The Monster From Earths End:

The Monster from Earth's End Murray Leinster, 2019-07-02 There was nothing on the island big enough to kill a man yet each new day brought with it another bloody death another mysterious disappearance The first hint of something wrong at the outpost was the plane It crazily circled the little island its cargo bay doors open its radio dead It seemed to hang in the air for a moment and then it dived downward levelled and dipped again It made a belly landing on the runway with its wheels still retracted There was a singular dead silence and then a shot rang out The crew of two and the seven passengers had vanished the cargo was strewn about and the fuel tanks had been emptied And the pilot after landing had blown his brains out

Deanna Durbin in Hollywood Barry Lowe, 2024-02-23 Known as the first film teenager Deanna Durbin was

one of the most popular actresses of the 1930s and 1940s From starring alongside legends like Judy Garland to playing the lead role in classic film musicals her rise to fame seemed almost like fantasy But her life behind the scenes was anything but glamorous Though Durbin was a princess to the public she was a puppet to film studios and producers and a punching bag for critics and gossip columnists At the end of her twelve year career her only wish was to be forgotten Impossible This book pays tribute to Deanna Durbin by detailing her life and career in the context of her time and appraises her film work from both a contemporaneous and a modern view It includes a short biography an in depth discussion of her films and an extensive filmography and bibliography of her work Readers will discover the true identity behind the people s Cinderella and how Durbin s career opened Hollywood s studio gates to a generation of adolescent performers
