The Music Of The Masters Brahms:

Masters of German Music John Alexander Fuller-Maitland, 1894 **Masters in Music ...**, 1905 The Masters and Their Music William Smythe Babcock Mathews, 1898 *The Devil's Music Master* Sam H. Shirakawa, 1992-07-02 From 1922 until his death in 1954 Wilhelm Furtwängler was the foremost cultural music figure of the German speaking world conductor of both the Berlin and Vienna Philharmonic orchestras But a cloud still hangs over his reputation despite his undeniable brilliance as a musician because of a fatal and tragic decision Wilhelm Furtwängler remained in Germany when thousands of intellectuals and artists fled after the Nazis seized power in 1933 His decision to stay behind earned him lasting condemnation as a Nazi collaborator *The Devil's Music Master* Decades after his death Furtwängler remains for many not only the greatest but also the most controversial musical personality of our time In *The Devil's Music Master* Sam H Shirakawa forges the first full length and comprehensive biography of Furtwängler He surveys Furtwängler's formative years as a difficult but brilliant prodigy his rise to pre eminence as Germany's leading conductor and his development as a musician composer and thinker Shirakawa also reviews the rich recorded legacy Furtwängler documented throughout his forty year career such as the legendary Tristan with Kirsten Flagstad and the famous performances of Beethoven's Ninth Symphony in 1942 and 1951 Equally important Shirakawa goes backstage and behind the lines to explore how the Nazis seized control of the arts and how Furtwängler single handedly tried to prevent evil characters as Propaganda Minister Joseph Goebbels and Luftwaffe Chief Hermann Göring from annihilating Germany's musical life He shows how Furtwängler far from being a toady to the Nazis stood up openly against Hitler and Himmler at enormous personal risk to salvage the musical traditions of Bach Mozart and Beethoven Shirakawa also presents moving and overwhelming evidence of Furtwängler's astonishing efforts to save the lives of Jews and other persecuted individuals trapped in Nazi Germany only to be proscribed at the end of the war and nearly framed as a war criminal But there was more to Furtwängler than his politics or even his music and we come to know this extraordinary man as a reluctant composer a prolific essayist and diary keeper a loyal friend a formidable enemy when crossed and an incorrigible philanderer Numerous musical luminaries share their memories of Furtwängler to round out this vivid portrait Based on dozens of interviews and research in numerous documents letters and diaries many of them previously unpublished *The Devil's Music Master* is an in depth look at the life and times of a unique personality whose fatal flaw lay in his uncompromising belief that music and art must be kept apart from politics a conviction that transformed him into a tragic figure The Music Masters: After Beethoven to Wagner, by G. Abraham [and others] Alfred Louis Bacharach, 1950 **Masters in Music**, 1974 Allusion as Narrative Premise in Brahms's Instrumental Music Jacquelyn E. C. Sholes, 2018-05-24 Who inspired Johannes Brahms in his art of writing music In this book Jacquelyn E C Sholes provides a fresh look at the ways in which Brahms employed musical references to works of earlier composers in his own instrumental music By analyzing newly identified allusions alongside previously known musical references in works such

as the B Major Piano Trio the D Major Serenade the First Piano Concerto and the Fourth Symphony among others Sholes demonstrates how a historical reference in one movement of a work seems to resonate meaningfully musically and dramatically with material in other movements in ways not previously recognized She highlights Brahms's ability to weave such references into broad movement spanning narratives arguing that these narratives served as expressive outlets for his complicated sometimes conflicted attitudes toward the material to which he alludes Ultimately Brahms's music reveals both the inspiration and the burden that established masters such as Domenico Scarlatti J S Bach Haydn Mozart Schubert Schumann Wagner and especially Beethoven represented for him as he struggled to emerge with his own artistic voice and to define and secure his unique position in music history **One Hundred Songs by Ten Masters** Henry T. Finck, 1917
