## **The Moonshell:**

Moonshell Bea Carlton, 2002 The Randolphs face danger and fear in a mansion on the Texas gulf coast A vicious enemy draws their Christian faith into a climactic battle with greed and death      **Game of the Shadowed Crown** Mars Algiros, 2025-06-11 Some games are played for gold Others for glory But this one this one plays for souls Kaiven never asked for a legacy He never asked for the past But when a storm shattered the quiet stillness of Duskmoore it brought more than wind and rain it brought a reckoning It began with a knock in the dead of night At his door stood a cloaked messenger rain soaked and silent bearing two relics thought long lost A wide brimmed sea salted hat still haunted by the scent of brine and memory And a weathered journal once belonging to Seamus the grandfather who vanished into legend For weeks the journal remained shut Until one night under a sky torn by stormlight the ink began to move Words shifted Pages bled secrets And a message hidden and waiting surfaced written not just for someone but for Kaiven That moment cracked the world open What followed was no mere journey it was an unraveling A trail of riddles and ruins seers and symbols whispers in stone and wind Why did Seamus vanish What truths did he bury in the journal s cryptic script And what ancient force now stirs in Kaiven s blood With nothing but fragments to follow Kaiven ventures inland into a realm where shadows remember rivers hum with forgotten songs and old runes pulse with truths too dangerous to name By his side Muffin a soft feathered puffin who dreams of naps snacks and ghost free days but who follows Kaiven into madness anyway Einog a silent sheep whose gaze carries the weight of lifetimes and whose past is guarded like a locked gate Salty a one eyed gull and self declared Storyteller of the Seven Currents who spins tall tales and sharp truths alike Together they chase a myth buried beneath myth The Game of the Shadowed Crown a secret contest forged between two celestial beings Lunaris bearer of divine light Noctirion lord of the fallen dark The Game tests chosen souls across unseen realms of illusion memory and fate Its rules are unknown Its prize unimaginable And Kaiven He might not be a player at all But the key to ending it What begins as a search for family becomes a battle for truth identity and the fate of all who walk beneath starlight With every step Kaiven draws closer to an answer he may not be ready to face Because in this Game every move has a cost And not every soul is meant to survive the board Game of the Shadowed Crown is the lyrical spellbinding opening to Kaiven s Chronicles a saga of riddles relics soul bound destinies and the quiet courage that changes everything For fans of The Name of the Wind Watership Down and The Silmarillion this is a tale of myth reborn of mystery unfurled and a golden hare who must walk the line between legend and oblivion      The Moon in Modern Astronomy Philipp Fauth, 1909      **People of the Lakes** Kathleen O'Neal Gear, W. Michael Gear, 1995-06 Otter a Mississippi Valley trader undertakes a perilous journey to lead the Mound Builders to prosperity while Star Shell a chief s daughter accompanies him toward Niagara Falls to destroy an evil totemic mask      Aphrodite and Venus in Myth and Mimesis Nora Clark, 2015-04-01 Aphrodite and Venus in Myth and Mimesis is a broad flexible source book of comparative literature and cultural studies It promotes the wide ranging presence and impact of prominent idiosyncratic personalities in

fabled goddess mythology and its emphatic notions of endearment and allure The book brings together seven hundred acknowledged sources drawn from successive historical global and literary eras including principal commentaries along with factual information and important renditions in art prose and verse within and beyond mainstream western culture A lengthy detailed introduction presents a copious documented preview of the viable adaptation and mimesis of divine characterization and its respective centrality from the long distant past to the present day Myth rarely latent demonstrates varied modes of expression and open ended flexibility throughout the six comprehensive chapters which illuminate and probe in turn aspects of the ideological presence sensibilities trials and triumphs and interventions of the goddess whether sacred or profane Particular literary extracts and episodes range across ancient cultures alongside quite recent expressions of hermeneutics blending myth with the contemporary in the multi layered reception or admonishment of the goddess whether by one designation or the other As such this book is wholly relevant to all stages of the evolution and expansion of a dynamic European literary culture and its leading authors and personalities

