 Harvard Review and Ploughshares *Fervor* Zaedryn Meade,2018-02-21 Poetry FERVOR POEMS FROM THE EAST
 VILLAGE is a celebratory exploration of the rituals of love loss and desire The collection sifts through the inner emotional
 landscape of the development of romance through chivalry and gender dynamics following the destruction mourning and
 healing as relationships grow change and end The urban textures of New York both amplify and distance human connection
 and relation as the city itself becomes a lover **Kunuar** Luísa Coelho,2018-02-21 Kunuar is a volume of fifty two poems
 framed by the feminist and postcolonial sensibilities of the Portuguese author Lu sa Coelho In a painful but playful manner
 she describes her re discovery in a post colonial era of Luanda the capital of Angola the country of her birth Memory crafts a
 vivid dialogue between today and yesterday that sheds light on the remains of colonial Luanda s history Kunuar the title of
 both the book and the concluding poem refers to the small spots on the street where secondhand clothes are sold to the large
 penniless population of Luanda The image of a poor mother distressed because she cannot afford even castoff clothes
 becomes an icon of the poverty of a city and a country but her pain is assuaged by the urine of her baby running down her
 back and warming her This powerful image points to many others in the collection in which the recurrent theme of love of
 mother and child is one of the few sources of hope in the midst of misery and grinding poverty in a post colonial country that
 is the second producer of diamonds and petroleum in sub Saharan Africa Like this moving and beautiful image Coelho s
 poetic writing offers in a very subtle way an enchanting testimony about the past as well as the current oppressive conditions
 of Luanda after four centuries of Portuguese colonial order Angola s independence in 1975 followed by its intense civil war
 from 1975 to 2002 **Return to a Place Like Seeing** John Palmer,2018-02-21 This remarkable debut collection should put
 poet John Palmer among the most intelligent and deeply moving poets of the time He writes of nature and of place in a
 powerful voice rarely experienced Don t open this book looking for easy facile poems But do open it and read and reread it if
 you are ready for a powerful and haunting experience
