The Mississippi Experience Strategies For Welfare Rights Action:

The Mississippi Experience Paul A. Kurzman, 1971 These are front line reports of eight community organizers both black and white who volunteered for work with the Community Development Agency in Hinds County Mississippi under the sponsorship of the Michael Schwerner Memorial Fund From publisher description **Invisible Enemy** Greta de

Jong, 2010-01-28 This highly accessible account of the evolution of American racism outlines how colorblind approaches to discrimination ensured the perpetuation of racial inequality in the United States well beyond the 1960s A highly accessible account of the evolution of American racism its perpetuation and black people s struggles for equality in the post civil rights era Guides students to a better understanding of the experiences of black Americans and their ongoing struggles for justice by highlighting the interconnectedness of African American history with that of the nation as a whole Highlights the economic and political functions that racism has served throughout the nation s history Discusses the continuation of the freedom movement beyond the 1960s to provide a comprehensive new historiography of racial equality and social justice

Poor People's Movements Frances Fox Piven, Richard Cloward, 2012-02-08 Have the poor fared best by participating in conventional electoral politics or by engaging in mass defiance and disruption The authors of the classic *Regulating The Poor* assess the successes and failures of these two strategies as they examine in this provocative study four protest movements of lower class groups in 20th century America The mobilization of the unemployed during the Great Depression that gave rise to the Workers Alliance of America The industrial strikes that resulted in the formation of the CIO The Southern Civil Rights Movement The movement of welfare recipients led by the National Welfare Rights Organization **You Can't Eat Freedom** Greta de Jong, 2016-08-30 Two revolutions roiled the rural South after the mid 1960s the political revolution wrought by the passage of civil rights legislation and the ongoing economic revolution brought about by increasing agricultural mechanization Political empowerment for black southerners coincided with the transformation of southern agriculture and the displacement of thousands of former sharecroppers from the land Focusing on the plantation regions of Alabama Louisiana and Mississippi Greta de Jong analyzes how social justice activists responded to mass unemployment by lobbying political leaders initiating antipoverty projects and forming cooperative enterprises that fostered economic and political autonomy efforts that encountered strong opposition from free market proponents who opposed government action to solve the crisis Making clear the relationship between the civil rights movement and the War on Poverty this history of rural organizing shows how responses to labor displacement in the South shaped the experiences of other Americans who were affected by mass layoffs in the late twentieth century shedding light on a debate that continues to reverberate today
