Sioux Arrows And Bullets:

Sioux Arrows and Bullets Paul Sanford, 1969 An account based on documents and personal letters of the U S Army s campaign begun in 1862 in Minnesota to drive back the attacking Sioux tribes led by Chief Little Crow **Traditions of the Arikara** George Amos Dorsey, 1904 *Poison Arrows* David E. Jones, 2022-02-24 A comprehensive survey of organic compounds used as poisons on arrows and spears in food and even as insecticides by numerous Native American tribes Biological warfare is a menacing twenty first century issue but its origins extend to antiquity While the recorded use of toxins in warfare in some ancient populations is rarely disputed the use of arsenical smoke in China which dates to at least 1000 BC for example the use of poison arrows and other deadly substances by Native American groups has been fraught with contradiction At last revealing clear documentation to support these theories anthropologist David Jones transforms the realm of ethnobotany in *Poison Arrows* Examining evidence within the few extant descriptive accounts of Native American warfare along with grooved arrowheads and clues from botanical knowledge Jones builds a solid case to indicate widespread and very effective use of many types of toxins He argues that various groups applied them to not only warfare but also to hunting and even as an early form of insect extermination Culling extensive ethnological historical and archaeological data Jones provides a thoroughly comprehensive survey of the use of ethnobotanical and entomological compounds applied in wide ranging ways including homicide and suicide Although many narratives from the contact period in North America deny such uses Jones now offers conclusive documentation to prove otherwise A groundbreaking study of a subject that has been long overlooked *Poison Arrows* imparts an extraordinary new perspective to the history of warfare weaponry and deadly human ingenuity A unique contribution to the field of American Indian ethnology This information has never been compiled before and I doubt that many ethnologists in the field have ever suspected the extent to which poison was used among North American Indians This book significantly extends our understanding Wayne Van Horne Associate Professor of Anthropology Kennesaw State University *Dreamcatchers* Patricia Young, 2018-04-11 *Dreamcatchers* is an intense romance between Amanda O Toole and Straight Arrow an Ogallala Sioux warrior in the 1870s Straight Arrow is drawn to her and tries to protect her however his dreams predict she will lead him to a fiery death While she is forced to live among the Sioux feisty Amanda adjusts to their culture She meets the great chiefs Crazy Horse and Sitting Bull among others of the Sioux She bonds with the tribe and shares their joys and sorrows Later Amanda endures the heinous abuse Straight Arrow s archenemy Gray Cloud forces upon her After three years they return to her father s ranch The Circle T where she is betrayed by the man she was supposed to marry The story culminates with the infamous battle against Yellow Hair at the Little Bighorn *Beneath a Dakota Cross* Stephen A. Bly, 1999-07-01 IN SEARCH OF A NEW LIFE OUT WEST BRAZOS FORTUNE FINDS HIS FAMILY ENDANGERED BY THE VERY QUEST HE HOPED WOULD SAVE THEM With these simple words Brazos Fortune sets out on his journey in the first of Stephen Bly s new Fortunes of the Black Hills series When locals threaten the

lives and property of his family Brazos abandons his Texas homestead for a new ranch in the West he has seen in a dream It's a war against corrupt lawmen wild outlaws and bitter winter weather as Brazos wrestles with his newfound hunger for gold and the burning desire to be reunited with his family He must test himself against the untamed frontier confront the greedy miners who try his Christian convictions and find the new home God showed him Beneath a Dakota Cross *Between the Floods* Mark van de Logt, 2023-03-16 The creation story of the Sahni or Arikara people begins with a terrible flood sent by the Great Chief Above to renew the world Many generations later another devastating flood nearly destroyed the Arikaras when the newly built Garrison Dam swamped the fertile land of the Fort Berthold Reservation in North Dakota *Between the Floods* tells the story of this powerful Great Plains nation from its mythic origins to the modern era tracing the path of the Arikaras through the oral traditions and oral histories that preserve and illuminate their past The Arikaras like their Hidatsa and Mandan neighbors on the northern plains lived as both farmers and hunter gatherers growing corn and hunting buffalo Pressure on their villages from other nations including the Lakotas forced displacements and relocations and once Euro Americans entered their domain French fur traders the Spanish and especially Americans after Lewis and Clark the Arikaras strategic location on the Missouri River became both an asset and a liability *Between the Floods* follows this resilient semi sedentary people in their migration and settlement as they confront the challenges of white incursions tribal conflicts foreign diseases the slave trade and the introduction of horses and metal tools In the Arikaras oral traditions and histories Mark van de Logt finds a key to their distant past as well as the cultural underpinnings of their resilience and persistence as faith in their great prophet Mother Corn guides them and inspires hope for the future Enhanced with the insights of archaeology linguistics and anthropology and illustrated with Native maps and ledger art as well as historic photographs and drawings *Between the Floods* brings unprecedented depth detail and authenticity to its picture of the Arikaras in the fullness and living presence of their history *The Indian Tribes of the United States* Henry Rowe Schoolcraft, Francis Samuel Drake, 1884