**The Way West** James A. Crutchfield, 2006-05-16 The history of America is at its core the story of the American West In this new volume from the Western Writers of America readers are taken deep into the true stories that helped America form its identity and the people that embodied its essence James A Crutchfield a long time WWA Secretary Treasurer and seasoned historian has assembled a remarkable cadre of contributors in The Way West Included are winners of the Owen Wister Award given for lifetime achievement in literature on the West David Dary explores the network of trails that lead explorers West Bill Gulick recalls the Steamboat days of the Pacific Northwest Leon Claire Metz goes deep into John Wesley Hardin s world Robert M Utley shows us the true faces of the Texas Rangers Dale L Walker takes us on a tour of the final resting places of forty of the West s most celebrated figures The Way West covers many of the now obscure individuals and long lost tales of our storied past and gives new insights into famous characters and events of this legendary era So join the Western Writers of America on a journey back in time and lose yourself in the colorful history of the American West

**Images of Personal Value** Philip Mooney, 1994 Images of Personal Value is a book about the meaning of home and the lives we lead far from it whether at work in school or in our social circle Using contemporary dramas movies and works by authors Antoine de Saint Exupery and Anne Morrow Lindbergh as reference points Philip Mooney heightens our awareness of the three attitudes we adopt towards others functional appreciative and finally personal communion

**Tidal Sedimentation of the Sunderban's Thakuran Basin** Gautam Kumar Das, 2016-10-11 This book covers an overview of research on sediment textures sedimentary structures sediment composition and bioturbation structures including other aspects of tidal sedimentation The analytical results for the tidal river sedimentation and essential aspects of relevant field studies along the entire stretch of the Thakuran River are being presented in this book Filled with interesting results obtained from minutely observations this book brings together outstanding facts of the tidal river sedimentation and can be considered as a pioneer work on the dynamic estuarine

environment of the Sunderbans River Anyone in academia or NGOs interested in this river basin will find interesting information in this book that will enrich their knowledge on the sedimentation patterns of tidal river systems     The Contested Plains Elliott West,1998-04-24 Deftly retracing a pivotal chapter in one of America s most dramatic stories Elliott West chronicles the struggles triumphs and defeats of both Indians and whites as they pursued their clashing dreams of greatness in the heart of the continent The Contested Plains recounts the rise of the Native American horse culture white Americans discovery and pursuit of gold in the Rocky Mountains and the wrenching changes and bitter conflicts that ensued After centuries of many peoples fashioning many cultures on the plains the Cheyennes and other tribes found in the horse the power to create a heroic way of life that dominated one of the world s great grasslands Then the discovery of gold challenged that way of life and led finally to the infamous massacre at Sand Creek and the Indian Wars of the late 1860s Illuminating both the ancient and more recent history of the plains and eastern Rocky Mountains West weaves together a brilliant tapestry interlaced with environmental social and military history He treats the frontier not as a morally loaded term either in the traditional celebratory sense or the more recent critical sense but as a powerfully unsettling process that shattered an old world He shows how Indians goldseekers haulers merchants ranchers and farmers all contributed to and in turn were consumed by this process even as the plains themselves were utterly transformed by the clash of cultures and competing visions Exciting and enormously engaging The Contested Plains is the first book to examine the Colorado gold rush as the key event in the modern transformation of the central great plains It also exemplifies a kind of history that respects more fully our rich and ambiguous past a past in which there are many actors but no simple lessons     *Two Fires in the Night* Richard Jepperson,2001-07     **Hal Holoun on Oil Painting: Living an Artist's Life** Linda K. Welsch,2016-08-19 This book is a compilation of the letters correspondence and research that I began collecting in 1998 It will give an overview of Hal s technical methods in oil painting his creative style and his approach to art More importantly the information is given here in his own words shared with us in personal stories and experiences page 1     **Harrowing the Dragon** Patricia A. McKillip,2005-11-01 A fantasist without equal Patricia A McKillip has created worlds of intricate beauty and unforgettably nuanced characters For 25 years she s drawn readers into her spell spinning modern day fables with a grace rarely seen Now she presents a book of previously uncollected short stories full of beautiful dragons rueful princesses and handsome bards and written in the gorgeous and often surprisingly funny prose she s known for This is her world wrapped up in the finery of fairy tales     **The Essential West** Elliott West,2012-11-09 Scholars and enthusiasts of western American history have praised Elliott West as a distinguished historian and an accomplished writer and this book proves them right on both counts Capitalizing on West s wide array of interests this collection of his essays touches on topics ranging from viruses and the telegraph to children bison and Larry McMurtry Drawing from the past three centuries West weaves the western story into that of the nation and the world beyond from Kansas and Montana to Haiti Africa and the court of Louis XV Divided into three

