Standing Wave Poems

Robert Allen

Standing Wave Poems:

The Standing Wave Gabriel Spera, 2010-06-15 An exciting first collection of poetry from an emerging talent Gabriel Spera's *The Standing Wave* was a winner of the 2002 National Poetry Series Open Competition selected by esteemed poet Dave Smith For over twenty years the National Poetry Series has discovered many new and emerging voices and has been instrumental in launching the careers of poets and writers such as Billy Collins Mark Doty Denis Johnson Cole Swensen Thylas Moss Mark Levine and Dionisio Martinez [A Standing Wave](#) John Robert Colombo, 2013 **Standing Wave** Mike Johnson, 1985 *Poems for the Millennium, Volume One* Jerome Rothenberg, Pierre Joris, Jeffrey Cane Robinson, University of California Press, 1995-11-24 Global anthology of twentieth century poetry Back cover [The Robert Frost Encyclopedia](#) Nancy L. Tuten, John Zubizarreta, 2000-12-30 Often thought of as the quintessential poet of New England Robert Frost is one of the most widely read American poets of the 20th century He was a master of poetic form and imagery his works seemed to capture the spirit of America and he became so emblematic of his country that he read his work at President Kennedy's inauguration and traveled to Israel Greece and the Soviet Union as an emissary of the U S State Department While many readers think of him as the personification of New England he was born in San Francisco published his first book of poetry in England matured as a poet while abroad taught for several years at the University of Michigan and spent many of his winters in Florida This reference helps illuminate the hidden complexities of his life and work Included in this volume are hundreds of alphabetically arranged entries on Frost's life and writings Each of his collected poems is treated in a separate entry and the book additionally includes entries on such topics as his public speeches various colleges and universities with which he was associated the honors that he won his biographers films about him poets and others whom he knew and similar items Each entry is written by an expert contributor and closes with a brief bibliography The volume also provides a chronology and concludes with a general bibliography of major studies **Lord Stirling's Stand, and Other Poems** William Henry Babcock, 1880 *Standing Wave* Robert Allen, 2005 The themes of *Standing Wave* will be familiar to readers of Robert Allen's acclaimed poetry and novels the slow rusts and wild incandescences of memory the myths and delusions sustaining our lives the uneasy duo of body and mind In this book he brings two different lenses to bear on these ideas a wry conversational formality in Sonnets from Jimmie Walker Swamp and the long and complex syntaxes of the final section of his ongoing long poem *The Encantadas* Put together these two sequences are the black and white photographs and the colour film of the same restless dream More than any of Robert Allen's other books *Standing Wave* illustrates through this two fold structure the range of language and cadences still possible in contemporary poetry *Coffee Poems* John C. Mannone, 2025-04-22 *Coffee Poems* is a chapbook collection of sixteen poems that embraces coffee in a wide variety of application though hardly exhaustive This includes the origin of coffee traditions obsessions or rituals common associations and uncommon ones a bit of science mixology metaphor and others The collection also presents a variety of forms in addition to the standard lineated

free verse poems prose poems personal essay didactic poem Duplex Sonnet in prose poem format Erasure poem presented two ways Fibonacci sequences poem a poem whose genesis is from the opposites game and a Golden Shovel with a Cento epigram Some poems have a backstory below the text Whether you like your coffee swirled with a bit of cream or black and bitter you will relish the offerings in this latest book brewed by John C Mannone From the stoops of the Columbian mountains where the original Juan Valdez grew his coffee beans to the monks of Ethiopia who having been informed of the antics of goats that ate the coffee berry then imbibed a liquid from those same berries and hence were able to remain awake through the long evening prayers and on through history to the author's own cup steaming before him the face of his long dead father looking back upon him from the fluid folds of the dark pool there is much to savor and to learn in this small collection The poems are testaments to the magic and mysticism of the drink from a poet with his fingers wrapping the cup as something holy Mannone brings a lifetime of refining his palette and honing his use of language to produce a delightful collection of 16 poems an apt bit of reading while you drink your first morning cup or your final afternoon cup of the essential elixir Connie Jordan Green author of Nameless as the Minnows Such an excellent variety of poems serving as brews of choice that bring out the best of each one for the discriminating connoisseur Who among us coffee drinkers hasn't known moments of quiet worship in a layered awakening Reading this collection is an education both in poetic forms and the magic power of the coffee bean I guarantee you'll savor it as a keeper on your bookshelf Marge Simon Grand Master poet SF Poetry Association and co author of Cast from Darkness

The New American Poetry John R. Woznicki, 2013-12-24 The New American Poetry Fifty Years Later is a collection of critical essays on Donald Allen's 1960 seminal anthology The New American Poetry an anthology that Marjorie Perloff once called the fountainhead of radical American poetics The New American Poetry is referred to in every literary history of post World War II American poetry Allen's anthology has reached its fiftieth anniversary providing a unique time for reflection and reevaluation of this preeminent collection As we know Allen's anthology was groundbreaking it was the first to distribute widely the poetry and theoretical positions of poets such as Charles Olson Allen Ginsberg and the Beats and it was the first to categorize these poets by the schools Black Mountain New York School San Francisco Renaissance and the Beats by which they are known today Over the course of fifty years this categorization of poets into schools has become one of the major if not only way that The New American Poetry is remembered or valued one certain goal of this volume as one reviewer invites is to pry The New American Poetry out from the hoary platitudes that have encrusted it To this point critics mostly have examined The New American Poetry as an anthology former treatments of The New American Poetry look at it intently as a whole Though the almost singularly focused study of its construction and less often reception has lent a great deal of documented highly visible and debated material in which to consider we have been left with certain notions about its relevance that have become imbued ultimately in the collective critical consciousness of postmodernity This volume however goes beyond the analysis of construction and

reception and achieves something distinctive extending those former treatments by treading on the paths they create This volume aims to discover another sense of radical that Perloff articulated rather than a radical that departs markedly from the usual we invite consideration of The New American Poetry that is radical in the sense of root of harboring something fundamental something inherent as we uncover and trace further elements correlated with its widespread influence over the last fifty years

