The Modesto Messiah Lewis Ashmore,1977 **Cyberhenge** Douglas E. Cowan,2005 Cyberhenge examines the use of Internet technology in shaping religious traditions and rituals Cowan asks how and why Neopaganism has embraced the Internet in such an innovative and imaginative way **The Oxford Handbook of New Religious Movements** James R

Lewis,2008-07-17 The Oxford Handbook of New Religious Movements both covers the current state of the field and breaks new ground Its contributors drawn from both sociology and religious studies are leading figures in the study of NRMs

America's Alternative Religions Timothy Miller,1995-01-01 This is a source of reliable information on the most important new and alternative religions covering history theology impact on the culture and current status It includes a chapter on the Branch Davidians **Organized Secularism in the United States** Ryan T. Cragun,Christel Manning,Lori L.

Fazzino,2017-11-07 There has been a dramatic increase in the percentage of the US population that is not religious However there is to date very little research on the social movement that is organizing to serve the needs of and advocate for the nonreligious in the US This is a book about the rise and structure of organized secularism in the United States By organized secularism we mean the efforts of nonreligious individuals to build institutions networks and ultimately a movement that serves their interests in a predominantly religious society Researchers from various fields address questions such as What secularist organizations exist Who are the members of these organizations What kinds of organizations do they create What functions do these organizations provide for their members How do the secularist organizations of today compare to those of the past And what is their likely impact on the future of secularism For anyone trying to understand the rise of the nonreligious in the US this book will provide valuable insights into organized efforts to normalize their worldview and advocate for their equal treatment in society **The elections, 1789-1992** James T.
