three major offensives against Robert E Lee s defenses around Petersburg and the Confederate capital in Richmond The Confederates counterpunched after each Union advance and conducted a spectacular cavalry raid that netted almost 2 500 cattle from Federal grazing grounds But as winter approached Grant had captured one of Lee s primary supply routes and extended the lines around Petersburg and Richmond to some thirty five miles Supported by thirty four detailed maps Greene s narrative chronicles these bloody engagements using many previously unpublished primary accounts from common soldiers and ranking officers alike The struggle for Petersburg is often characterized as a siege but Greene s narrative demonstrates that it was dynamic involving maneuver and combat equal in intensity to that of any major Civil War operation
