Untying God's "Nots" Troy J. Edwards, 2016-07-12 If a nation marches against you know that I am not behind it Isaiah 54:15a The Voice A common phrase used by many Christians particularly when there is some tragic event is that

God is in control Many people mean different things by the statement however the majority of those who use the statement believe that God initiated the tragic event and had a secret mysterious plan to bring some unknown good from it We believe that such a teaching casts aspersions on God s character Besides the origins of this teaching is not from the Bible but is derived from pagan philosophy Throughout these pages we will look at a number of arguments and Scriptures used by proponents of this teaching and show the reader that it does not line up with the Bible s teaching about God The reader will also learn that this teaching is a tool of Satan to keep Christians passive so that they will not stand against him in the authority of Christ s victory over him

Go Fish Shonn Keels,2022-01-04 Go Fish addresses one of the greatest challenges in the American evangelical church today APATHY Research reveals a very small percentage of the church is actively engaged in the mission of God This research also points out many in the church are comfortable with their disobedience to the Great Commission Go Fish is an actual Doctor of Ministry research project and it offers an answer for the church today This resource is academic Biblical and practical

God in Slow Motion Mike Nappa,2013-08-20 Jesus was not in a hurry He had only three years of public ministry three years to heal and teach and change the world but the Bible never tells us he was rushing through them We are the ones who rush through them Catching the gist of this parable Smiling at the punch line in that dialogue We can race through the Gospels in hours fully briefed on Christ s life but hardly changed Until we sit down with Mike Nappa s God in Slow Motion Nappa hasn t carved up the Gospels for quick review or sliced them into tiny pieces for academic study He has taken ten important moments from the life of Christ and reveled in them chewing on their words relating them to life comparing them with modern culture allowing the Spirit to work and letting Christ change him The result is a rich personal and biblical narrative about Jesus and how His purposes unfold then and now See how God is sneaky about his glory How he presents evidence for belief How he can be comforting and terrifying at once This is the good news in all its many splendored wonder the life of Christ frame by frame And it is worth every minute because it will change you too

The New Guidebook for Pastors James W. Bryant,Mac Brunson,2007-06-01 Church leaders young and old will find professional advice and inspirations worth revisiting time and again throughout their ministry career in The New Guidebook for Pastors

More than a Symbol Stanley K. Fowler,2007-03-01 More than a Symbol seeks to demonstrate that the interpretation of baptism as a mere symbol bearing witness to a previously completed conversion experience is inadequate both as a summary of biblical teaching and as a summary of Baptist thought Starting with H Wheeler Robinson and culminating in the work of G R Beasley Murray British Baptists in the twentieth century argued effectively that baptism must be interpreted as an effective sign a meeting place of grace and faith a sacrament rather than a mere symbol This book argues that the New Testament exegesis that is at the heart of this reformulation is fundamentally accurate and that the resulting system is theologically coherent The book also argues that this view is not a Baptist novelty but is rather a recovery of the foundational Baptist thought of the seventeenth century

We Are All Witnesses Mitzi J. Smith,Michael Willett

Slaton,2024-02-13 The multisite church model has been consistently challenged by those who deem it unbiblical and incompatible with God s design for the local church but does Scripture support this claim In *Multisite Churches* pastor and church vitalist Dustin Slaton posits that congregational polity is compatible with the multisite model dismantling critiques with both urgency and care for the local church s future At a time when church fostering and church adoption are predicted to increase significantly the multisite church model is a solution that can support the adoption of churches Bringing in personal experience and erudite research Slaton heuristically demonstrates a methodological approach of ecclesiology with a theological framework for the multisite model fairly addressing both critics and supporters *Multisite Churches* is a resource for biblical ecclesiology with wide ranging benefits for both clergy and congregant Those prayerfully discerning whether they can transition to a multisite church in a biblical way and those who are interested in the topic will benefit from the guidance and insight provided in this timely resource 25 *Religion Index One* ,2007 **Subject Guide to Books in Print** ,1997 **MLA International Bibliography of Books and Articles on the Modern Languages and Literatures** ,1974 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969
