**Sink HMS Kelly** Duncan Harding,2002      Mountbatten Adrian Smith,2010-04-30 Was he a far sighted war hero or an ambitious networker promoted well above his natural talent Admired as a modernising chief of staff a timely decoloniser and a genuine player on the world stage Mountbatten nevertheless continues to attract fierce criticism In this timely new biography Adrian Smith offers a fresh and convincing perspective depicting Mountbatten as a quintessentially modern highly professional figure within the Royal Navy and at Combined Operations and SE Asia Command a hands on officer who enthusiastically embraced new technology someone who although an aristocrat was by instinct a progressive innovative in his approach to man management Smith brings Mountbatten to life acknowledging the essential qualities as well as the obvious weaknesses Beneath the rich vain often ruthless embodiment of power and privilege could be found a very human even vulnerable character the complex personality of a pivotal figure in the history of twentieth century Britain and her empire

**Indian Summer** Alex von Tunzelmann,2012-10-25 The stroke of midnight on 15 August 1947 liberated 400 million Indians from the British Empire One of the defining moments of world history had been brought about by a tiny number of people including Jawaharlal Nehru the fiery prime minister to be Gandhi the mystical figure who enthralled a nation and Louis and Edwina Mountbatten the glamorous but unlikely couple who had been dispatched to get Britain out of India without delay Within hours of the midnight chimes however the two new nations of India and Pakistan would descend into anarchy and terror INDIAN SUMMER depicts the epic sweep of events that ripped apart the greatest empire the world has ever seen and reveals the secrets of the most powerful players on the world stage the Cold War conspiracies the private deals and the intense and clandestine love affair between the wife of the last viceroy and the first prime minister of free India With wit insight and a sharp eye for detail Alex von Tunzelmann relates how a handful of people changed the world for ever

**A War Without Ground** MICHAEL CANN,2018-05-10 Fly high above the clouds sail deep down to the ocean bottom and see how a nation demilitarized begins to achieve world dominance from above and below without a need to keep their boots on the ground      Philip, Prince of Greece Constantinos Lagos,John Carr,2021-06-30 Many books have been written about the life of Prince Philip the Duke of Edinburgh yet there always seem to be corners of his long life that have remained unexplored In this long look back into his early years Constantinos Lagos and John Carr uncover hitherto unknown aspects of Philip s life as a Greek prince and his gradual transformation from a mere appendage of the troubled Greek royal family to an enduring pillar of the British monarchy For the first time Lagos and Carr delve into neglected Greek archives for a fascinating picture of Philip s early Greek life and the constant insecurity that dogged his steps as his father Prince Andrew of Greece and mother Princess Alice struggled to order their own lives in the maelstrom of unstable and often violent Greek politics in a Europe sliding towards world war The Greek royal family in which Philip has his roots is dealt with at length to bring out the particular family history and circumstances that played no small part in shaping his personality Anyone curious

about how Prince Philip actually grew up will find in this book a wealth of eye opening often startling details that will add more brush strokes to the portrait of the often elusive but real Prince Philip      **Brassey's Naval Annual** Earl Thomas Allnutt Brassey, 1941      *The War at Sea, 1939-1945: The defensive.- v.2. The period of balance.- v.3. The offensive* Stephen Wentworth Roskill, 1954      **The naval war film** Jonathan Rayner, 2013-07-19 This book undertakes a unique coherent and comprehensive consideration of the depiction of naval warfare in the cinema The films under discussion encompass all areas of naval operations in war and highlight varying institutional and aesthetic responses to navies and the sea in popular culture The examination of these films centres on their similarities to and differences from the conventions of the war genre and seeks to determine whether the distinctive characteristics of naval film narratives justify their categorisation as a separate genre or sub genre in popular cinema The explicit factual bases and drama documentary style of many key naval films such as *In Which We Serve* *They Were Expendable* and *Das Boot* also requires the consideration of these films as texts for popular historical transmission Their frequent reinforcement of establishment views of the past which derives from their conservative ideological position towards national and naval culture makes these films key texts for the consideration of national cinemas as purveyors of contemporary history as popularly conceived by filmmakers and received by audiences      *Visions of War* M. Paul Holsinger, Mary Anne Schofield, 1992 For Americans World War II was a good war a war that was worth fighting Even as the conflict was underway a myriad of both fictional and nonfictional books began to appear examining one or another of the raging battles These essays examine some of the best literature and popular culture of World War II Many of the studies focus on women several are about children and all concern themselves with the ways that the war changed lives While many of the contributors concern themselves with the United States there are essays about Great Britain Canada France Germany Poland Russia and Japan      *Beyond the Epic* Gene Phillips, 2006-11-24 Two time Academy Award winner Sir David Lean 1908-1991 was one of the most prominent directors of the twentieth century responsible for the classics *The Bridge on the River Kwai* 1957 *Lawrence of Arabia* 1962 and *Doctor Zhivago* 1965 British born Lean asserted himself in Hollywood as a major filmmaker with his epic storytelling and panoramic visions of history but he started out as a talented film editor and director in Great Britain As a result he brought an art house mentality to blockbuster films Combining elements of biography and film criticism *Beyond the Epic The Life and Films of David Lean* uses screenplays and production histories to assess Lean's body of work Author Gene D Phillips interviews actors who worked with Lean and directors who knew him and their comments reveal new details about the director's life and career Phillips also explores Lean's lesser studied films such as *The Passionate Friends* 1949 *Hobson's Choice* 1954 and *Summertime* 1955 The result is an in depth examination of the director in cultural historical and cinematic contexts Lean's approach to filmmaking was far different than that of many of his contemporaries He chose his films carefully and as a result directed only sixteen films in a period of more than forty years Those films however have become some of the landmarks of motion picture history Lean is best known for his epics but

