The Heptadic Structure Of Scripture:

The Heptadic Structure of Scripture R. McCormack, 2013-10 This is a new release of the original 1923 edition

The Numerical Structure of the Holy Bible Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord's people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study **The Heptadic Structure of Scripture, Etc** R. MACCORMACK, 1923

The Expositor, 1924 *The DNA of Scripture* Karl L. Dahlstrom, 2015-05-27 By utilizing a relatively unknown natural law of science we are able to reveal the hidden pattern and divine structure of the Holy Scripture which by definition proves its authenticity This book is a unique defense of the Bible and thus by extension that of Christianity by providing a proof of the veracity of the Word of God in a scientific manner outside the Bible itself which previously has not been accomplished The author will demonstrate that the same true natural law of science the Law of First Digits as described in chapters 2 and 3 when applied to the Holy Scriptures of the Bible proves the presence of God's unfathomable intelligence in creating and preserving the truthfulness of His Word Moreover this proof extends to the identification of God as the only true God of the universe to the exclusion of all others That is a very powerful and controversial statement but one that can be backed up If one proves the entirety of the Scripture as true then it follows that the God referred to in those same Scriptures is and must be the one true God of the universe **The Expository Times** James Hastings, Ann Wilson Hastings, Edward Hastings, 1924

Hidden Treasures in the Biblical Text Chuck Missler, 2023-01-20 *The London Quarterly Review*, 1887 **Cosmic Codes** Chuck Missler, 2004 *The British and Foreign Evangelical Review*, 1887 *Subject Index of the Modern Books Acquired by the British Museum in the Years ...*, 1927 **Journal of the Transactions of the Victoria Institute, Or Philosophical Society of Great Britain** Victoria Institute (Great Britain), 1928 Each volume includes list of members and objects of the institute except v 31 which has no list of members Beginning with v 12 a list of the papers contained in

preceding volumes is issued regularly with each volume Wesleyan-Methodist Magazine ,1887 Gender and Purity in the Protevangelium of James Lily C. Vuong,2013-11-19 The Protevangelium of James is arguably the earliest surviving source that exhibits profound interest in Mary the mother of Jesus Although frequently cited for later Christian reflections about Mary gender and virginity and its influence on popular Christian art music and literature it is not well known outside academic circles and is rarely studied for its own sake Lily C Vuong offers a sustained analysis of the text s narrative and literary features in order to explore the portrayal and characterization of Mary through a focus on the theme of purity By tracing the various ways purity is described and presented in the text the author contributes to discussions on early Jewish and Christian ideas about purity representations of women in the ancient world the early history of Mariology and the place of non canonical writings in the history of biblical interpretation *The London Quarterly & Holborn Review* ,1887 *The Eternal God Revealing Himself to Suffering Israel and to Lost Humanity* David Lipscomb Cooper,1928 **Journal of Theological Studies** ,1924 **A Family Guide to the Biblical Holidays** Robin Sampson,Linda Pierce,2001 This giant resource gives an an extensive look at the nine annual holidays Passover Unleavened Bread Firstfruits Pentecost Trumpets Day of Atonement Tabernacles Hanukkah Purim and the Sabbath *Bombshell 201x* Richard P. Crandall,2013-05 This is my second book My first book They All Told the Truth describes how I developed an advanced physics theory of matter and energy that unifies all the other mainstream physics theories It is truly and correctly the long sought after grand unified field theory It was calculated mathematically using legitimate and accepted physics methods Years later I was bored one day and just happened to pick up a tattered Christian Bible and was browsing through the Book of Revelation I was so shocked at what I saw that I fell out of my chair I saw that the essential physical numbers from my new physics theory were all in there and were repeated over and over and over Like a message There was exact correspondence as there were no numbers missing nor were there extra numbers that didn t belong with one exception which was the number 666 I had stumbled upon the greatest discovery in modern history The implications are enormous as they prove scientifically physics that God and Jesus are real because their signatures are in there No one else during those times that the various Bible books were written could have possibly known to put those specific numbers in there Religion and science will now be unified from this time forward starting from here http://richard_crandall.tripod.com
