyday Germans actively resisted Hitler Some passed industrial secrets to Allied spies Some forged passports to help Jews escape the Reich For others resistance was as simple as writing a letter denouncing the rigidity of Nazi law No matter how small the act the danger was the same any display of defiance was met with arrest interrogation torture and even death *Defying Hitler* follows the underground network of Germans who believed standing against the Fuhrer to be more important than their own survival Their bravery is astonishing a schoolgirl beheaded by the Gestapo for distributing anti Nazi fliers a German American teacher who smuggled military intel to Soviet agents becoming the only American woman executed by the Nazis a pacifist philosopher murdered for his role in a plot against Hitler a young idealist who joined the SS to document their crimes only to end up to his horror an accomplice to the Holocaust This remarkable account illuminates their struggles yielding an accessible narrative history with the pace and excitement of a thriller

Hearings, Reports and Prints of the Senate Committee on the Judiciary

United States. Congress. Senate. Committee on the Judiciary,1970

The Tragedy of Liberation Frank

Dikötter,2013-09-24 A groundbreaking chronicle of the violent early years of the People's Republic of China by the author of the BBC Samuel Johnson Prize winning Mao's Great Famine The Chinese Communist party refers to its victory in 1949 as a liberation In China the story of liberation and the revolution that followed is not one of peace liberty and justice It is first and foremost a story of calculated terror and systematic violence So begins Frank Dikötter's stunning and revelatory chronicle of Mao Zedong's ascension and campaign to transform the Chinese into what the party called New People Following the defeat of Chiang Kai-shek in 1949 after a bloody civil war Mao hoisted the red flag over Beijing's Forbidden City and the world watched as the Communist revolution began to wash away the old order Due to the secrecy surrounding the country's records little has been known before now about the eight years that followed preceding the massive famine and Great Leap Forward Drawing on hundreds of previously classified documents secret police reports unexpurgated versions of leadership speeches eyewitness accounts of those who survived and more The Tragedy of Liberation bears witness to a shocking largely untold history Interweaving stories of ordinary citizens with tales of the brutal politics of Mao's court Frank Dikötter illuminates those who shaped the liberation and the horrific policies they implemented in the name of progress People of all walks of life were caught up in the tragedy that unfolded and whether or not they supported the revolution all of them were asked to write confessions denounce their friends and answer queries about their political reliability One victim of thought reform called it a carefully cultivated Auschwitz of the mind Told with great narrative sweep The Tragedy of Liberation is a powerful and important document giving voice at last to the millions who were lost and casting new light on the foundations of one of the most powerful regimes of the twenty-first century

Exit from Communism Stephen R. Graubard,2021-09-28 Since 1989 it has been possible to review what has been published both at home and abroad on the communist states of Central and Eastern Europe and no less importantly on the Soviet Union itself from a new perspective Few have chosen to engage in this Herculean task whether out of a residual civility in not wishing to mock certain aging scholars whose research would appear curiously dated or out of a sense of fatigue with the whole subject of casting aspersions on mistaken views A New Europe for the Old asks whether the master narratives that circulated so widely in the West in the half century since 1945 remain valid Stephen Graubard's volume raises pertinent questions regarding the current state of the European world as it has evolved since 1989 He includes contributions from important scholars around the world A New Europe for the Old by Martin Malia The Serbs The Sweet and Rotten Smell of History by Tim Judah Illyrianism and the Croatian Quest for Statehood by Marcus Tanner To Be or Not to Be Balkan Romania's Quest for Self Definition by Tom Gallagher Ukraine From an Imperial Periphery to Sovereign State by Roman Szporluk Ethnic Nationalism in the Russian Federation by Anatoly M. Khazanov Im Osten viel Neues Plenty of News from the Eastern Lander by Barbara Ischinger Discourse and Disintegration in Europe The Cases of France Germany and Great Britain by Vivien A. Schmidt The European Debate on Citizenship by

Dominique Schnapper *Has the Nation Died* The Debate Over Italy's Identity and Future by Dario Biocca and *Postwar Europe* by Arne Roth A New Europe for the Old provides greater sympathy for the complexity of societies and argues for greater tolerance of those that are small and that do not cast a long shadow in the world of today In the twenty first as in the twentieth century they may be engines of change both as a result of the disorder that they produce as well as the ways in which their values however seemingly antiquated survive and prosper and not only in their native lands This volume will intrigue historians and European studies scholars alike *The Cia's Secret Operations* Harry Rositzke, 2019-07-09 I am grateful to those of my colleagues in this first generation of American spymasters who were willing to share their experiences with me even after I retired to my unclassified farm I am indebted to Howard Roman who worked with Allen Dulles on his intelligence writings for his assistance in the preparation of the early chapters and to Nancy Kelly my editor at Reader's Digest Press for the sharp edge of her pruning shears *Wars of Eduard Shevardnadze* Carolyn Ekedahl, Melvin A. Goodman, 2010-11-01 Chronicles the life and political career of the former foreign minister of the Soviet Union *Cold War Negritude* Christopher T. Bonner, 2023-11-15 Cold War Negritude is the first book length study of francophone Caribbean literature to foreground the political context of the global Cold War It focuses on three canonical francophone Caribbean writers Ren Depestre Aim C saire and Jacques Stephen Alexis whose literary careers and political alignments spanned all three worlds of the 1950s Cold War order As black Caribbean authors who wrote in French who participated directly in the global communist movement and whose engagements with Marxist thought and practice were mediated by their colonial relationship to France these writers expressed unique insight into this bipolar system as it was taking shape The book shows how over the course of the 1950s French Caribbean Marxist authors re evaluated the literary aesthetics of Negritude and sought to develop alternatives that would be adequate to the radically changed world system of the Cold War Through close readings of literary theoretical and political texts by Depestre C saire and Alexis I show that this formal shift reflected a strikingly changed understanding of what it meant to write engaged literature in the new bipolar world order Debates about literary aesthetics became the proxy battlefield on which Antillean writers promoted and fought for their different visions of an emancipated Caribbean modernity Consequent to their complicated Cold War alignments these Antillean authors developed original and unorthodox Marxist literary aesthetics that syncretized an array of socialist literary tendencies from around the globe ***The Diplomatic Record 1990-1991*** David D Newsom, 2019-06-26 This book concentrates on three areas of the world where diplomacy was particularly active the Middle East Europe and Africa It addresses a global subject particularly relevant to the Middle East the Nuclear Non Proliferation Treaty *The Death of the KPD* Patrick Major, 1998-02-05 Why was the West German Communist Party banned in 1956 only 11 years after it had emerged from Nazi persecution Although politically weak the postwar party was in fact larger than its Weimar predecessor and initially dominated works councils at the Ruhr pits and Hamburg docks as well as the steel giant Krupp Under the control of East

Berlin however the KPD was sent off on a series of overambitious and flawed campaigns to promote national unification and prevent West German rearmament At the same time the party was steadily criminalized by the Anglo American occupiers and ostracized by a heavily anti communist society Patrick Major has used material available only since the end of the Cold War from both Communist archives in the former GDR as well as western intelligence to trace the final decline and fall of the once powerful KPD **The Amerasia Papers** ,1970 The Soviets, Their Successors and the Middle East Rosemary Hollis,1993-09-20 Hitler's Japanese Confidant Carl Boyd,1993 In 1940 the US Army Signal Intelligence Service broke the Japanese diplomatic code In 1975 Oshima Hiroshi Japan s ambassador to Berlin during World War II died never knowing that the hundreds of messages he transmitted to Tokyo had been fully decoded by the Americans and whisked off to Washington providing a major source of information for the Allies on Nazi activities
