The Muse Upon My Shoulder Discussions Of The Creative Process:

The Muse Upon My Shoulder Sylvia Skaggs McTague, 2004 In *The Muse upon My Shoulder* an exceptionally diverse group of writers including Evan S Connell Anthony Piccione David Trinidad William Stafford Jean Thompson Vance Bourjaily E L Doctorow Stanley Elkin Jay McInerney Beth Henley David Hwang Bud Schulberg and Mary Gordon discuss the creative process They entertain self revealing questions about their status as writers their inspiration to write and their relationship to an audience The conversational form of the interview allows for candid answers that readers rarely hear to questions that seldom are answered The final chapter lets readers participate in the conflicts that surround the production of a good interview Sylvia Skaggs McTague is a lecturer at Fairleigh Dickinson University *Conversations with Beth Henley* Jackson R. Bryer, Mary C. Hartig, 2023-03-24 With roots in the American South Beth Henley b 1952 has for four decades been a working playwright and screenwriter Winner of the Pulitzer Prize in 1981 at the age of twenty eight Henley so far has written twenty five produced plays that are always original usually darkly comic and often experimental In these interviews Henley speaks of the plays from her early crowd pleasers *Crimes of the Heart* and *The Miss Firecracker Contest* to her more experimental plays including *The Debutante Ball* and *Control Freaks* to her brilliant and time bending play *The Jacksonian* Henley is a master at writing about the duality of human experience the beautiful and the grotesque the cruel and the loving This duality provokes in Henley both amazement and compassion She discusses here not only her admiration for Chekhov and other influences but also her process of bringing a play from notebooks of images and bits of dialogues through rumination writing and rewriting to rehearsals and previews The interviews range from 1981 just before she won the Pulitzer Prize to 2020 and cover nearly forty years of a creative life which as Henley remarks in the most recent interview is such a life worth living to be in tune with the creative process

Ways the films *Thelma and Louise* and *Beloved* the television shows *Designing Women* and *The Oprah Winfrey Show* as a means of understanding the role of regional popular culture in defining and redefining American feminisms as we approached the twenty first century Taken as a collective these texts expand how we think about the whats wheres whens and hows of feminisms in recent U S history Why any woman give a shit what people think is a mystery to me muses the blueswoman Shug Avery in Alice Walker s *The Color Purple* Why Any Woman features southerners who like Shug rejected and reshaped gender norms and their stories illustrate some of the ways regional pop culture has been and still is a crucial site of American feminisms