sections the volume begins with conquest West is not the first historian to write about Lewis and Clark but he is the first to contrast their expedition with Mungo Park's contemporaneous journey in Africa The Lewis and Clark expedition West begins is one of the most overrated events in American history and one of the most revealing The humor of this insightful essay is a chief characteristic of the whole book which comprises ten chapters previously published in major journals and magazines but revised for this edition and four brand new ones West is well known for his writings about frontier family life especially the experiences of children at work and play Fans of his earlier books on these subjects will not be disappointed In a final section he looks at the West of myth and imagination in part to show that our fantasies about the West are worth studying precisely because they have been so at odds with the real West In essays on buffalo Jesse James and the McMurtry novel Lonesome Dove West directs his formidable powers to subjects that continue to shape our understanding and often our misunderstanding of the American West past and present

**Spark to a Waiting Fuse** James K. Baxter, 2001 A landmark in New Zealand literary scholarship this book provides an extraordinary insight into the formative years of one of New Zealand's most significant poets Included are 56 letters written by James K Baxter to his slightly older friend Noel Ginn who was at the time imprisoned as a conscientious objector In these letters a teenage Baxter pours out his ideas and feelings on life philosophy and his own work Included are the complete texts of the 255 poems written at the time and discussed in the letters The introduction an important work of biographical criticism in its own right puts Baxter's ideas and interests within the context of the wider public events and intellectual and spiritual currents of his time

**Marine Products of Commerce** Donald Kiteley Tressler, Ward Taft Bower, 1923 Excerpt from preface This book is designed for both the scientific and the practical man It attempts to give the chemist and biologist a general survey of the fishery industries pointing out their relative importance indicating their location and describing the methods in common use There has been no attempt to consider all the methods of the fisheries if this were attempted a lengthy treatise such as G Brown Goode's Fisheries and fishery industries of the United States would result By reading this book the practical man may learn how chemistry and biology are correlated with the fishery industries Simple language is used throughout But few technical terms are included and care is taken to define those terms which may not be familiar to the layman The author hopes that this book may fill the long felt need of the student of industrial biology for a concise treatise on the fishery industries These industries have been considered from a scientific viewpoint and while it is impossible to go into great detail in describing the applications of chemistry physics and biology in the preparation and preservation of marine products the applications are outlined and references to the original literature are given which should serve as a guide for study In all cases special consideration is given to American methods and processes Obviously it is impossible to treat of the technology of the marine products industries in all parts of the world however especially important foreign industries are described A special effort is made to describe carefully the manufacture and refining of solar sea salt It is hoped that the information presented will be of value

not only to the student of industrial chemistry and the marine industries but also to the salt manufacturer It is hoped that the book may call attention to the great need for chemical and biological research to solve the numerous problems of the fishery industries Several of these problems are brought to the attention of the reader in the last chapter

**A Dictionary of Cebuano Visayan** John U. Wolff,2023-09-18 In A Dictionary of Cebuano Visayan by John U Wolff readers are presented with a comprehensive guide to the Cebuano Visayan language This dictionary not only provides translations for commonly used words but also delves into the intricate nuances of the language making it an invaluable resource for language enthusiasts and scholars alike The book is structured in a user friendly manner with clear definitions and examples of word usage reflecting Wolff s meticulous research and expertise in the subject With its focus on the Cebuano Visayan dialect this book enriches our understanding of a vibrant language and culture John U Wolff s scholarly approach to compiling this dictionary showcases his dedication to promoting linguistic diversity and preserving the heritage of the Cebuano Visayan people His deep connection to the region and its language is evident throughout the book making it a truly authoritative source for anyone interested in learning or studying Cebuano Visayan I highly recommend A Dictionary of Cebuano Visayan to anyone looking to expand their linguistic horizons and explore the richness of this unique dialect
