## **The Murder Of Biggie Smalls:**

The Murder of Biggie Smalls Cathy Scott, 2021-05-18 In this second edition of *The Murder of Biggie Smalls* Cathy Scott delves behind the scenes to pore over police records coroner reports FBI files and interviews Biggie's mother Voletta Wallace to reveal new facts surrounding the gangsta rapper's murder. The Notorious B.I.G. exploded onto the hip hop scene in 1995 with his platinum selling album *Ready to Die*. Biggie Smalls, born Christopher Wallace and performing as Notorious B.I.G., grew up in the Bed Stuy neighborhood of Brooklyn, New York, where he dropped out of high school to pursue street culture and his rapping style. Biggie began emceeing his original raps, which were discovered by producer Sean "Puffy" Combs, who took Biggie's gangsta image to the next level. Fame followed with two successful rap albums earning millions of dollars, a 1996 Billboard Rapper of the Year Award, marriage to R&B singer Faith Evans, a public affair with rapper Lil' Kim, and hanging out with Tupac Shakur. The high life for Biggie tragically ended March 9, 1997, after a Los Angeles post awards party where he was gunned down in a drive-by by a much like friend turned enemy, Shakur, six months earlier. Twenty-four years later, L.A. police still have made no arrests despite their early confidence that the case would be solved quickly and after revealing identities of persons of interest who worked for the police department. They dropped the investigation before it ended, stalling the case. Bestselling True Crime author Cathy Scott shares it all in this second edition of *The Murder of Biggie Smalls*. **They Killed Notorious B.I.G.** Sayeed Benin, 2021-01-25 The Tupac Shakur ambush shooting and robbery at Quad Recording Studios in New York City on November 30, 1994, set off a course of events that is directly associated with the murder of Christopher Notorious B.I.G. Wallace. No matter who pulled the trigger, the murder of Christopher Notorious B.I.G. Wallace was negatively associated with both the November 30, 1994 ambush styled shooting and the September 7, 1996 fatal drive-by shooting of Tupac Shakur. New York City's main characteristics are its physical size, population density, and pace. There are other locations in the United States that rival New York's physical landscape, but none come close to its vibrance and intensity. New York City had been known as a music town for a long time, while Los Angeles was mainly associated with the television and film industry. At one time, it seemed like every square block of Manhattan housed a recording studio. The city was always wide awake and active 24 hours per day. That work ethic reflected the impact that the music industry had on the town. Right before he was murdered, Notorious B.I.G. was arguably on his way to becoming the most successful Hip Hop artist in Rap music. Hip Hop purists respected B.I.G.'s lyricism. Music industry executives respected Biggie's ability to consistently deliver chart-topping hit records. After the murder of Tupac Shakur, Los Angeles, California, should have represented a premonition of death and destruction for Sean "Puffy" Combs and Christopher Notorious B.I.G. Wallace. Sean "Puffy" Combs did not recognize the danger they faced. Combs moved throughout Los Angeles like a child who is stumbling down the street because they had not grown into their oversized shoes. 1990s New York City had changed in ways that some people did not see. Those changes started in the late 1960s and eventually turned the city into something different. Other events contributed to the way New

York had changed Those changes allowed the Quad Recording Studios shooting of Tupac Shakur to happen and possibly triggered the murder of Christopher Wallace LABYRINTH Randall Sullivan,2007-12-01 A journalist s story of corruption in the LAPD and hip hop s most infamous murders the most thorough examination of these much publicized events Ren e Graham The Boston Globe Acclaimed journalist Randall Sullivan follows Russell Poole a highly decorated LAPD detective who in 1997 was called to investigate a controversial cop on cop shooting eventually to discover that the officer killed was tied to Marion Suge Knight s notorious gangsta rap label Death Row Records During his investigation Poole came to realize that a growing cadre of outlaw officers were allied not only with Death Row but with the murderous Bloods street gang And incredibly Poole began to uncover evidence that at least some of these gangsta cops may have been involved in the murders of rap superstars Notorious B I G and Tupac Shakur Igniting a firestorm of controversy in the music industry and the Los Angeles media the release of LABYRINTH helped to prompt two lawsuits against the LAPD one brought by the widow and mother of Notorious B I G the other brought by Poole himself that may finally bring this story completely out of the shadows

**Who Shot Me? Inside and Detailed Information About the Christopher Wallace Murder Investigation** TJ Clemons, The lives of both Tupac Shakur 2pac and Christopher Wallace The Notorious B I G are as similar as they are different paradoxically And they will forever be intertwined especially when both their stories will continue to be sold and told dually together throughout the rest of history and eternity And they can only be described as the proverbial yin and yang to one another They were both raised by strong black mothers Tupac was raised by the very wise and intelligent Afeni Shakur while Christopher Biggie Smalls was reared by the very loving and affectionate Violetta Wallace Both of their mothers were intricate and central parts of their lives upbringings and musical careers And Afeni and Voletta were both left behind to pick up the pieces of their son s musical businesses careers as well as their legacies after they were tragically murdered in the streets by their assailants Afeni and Voletta are two more grieving mothers of young black men who were victims of high profile murders that both have yet to be solved as closed cold cases and also in the court of public opinion 2Pac and Biggie Smalls both grew up in poverty situations Biggie had it a little bit better being that his mother was well educated and she ending up becoming a school teacher 2pac experienced a very different struggle growing up and being raised in the Black Panther community Although they were poor Afeni and 2pac were both well educated and highly intelligent beings The music industry can turn best friends into enemies Sadly 2pac and Biggie didn t get the chance or opportunity to get things right between the two of them before both of their untimely deaths destructions and demises Neither one of them had their fathers in their lives to teach them how to be men and settle their differences and opinions like gentlemen BIG did have the chance and opportunity to experience fatherhood for himself and if he had some more time I believe that him and Tupac would have eventually squashed their media driven and musical industry differences They are both hip hop legends and they will both continue to inspire and influence the masses as well as the rap music industry culture future and community 2pac and Biggie Smalls both

believed that they would suffer untimely deaths and demises at a very young age And both of their predictions projections and prophetic intuitions ended up becoming a very tragic reality      **The Story of Death Row Records** Trey