Phillips also focuses on Lean's successful adaptations of famous works of literature including retellings of plays such as *Brief Encounter* 1945 and novels such as *Great Expectations* 1946 *Oliver Twist* 1948 and *A Passage to India* 1984 From expansive studies of war and strife to some of literature's greatest high comedies and domestic dramas Lean imbued all of his films with his unique creative vision Few directors can match Lean's ability to combine narrative sweep and psychological detail and Phillips goes beyond Lean's epics to reveal this unifying characteristic in the director's body of work *Beyond the Epic* is a vital assessment of a great director's artistic process and his place in the film industry [World War II Goes to the Movies & Television Guide](#) Terry Rowan,2012-03-07 A complete film guide to all of your films and television shows that pertain to WWII Included are every WWII film produced throughout the world Historical and informative Stories behind the Hollywood Canteen USO shows War Bond drives those who served or were classified as 4F during the war Many interesting stories

everything from the intimate black and white romance of *Brief Encounter* 1945 to the spectacular Technicolor epic of *Lawrence of Arabia* 1962 This book offers comprehensive coverage of every feature film directed by Lean yielding new insights on the established classics of his career as well as its lesser known treasures Its analysis prioritises questions of gender and emphasises the often overlooked but highly significant recurrence of female centred narratives throughout Lean s career Drawing extensively on archival historical materials while also presenting nuanced close readings of individual films David Lean offers a fascinating and original account of the work of a remarkable British film maker [The Epic Films of David Lean](#) Constantine Santas,2012 In this volume David Lean s now undervalued epics *The Bridge on the River Kwai* *Lawrence of Arabia* *Doctor Zhivago* *Ryan s Daughter* and *A Passage to India* are restored to the elevated esteem they once held [The British National Bibliography](#) Arthur James Wells,2002 [Defending the Rock](#) Nicholas Rankin,2017-09-05 Adolf Hitler s failure to take Gibraltar in 1940 lost him the Second World War But in truth the formidable Rock jutting between the Mediterranean and the Atlantic was extraordinarily vulnerable Every day ten thousand people crossed its frontier to work spy sabotage or escape It was threatened by Spain Vichy France Italy and Germany After the USA entered the war Gibraltar became General Eisenhower s strategic headquarters for the invasion of North Africa and the battle for the Mediterranean **CB Fry: King Of Sport - England's Greatest All Rounder; Captain of Cricket, Star Footballer and World Record Holder** Iain Wilton,2014-08-31 Charles Burgess Fry known as C B Fry was an English polymath an outstanding sportsman politician diplomat academic teacher writer editor and publisher who is best remembered for his career as a cricketer Fry s achievements on the sporting field included representing England at both cricket and football an F A Cup Final appearance for Southampton F C and equalling the then world record for the long jump But he was much more than a sportsman He won a major scholarship to Oxford where his friends numbered Max Beerbohm Hilaire Belloc and F E Smith He wrote several books including an autobiography and a novel and he was one of the most successful journalists of his day He was a friend of many prominent Labour and Liberal politicians but flirted with Fascism meeting Hitler in 1934 He tried out for Hollywood represented India at the League of Nations and stood for Parliament three times A most incredible man the most variously gifted Englishman of any age the pre eminent all rounder not merely of his own age but so far as is measurable of all English history John Arlott This is a well researched well rounded picture of one of England s great sporting heroes Jeremy Paxman Mail on Sunday He has written what should come to be regarded as one of the very best sporting biographies I could not put it down Michael Kennedy Sunday Telegraph This is a book that rises to its subject s level in fascination entertainment and brilliance Tim Rice Literary Review *Surviving the Arctic Convoys* John R. McKay,2021-07-21 Leading Seaman Charlie Erswell saw much more than his fair share of action during the Second World War He was present at the 1942 landing in North Africa Operation TORCH D Day and the liberation of Norway But his main area of operations was that of the Arctic Convoys escorting merchant ships taking essential war supplies to the Russian ports

of Murmansk and Archangel In addition to contending with relentless U boat and Luftwaffe attacks crews endured the extreme sea conditions and appalling weather This involved clearing ice and snow in temperatures as low as minus thirty degrees Celsius No wonder Winston Churchill described it as the worst journey in the world Fortunately Charlie who served on two destroyers HMS Milne and Savage kept a record of his experiences and is alive today to describe them His story published to coincide with the 80th Anniversary of the first convoy is more than one man s account It is an inspiring tribute to his colleagues many of whom were killed in action No one reading Surviving The Arctic Convoys could fail to be moved by the bravery and endurance of these outstanding men
