Gerald Stourzh

The Habsburg Empire A Study In Integration And Disintegration:

The Habsburg Empire Robert A. Kann, 1973 The Habsburg Empire: a Study in Integration and Disintegration. A Publication of the Center for Research on World Political Institutions of Princeton University Robert Adolf KANN, 1957 A History of the Habsburg Empire, 1526-1918 Robert A. Kann, 1980-11-26 Describes surveys and discusses the major historical aspects of the Habsburg Empire diplomatic political institutional socioeconomic and cultural **Liberalism and the Habsburg Monarchy, 1861-1895** J. Kwan, 2013-11-19 Often the liberal movement has been viewed through the lens of its later German nationalism This presents only one facet of a wide ranging all encompassing project to regenerate the Habsburg Monarchy By analysing its various nuances this volume provides a new more positive interpretation of Austro German liberalism *Austrian Information* ,1981 *Michael Ondaatje: Haptic Aesthetics and Micropolitical Writing* Milena Marinkova, 2011-07-14 This study of selected literary and cinematic works by Michael Ondaatje investigates the political potential of the Canadian author s aesthetics Contributing to current debates about affect and representation ideology critique and the artwork trauma and testimony this book uses the concept of the haptic to demonstrate how Ondaatje s multisensory fluid and historically inflected writing can forge an enabling relationship between audience author and text This is where Ondaatje s micropolitics often misconstrued as ideologically suspect aestheticism emerges a praxis that intimates how one can write and read politically with a difference Nation Building in Comparative Contexts Karl Wolfgang Deutsch, William J. Foltz, Originally published New York Atherton 1966 **Negotiating Self-determination** Hurst Hannum, Eileen Babbitt, 2006-01-01 Negotiating Self Determination takes an in depth look at what an understanding of conflict analysis can bring to the field of international law and the impact that international legal norms could potentially have on the work of conflict resolvers in self determination conflicts **The Comparative Understanding Of Intergroup Relations** Graham Kinloch, 2019-07-09 This book deals with major types of intergroup relations the advantages and limitations of the comparative approach and comparative views of intergroup relations It examines these relations particularly within the US highlighting different types of contact and consequences within the society Imperial Ends Alexander J. Motyl, 2001-08-01 Despite their historical importance empires have received scant attention from social scientists Now Alexander J Motyl examines the structure dynamics and continuing relevance of empire and asks Why do empires decline Why do some empires collapse And why do some collapsed empires revive Rejecting choice centered theories of imperial decline Motyl maintains that the very structure of empires promotes decay and that decay in turn facilitates the progressive loss of territory Although most major empires have in fact declined in this manner some such as the Soviet Union have collapsed suddenly and comprehensively Motyl explains how and why collapse occurs why such an outcome is hard to foresee and why some collapsed empires revive While broad ranging historically and empirically Imperial Ends focuses on five modern empires the Soviet Romanov Ottoman Habsburg and Wilhelmine Examining the possibility of a

revival of the Soviet empire Motyl points out that the expansion of NATO and the European Union along with increasing globalization will isolate Russia and its neighbors promoting their dependence upon one another and perhaps facilitating the rise of the former core With boldly stated conclusions and concise analytical interpretations Imperial Ends cohesively illustrates to policymakers and social scientists alike the importance of possible imperial revivals and the rise of future empires Political, international, social and economic aspects Miloslav Rechcigl,2019-03-18 No detailed description available for Political international social and economic aspects *Encyclopedia of Historians and Historical Writing* Kelly Boyd,2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies **The Rebirth of the Habsburg Army** Scott Lackey,1995-10-20 Friedrich Beck was the single most important figure in the transformation of the inept Habsburg military into the modern military state that would wage World War I He correctly perceived that only an elite body of officers responsible for war planning and preparation could provide lasting security for the Austro Hungarian empire After firmly establishing the general staff as an institution Beck led war planning to counter threats from Russia Italy and the Balkans and spearheaded a vast rebuilding of the rail network While his rise to power marked a return to the favorite system of military administration of the early Franz Joseph period Beck proved himself a man with real military ability that revolutionized an army *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1959 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June The Austro-Hungarian Army and the First World War Graydon A. Tunstall,2021-09-30 Definitive new history of the Austro Hungarian Royal and Imperial Army during the First World War **Intellectual and Social Developments in the Habsburg Empire from Maria Theresa to World War I** Robert A. Kann,1975 *From Vienna to Chicago and Back* Gerald Stourzh,2010-02-15 Spanning both the history of the modern West and his own five decade journey as a historian Gerald Stourzh's sweeping new essay collection covers the same breadth of topics that has characterized his career from Benjamin Franklin to Gustav Mahler from Alexis de Tocqueville to Charles Beard from the notion of constitution in seventeenth century England to the concept of neutrality in twentieth century Austria This storied career brought him in the 1950s from the University of Vienna to the University of Chicago of which he draws a brilliant picture and later took him to Berlin and eventually back to Austria One of the few prominent scholars equally at home with U S history and the history of

central Europe Stourzh has informed these geographically diverse experiences and subjects with the overarching themes of his scholarly achievement the comparative study of liberal constitutionalism and the struggle for equal rights at the core of Western notions of free government Composed between 1953 and 2005 and including a new autobiographical essay written especially for this volume From Vienna to Chicago and Back will delight Stourzh fans attract new admirers and make an important contribution to transatlantic history **Statelessness** Mira L. Siegelberg, 2020-10-06 The post WWI crisis of statelessness induced creative legal thinking as officials and jurists debated cosmopolitan citizenship beyond the borders of sovereigns But by midcentury the state won out as the lone site of citizenship Mira Siegelberg uncovers the ideological roots of this transformation and its impact on the international order **External Research List** ,1958 *East European Area Studies Series* ,1968