Crazy Horse and Custer Stephen E. Ambrose, 2014-07-01 A New York Times bestseller from the author of *Band of Brothers* The biography of two fighters forever linked by history and the battle at Little Bighorn On the sparkling morning of June 25 1876 611 men of the United States 7th Cavalry rode toward the banks of Little Bighorn in the Montana Territory where three thousand Indians stood waiting for battle The lives of two great warriors would soon be forever linked throughout history Crazy Horse leader of the Oglala Sioux and General George Armstrong Custer Both were men of aggression and supreme courage Both became leaders in their societies at very early ages Both were stripped of power in disgrace and worked to earn back the respect of their people And to both of them the unspoiled grandeur of the Great Plains of North America was an irresistible challenge Their parallel lives would pave the way in a manner unknown to either for an inevitable clash between two nations fighting for possession of the open prairie **Wooden Leg: A Warrior Who Fought Custer (Expanded, Annotated)** Wooden Leg, Thomas B. Marquis, 2016-09-19 One of the most fascinating classics ever

written about the Battle of the Little Bighorn Dr Thomas Marquis spent many years getting to know and interviewing Native Americans who had fought against General Custer and the 7th Cavalry This is the narrative of Chief Wooden Leg given to Marquis late in Wooden Leg s life Long dismissed by historians Little Bighorn scholars today believe the Indian accounts to be essential to an understanding of what went wrong at the Little Bighorn and what went right for the Sioux and Cheyenne Archaeology at the battlefield has born out the veracity of the Indian accounts and the contribution to history by Wooden Leg and Marquis is invaluable Included is a great deal of information about the life of the Cheyenne of Wooden Leg s time his boyhood his understanding of Indian medicine a very detailed account of the June 25 26 1876 battle with Custer and more This is a book you ll read more than once Every memoir of the American West provides us with another view of the movement that changed the country forever For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample **Out**

where the West Begins Zena Irma Trinka,1920 **Carnegie Institution of Washington Publication** ,1904

Traditions of the Arikara George A. Dorsey,2023-07-09 In *Traditions of the Arikara* George A Dorsey provides a comprehensive ethnographic study rooted in the cultural fabric of the Arikara people a Native American tribe from the Great Plains Through meticulous fieldwork and keen observational skills Dorsey documents the intricate rituals oral histories and social structures that define the Arikara community Written in a clear and engaging style the book positions the Arikara within the broader context of Native American traditions blending anthropological insights with vivid narratives that illuminate the tribe s connection to their environment and heritage George A Dorsey an eminent anthropologist and explorer of early 20th century America brings a wealth of knowledge and experience to this work His background in anthropology alongside his work with various Native American communities deeply informs his sensitivity to cultural nuances Dorsey s commitment to amplifying Indigenous voices stems from his belief in the significance of cultural preservation during a time of profound change and adversity for Native communities *Traditions of the Arikara* is essential reading for those interested in Native American history anthropology and cultural studies Dorsey s invaluable observations and respectful narrative invite readers to appreciate the richness and complexity of the Arikara s traditions making it a significant contribution to the understanding of Indigenous cultures **Voices of the American Indian Experience** James E. Seelye Jr.,Steven Alden

Littleton,2012-11-30 In a single source this comprehensive two volume work provides the entire history of American Indians as told by Indians themselves *Voices of the American Indian Experience* provides unique insights into American Indian history by focusing on Indian accounts instead of on relying on other sources As a result their voices are clearer and readers learn more about Indians directly from Indians rather than through accounts that are filtered diluted and possibly even

misinterpreted by an outsider's perspective. The volumes comprise a vast and fascinating variety of sources that span creation stories from Native American prehistory to Indians who met the earliest Europeans to visit the Americas all the way through to American Indians who served in recent foreign conflicts in the U.S. Armed Forces. This work provides information that is essential to fully understanding the history of the United States and will be a valuable resource for advanced high school students and college students as well as general audiences with an interest in history or Native American culture.

Historical Essays on the Prairie Provinces Donald Swainson, 1970-01-01 *Collections of the State Historical Society of North Dakota* State Historical Society of North Dakota, 1908 Vols 1-4 include the annual report for 1906 1910 12 **Run Past The Hunter** , Ballou's Monthly Magazine , 1882 **End of Pawnee Starlight** Shawn J. Farritor, 2009-08-05 The Battle of Massacre Canyon occurred in an indistinguishable valley in southwestern Nebraska on August 5, 1873. Fought between a Pawnee hunting expedition and a Sioux war party, the destruction of the Pawnee shocked the nation as a whole and inspired fear and speculation within the young state of a bloody plains war. As the last great confrontation between American Indian tribes on the North American continent, the battle was a harbinger of the removal of both tribes from their beloved Nebraska homelands by the end of the decade. In Shawn J. Farritor's first novel, *End of Pawnee Starlight*, memorable characters are drawn from the chapters of Nebraska history to create a stirring account of the final years of the Pawnee Nation within the state. The well-meaning but inexperienced trail agent John Williamson finds himself engulfed by the deadly responsibility of escorting the Pawnee on their doomed final hunt as he attempts to charm a proud Pawnee girl. The dignified Great Pawnee Chief Petalasharo struggles to keep his people on the lands of their ancestors. The formidable warrior Sky Chief leads his people into disaster on their summer buffalo hunt. The hardened arm scout Frank North and his more reflective younger brother Luther North assist the Pawnee in their terrible warfare with the powerful Sioux. In the end, neither tribe won the Battle of Massacre Canyon. The Pawnee and Sioux were fighting over access to hunting grounds that the American government had recently and unilaterally determined were not theirs to claim.
