perspectives a core aspect of their work with this textual tradition the study of variation and mutability The aim is to shed light on Kal la and Dimna s so called mouvance and establish typologies of textual mobility and instability across linguistic traditions and historical periods as well as to develop analytical tools to describe classify represent and interpret these dynamics As will be shown the progressive digitalization of philology in the last decades has offered the unique opportunity of putting the concept of mouvance into practice Contributors Theodore S Beers Jan J van Ginkel Beatrice Gr ndler Khoulood Khalfallah Mahmoud Kozae Rima Redwan Johannes Stephan Isabel Toral

Old Tales and New Truths James Roy King,1992-02-06 This guidebook to the Bright Shadow World develops three closely related issues The first is the position that fairytales and folktales are of value today because they encourage the growth of capabilities important in our postmodern world Each of us like the fairytale hero sets out on his her own quests seeks his her own identity faces his her own dilemmas with few resources but wit imagination and a certain power of improvisation King develops the implications of this situation for such common fairytale problems as learning to read the world productively navigating various kinds of edges exploiting power sources developing highly personal moral commitments problem solving and data collecting The second concern of this book is with the development of a system for analyzing narrative structure The formula offered here involves an examination of interactions among actors physical settings lines of force and power sources as a narrative moves toward its denouement This system facilitates the classifying and contrasting of narratives and illuminates the structure of both narrative and lived experience Finally this book is concerned with myth making or world making processes It is shown that traditional narrative actually points to and delineates another dimension of existence here called the Bright Shadow World that operates by rules of its own and may be penetrated by individuals from our ordinary world Inferences about the Bright Shadow World drawn from traditional narrative are described and evaluated

The Mighty Adventures of Mouse, the Cat Louis Paul DeGrado,2019-04-02 Mouse is a fluffy cat who was born a runt and daughter of a protector a group of cats destined to protect humans from vermin and evil Despite the name she received because of her small size Mouse has giant plans After she rescues a few of her friends from an animal control facility Mouse cannot help but notice the other trapped animals certain to face an unspeakable fate Trusting her calling and courage Mouse allies herself with a rat cockatoo bulldog a fancy mouse weasel raccoon and some jazz loving alley cats to free the animals But little does she know that their path forward is full of dangers that include vicious dogs coyotes crossing roads and self doubt Will Mouse have the courage to overcome her insecurities and lead the group to safety In this tale of adventure and courage a tiny cat with a big heart takes on a special mission to rescue a group of animals from a horrible fate

THE CATS OF HARTH madeline macdonald,2013-09-07 A story of the cats of a small village at around the time when Queen Victoria was a little girl Their ruler Broomrider believes he can restore the ancient magical powers of cats The army commander Hagshadow is more practical and trains the cats to fight when the village is attacked by the Rats from the East while Spellbinder the female leader has a gift of healing and is a peacemaker Most cats are loyal followers of Broomrider but he has opponents especially Juno the attractive young newcomer who scoffs at the limits he sets for the females Her power of attraction inspires devotion

yet creates conflict in the village The story tells how cats balance their domestic lives and their secret free adventures As the ever perceptive Miss Braithwaite says One must never pry into the private life of a cat The Life and Times of Piebald the Mouse Gordon J. Eaton,2007-12 Piebald the laboratory mouse escapes in order to join his father in the city Through his adventures Piebald comes to realize that the Creator has made it possible for him to survive the dangers of the forest and find his dad *Multiculturalism and the Mouse* Douglas Brode,2005 In his latest iconoclastic work Douglas Brode the only academic author scholar who dares to defend Disney entertainment argues that Uncle Walt s output of films television shows theme parks and spin off items promoted diversity decades before such a concept gained popular currency in the 1990s Fully understood It s a Small World one of the most popular attractions at the Disney theme parks encapsulates Disney s prophetic vision of an appealingly varied world each race respecting the uniqueness of all the others while simultaneously celebrating a common human core In this pioneering volume Brode makes a compelling case that Disney s consistently positive presentation of difference whether it be race gender sexual orientation ideology or spirituality provided the key paradigm for an eventual emergence of multiculturalism in our society Using examples from dozens of films and TV programs Brode demonstrates that Disney entertainment has consistently portrayed Native Americans African Americans women gays individual acceptance of one s sexual orientation and alternatives to Judeo Christian religious values in a highly positive light Assuming a contrarian stance Brode refutes the overwhelming body of serious criticism that dismisses Disney entertainment as racist and sexist Instead he reveals through close textual analysis how Disney introduced audiences to such politically correct principles as mainstream feminism In so doing Brode challenges the popular perception of Disney fare as a bland diet of programming that people around the world either uncritically deem acceptable for their children or angrily revile as reactionary pabulum for the masses Providing a long overdue and thoroughly detailed alternative Brode makes a highly convincing argument that with an unwavering commitment to racial diversity and sexual difference coupled with a vast global popularity Disney entertainment enabled those successive generations of impressionable youth who experienced it to create today s aura of multiculturalism and our politically correct value system **The fables of La Fontaine, tr. [in verse, mainly by R. Thomson].** Jean de La Fontaine,1884 *Lady Burton's Edition of Her Husband's Arabian Nights* Lady Isabel Burton,Justin Huntly McCarthy,1887 **Cat is Watching** Roger A. Caras,1990-09-15 Shows how cats view people and the world around them through a combination of biology psychology and personal anecdote **A Prose English Translation of the Mahabharata** Manmathanatha Datta,1908
