person account of the 1972 plane crash that left its survivors stranded on a glacier in the Andes and one man's quest to lead them all home by Nando Parrado a subject of the Oscar nominated film *Society of the Snow* Featuring a new introduction by the author to commemorate the fiftieth anniversary of the crash In straightforward staggeringly honest prose Nando Parrado tells us what it took and what it actually felt like to survive high in the Andes for seventy two days after having been given up for dead Jon Krakauer author of *Into the Wild* In the first hours there was nothing no fear or sadness just a black and perfect silence Nando Parrado was unconscious for three days before he woke to discover that the plane carrying his rugby team to Chile had crashed deep in the Andes killing many of his teammates his mother and his sister Stranded with the few remaining survivors on a lifeless glacier and thinking constantly of his father's grief Parrado resolved that he could not simply wait to die So Parrado an ordinary young man with no particular disposition for leadership or heroism led an expedition up the treacherous slopes of a snowcapped mountain and across forty five miles of frozen wilderness in an attempt to save his friends lives as well as his own Decades after the disaster Parrado tells his story with remarkable candor and depth of feeling *Miracle in the Andes* a first person account of the crash and its aftermath is more than a riveting tale of true life adventure it is a revealing look at life at the edge of death and a meditation on the limitless redemptive power of love

death of his father That early loss stretches out across the Big Dry and Wilkins uses his own story and those of the young boys and men growing up around him to examine the violence confusion and rural poverty found in this distinctly American landscape Ultimately these lives put forth a new examination of myth and manhood in the American West and cast a journalistic eye on how young men seek to transcend their surroundings in the search for a better life Rather than dwell on grief or ruin Wilkins memoir posits that it is our stories that sustain us and The Mountain and the Fathers much like the work of Norman Maclean or Jim Harrison heralds the arrival of an instant literary classic
