The Measure of a Healthy Church Gene A. Getz, 2008-09-01 In a world of competing voices about what church is all about Gene Getz with the wisdom God has granted him over decades of ministry provides a solidly grounded and thoroughly biblical approach to how God assesses the strength health and maturity of a local church Previously titled *The Measure of a Church* He addresses The definition of the church The standard of measure by which the church should be defined Is it centered on Christ Does it display the fruit of the Spirit Is it growing in its ability to display faith hope and love How does one measure leadership How does one measure worship What is the one ultimate standard the church is measured by

Growing A Healthy Church Dann Spader, Gary Mayes, 1993-10-09 Sheep swapping shuffling of the saints Whatever you call it many churches are growing only because Christians transfer from one church to another What s more many churches aren t growing at all The problem according to authors Dann Spader and Gary Mayes is that too many church calendars are filled with outdated mediocre programs that have become more of a burden than a blessing That coupled with the fact that these programs minister almost exclusively to Christians leaves little for the non Christian seeker to get excited about *Growing a Healthy Church* is not a list of trendy new programs for your church agenda It is a journey of rediscovery Spader and Mayes look closely at the four stages of spiritual growth in relation to outreach Using the innovative M level system these gifted men show how a church can minister to all individuals regardless of their levels of maturity in potential service This helps eliminate the mistakes of forcing new Christians into service that may overwhelm them or may leave the mature Christian unchallenged Proven successful through SonLife and churches who have used this system this resource will help you focus on the simplicity of Christ s ministry enabling you to build an effective discipling strategy for your church

Nine Marks of a Healthy Church Mark Dever, 2004 Did you know that FROGS drink through their skin Instead of swallowing water with their mouths frogs absorb moisture through their skin Frogs can also take in oxygen through their skin which helps them breathe better in the water FROGS eat with their eyes closed The eyes help the frog swallow by lowering into its head and pushing the food down its throat FROGS can jump 20 times their own length That's like a human jumping past four school buses in one leap FROGS have sticky tongues Frogs don't use their hands to catch food they just stick out their tongues Flies mosquitoes and other yummy bugs stick to the tip and get pulled into the frog's mouth for dinner SOME FROGS wear camouflage Stripes and spots help frogs blend into their natural surroundings Some frogs can even change color depending on their location or the weather FROGS recycle Frogs shed their skin about once a week Then they eat the old skin to reuse the nutrients stored inside FROGS can live to be 40 years old Most frogs live from 4 to 15 years A FROG wasn't always a frog Every frog starts as a tiny egg that hatches into a tadpole A tadpole has a round head and a tail and lives in the water like a fish The tadpole eats a lot as its body changes and grows new parts After three to four months the tadpole has four legs and no tail and can live on land it has become a frog AWESOME Did you know that you can become a new creature too You may not have a tail and live in the water but God can give you a new life Do you sometimes do things that make you feel bad inside Maybe you were mean to someone at school or told a lie to your parents God calls those bad things sin Everyone is born knowing how to sin and everyone who sins must be punished But God who loves us doesn't want

us to sin He wants us to be like Him loving kind and good Just as a tadpole changes into a frog God can help you become more like Him God sent His only Son Jesus to earth to be a human just like us except Jesus never sinned Even so He chose to die so that He could pay the death penalty for our sins Three days after He died God raised Him back to life again Do you want to have a clean new life Then just believe in what Jesus did for you Tell God that you are sorry for your sins and thank Him for sending Jesus to save you The Bible says If anyone is in Christ he is a new creation the old has gone the new has come 2 Corinthians 5 17 God will change you on the inside to make you a totally new creature just like a tadpole changes into a frog To do this you can pray something like this Dear God I am sorry for the bad things I do Thank You for sending Jesus to pay the penalty for my sins Please change me on the inside and help keep me from sin so I can live a clean new life for You Amen If you have just prayed to ask God to change you write your name and address on the lines below and send it to us We will send you a free booklet to help you grow in your new life with Christ *Your Church Can Grow* C.