Orphic Bend Robert L. Zamsky, 2021-08-10 Opera poetics and the fate of humanism Ezra Pound and Charles Bernstein Measure then is my testament Robert Creeley and the poet's music Orpheus in the garden John Taggart Eurydice takes the mic improvisation and ensemble in the work of Tracie Morris Orphic bend music and meaning in the work of Nathaniel Mackey

Quantum Poetics Daniel Albright, 1997-01-28 Quantum Poetics examines the way modernist poets appropriated scientific metaphors as part of a general search for the pre-verbal origins of poetry Daniel Albright traces Modernism's search for the elementary particles from which poems were constructed The poetic possibilities offered by developments in scientific discourse intrigued Yeats Eliot and Pound writers intent on remapping the general theory of poetry Using models supplied by physicists Yeats sought for the basic units of poetic force both through his sequence A Vision and through his belief in and defence of the purity of symbols Pound's whole critical vocabulary Albright claims aims at drawing art and science together in a search for poetic precision the tiniest textual particles that held poems together Through a series of patient and original readings Quantum Poetics demonstrates how modernists created a whole new way of thinking about poetry and science as two different aspects of the same quest

Wild Lines and Poetic Travels Doug Slaymaker, 2021-07-29 This volume of essays and translations analyzes the prodigious and wide-ranging output of Keijiro Suga Based in Japan Keijiro Suga's works are wide-ranging and multilingual His volumes of poetry have been shortlisted for a range of poetry prizes and he was awarded the 2011 Yomiuri Shinbun Prize for Travel writing He has translated dozens of books and has authored or co-authored more than fifteen other books across various genres He is by his own introduction a poet first but is also a prolific book reviewer an astute theorist and an insightful critic His presence and contributions have been profound in many countries around the globe

Two Sermons; together with a poem, stiled Messiah's Conquests, etc. [The sermons edited, the poem completed by Christopher Batty.] William BATTY, 1792 *Intricate Thicket* Mark Scroggins, 2015-09-15 Intricate Thicket Reading Late Modernist Poetries offers a collection of nineteen essays that deftly erodes the simplistic distinction between modernism and postmodernism showing that many attributes of postmodernist verse form not a break with but rather a continuation of modernist poetry

The Long Time | Die währende Zeit Donald Berger, 2015-03-02 Eine eindrucksvolle Stimme aus New York erstmals bersetzt ins Deutsche Die Gedichte von Donald Berger der 1956 in New York City geboren wurde haben einen unverkennbaren Ton Sie sind lakonisch und unruhig zugleich unterlegt mit höchstem Raffinement Berger arbeitet mit und im Material der Alltagssprache er steht in der Tradition der amerikanischen Popdichter wie Allen Ginsberg und ebenso in der einer symbolistischen europäischen

Poesie Seine Gedichte entstehen als bersetzungen einer an die Sprache und das Sprechen gebundenen Analyse und meiden das direkte Aussprechen von Gef hlen sie geben nicht vor eine Wahrheit zu verk nden **Encyclopedia of American Poetry: The Twentieth Century** Eric L. Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States The Facts on File Companion to American Poetry Burt Kimmelman,Temple Cone,Randall Huff,2008 An introduction to American poets poetry and literary movements from colonial times to the 21st century

POTS - Together We Stand: Riding the Waves of Dysautonomia ,2016-02-02 POTS Together We Stand Riding the Waves of Dysautonomia is a collaborative effort of many doctors teachers counselors parents and patients who wove this tapestry Initially conceptualized as a survival guide for children teens young adults and parents it quickly transcended into this unprecedented critical volume This encompassing work responds to the many desperate and heartbreaking pleas of those affected by dysautonomia included are clear explanations of medical information evidenced based research best practices for clinical diagnoses and treatment options alternative complimentary medicine approaches non medical strategies coping techniques helpful tips patient rights and options and inspiring narrative accounts of people living with the syndrome around the globe The book contributors and its readers join hand in hand to represent the POTS dysautonomia community s shared struggles and hopes concerns and endeavors unequivocally serving as a living testament that Together We Stand This is the 3rd Edition *Lyric In Its Times* John Wilkinson,2019-06-27 In this important new intervention leading poet and critic John Wilkinson explores the material life of the lyric poem How does the lyric considered as an object as an event grapple with permanence and impermanence the rhythms of change and the passing of time Drawing on new insights from contemporary philosophy and object oriented ontology psychoanalysis and the visual arts The Lyric in Its Times includes innovative and insightful new readings of work by a wide range of lyric poets from Shakespeare Blake and Shelley to Charles Baudelaire Frank O Hara and J H Prynne **Poems** William McClung Paxton,1888
