Standing Strong Rick Hull, 2022-07-28 The virus attack was relentless The culture was fraying Relationships once civil were stressed to the breaking point And echoes of the mantra that somehow we were all in this together grew more faint by the day Yet just under the surface there pulsed a heartbeat of hope It whispered through the scriptures and gently demanded to be heard And in Paul s magnificent letter to the Ephesian church the words rose with a reassuring redeeming love that could reach into broken places to lift and transform needing hearts Here was the guidance of a divine determination that refused to give up on us offering a way of living that could heal old wounds reconcile painful separations and face down life s destructive forces with spiritual courage and strength These short focused reflections immerse readers in seven life lifting themes that are as ancient as the love of God and as contemporary as the news of the day *Standing Strong* Alli

My Stand Carrie Taymon, 2011-08-29 After making the decision in 2006 to allow my Savior Christ Jesus to also be Lord of my life, I began an unforgettable journey down a path filled with so many different challenges. This book is a revealing of part of that journey. From the receiving of two visions to insight in His Word along with poetry created as I embraced different emotions, you will read a personal and in-depth sharing of many processes the Lord brought me through after He took my hand and began to disciple me to stand in the calling placed upon my life.

Law Enforcement Policy and Guideline, 1984 *When the Enemy Strikes* Charles F. Stanley, **The Palgrave Handbook on Rethinking Colonial Commemorations** Bronwyn Carlson, Terri Farrelly, 2023-06-30 The Palgrave Handbook on Rethinking Colonial Commemorations explores global efforts particularly from Indigenous and Black communities to dismantle colonial commemorations, monuments, and memorials. Across the world, many Indigenous and Black communities have taken action to remove, rectify, and/or reimagine colonial commemorations. These efforts have had the support of some non-Indigenous and white community members, but very often they have faced fierce opposition. In spite of this, many have succeeded, and this work aims to acknowledge and honour these efforts. As a current and much-debated issue, this book will present fresh findings and analyses of recent and historical events including Rhodes Must Fall, Anzac Day protests, and the transferral of confederate monuments to museums. Comprising of chapters written by Indigenous, Black, and non-Indigenous authors from a wide variety of locations, backgrounds, and purposes, this topical volume is a timely and important contribution to the fields of memory studies, Indigenous Studies, and cultural heritage.

Something is better than nothing, making the most of all I'd like to share all the thoughts I had while developing as a child to an adult to help teenagers and ones in need experience hard times by expressing through my poetic diary.
