Stanley in the Dark Rutherford,1994-01-01 **Stanley in the Dark** Denney G. Rutherford, *The Dark Continent?* Frits Andersen,2015-12-31 Africa a forgotten continent that evades all attempts at control and transcends reason Or does it This book describes Europe s image of Africa and relates how the conception of the Dark Continent has been fabricated in European culture with the Congo as an analytical focal point It also demonstrates that the myth was more than a creation of colonial propaganda the Congo reform movement the first international human rights movement spread horror stories that still have repercussions today The book cross examines a number of witness testimonies reports and novels from Stanley s travelogues and Conrad s Heart of Darkness to Herge s Tintin and Burroughs Tarzan as well as recent Danish and international Congo literature The Dark Continent proposes that the West s attitudes to Africa regarding free trade emergency aid and intervention are founded on the literary historical assumptions of stories and narrative forms that have evolved since 1870 **Heroes of the Dark Continent** J.W. A ›Crisis of Whiteness‹ in the ›Heart of Darkness‹ Felix Lösing,2021-01-12 The British and American Congo Reform Movement ca 1890 1913 has been praised extensively for its heroic confrontation of colonial atrocities in the Congo Free State Its commitment to white supremacy and colonial domination however continues to be overlooked denied or trivialised This historical sociological study argues that racism was the ideological cornerstone and formed the main agenda of this first major human rights campaign of the 20th century Through a thorough analysis of contemporary sources Felix L sing unmasks the colonial and racist formation of the modern human rights discourse and investigates the historical work of racism at a crossroads between imperial power and white crisis **Dark Pools, Flash Orders, High-frequency Trading, and Other Market Structure Issues** United States. Fearing the Dark Edmund G. Bansak, 2003-10-09 Cat People 1942 and I Walked with a Zombie 1943 established Val Lewton s hauntingly graceful style where suggestion was often used in place of explicit violence His stylish B thrillers were imitated by a generation of filmmakers such as Richard Wallace William Castle and even Walt Disney in his animated *Adventures of Ichabod and Mr Toad* 1949 Through interviews with many of Lewton s associates including his wife and son and extensive research his life and output are thoroughly examined **Victorian Time** T. Ferguson, 2013-01-17 Victorian Time examines how literature of the era registers the psychological impact of the onset of a modern industrialized experience of time as time saving technologies such as steam powered machinery aimed at making economic life more efficient signalling the dawn of a new age of accelerated time **The Lost White Tribe** Michael F. Robinson, 2016-03-01 In 1876 in a mountainous region to the west of Lake Victoria Africa what is today Ruwenzori Mountains National Park in Uganda the famed explorer Henry Morton Stanley encountered Africans with what he was convinced were light complexions and European features Stanley s discovery of this African white tribe haunted him and seemed to substantiate the so called Hamitic Hypothesis the theory that the descendants of Ham the son of Noah had populated Africa and other remote places proving that the source and spread of human races around the world could be traced to and explained by a Biblical story In *The Lost White Tribe* Michael Robinson traces the rise and fall of the Hamitic Hypothesis In addition to recounting Stanley s discovery Robinson shows how it influenced encounters with the Ainu in Japan Vilhjalmur Stefansson s tribe of blond Eskimos in the Arctic and the white Indians of Panama As Robinson shows race theory stemming originally from the Bible only not only guided exploration but archeology including Charles Mauch s discovery of the Grand Zimbabwe site in 1872 and literature such as H Rider Haggard s *King Solomon s Mines* whose publication launched an entire literary subgenre dedicated to white tribes in remote places The Hamitic Hypothesis would shape the theories of Carl Jung and guide psychological and anthropological notions of the primitive The Hypothesis also formed the foundation for the European colonial system which was premised on assumptions about racial hierarchy at whose top were the white races the purest and oldest of them all It was a small step from the Hypothesis to theories of Aryan superiority which served as the basis of the

race laws in Nazi Germany and had horrific and catastrophic consequences Though racial thinking changed profoundly after World War Two a version of Hamitic validation of the whiter tribes laid the groundwork for conflict within Africa itself after decolonization including the Rwandan genocide Based on painstaking archival research *The Lost White Tribe* is a fascinating immersive and wide ranging work of synthesis revealing the roots of racial thinking and the legacies that continue to exert their influence to this day *A Sketch of the Modern Languages of Africa: Volume II* Robert Needham Cust,2013-11-05 First Published in 2000 This is Volume II of three of a series on Africa written in 1883 it is the second instalment of a sketch of the Modern Languages of Africa It which covers the Bantu family the Hottentot Bushman group and offers bibliographical tables of languages dialects localities and authorities *Africa's Future* Duncan Clarke,2012-02-09 Many seek to fix Africa economists experts politicians gurus cognoscenti and glitterati But the continent conceals multiple secrets including the Holy Grail explanations of its saga over the previous centuries Africa s Future tells the tale of Africa s economic evolution revealing unique prisms for understanding the continent s panoramic story one of triumph over the lasting influences of nature and multiple political tragedies Modern Africa developed diverse economic pathways to betterment yet survivalist economies litter the landscape Its paradox of subsistence with many faces coexists amidst the tiny middle class growing rich and many more poor expected in the future Clarke provides fresh and challenging insights into Africa s economies and future offering seasoned views on a continent of unlocked potential which has witnessed many false dawns Not poor but poorly managed Africa holds greater promise its destiny revealed by its history **Unintended Consequences** Stuart Woods,2013-12-03 Originally published in hardcover in 2013 by G P Putnam s Sons **Coates's Herd Book** Henry Strafford,1913 *On the Frontiers of the Indian Ocean World* Philip Gooding,2022-08-04 This is the first interdisciplinary history of Lake Tanganyika and of eastern Africa s relationship with the wider Indian Ocean World during the nineteenth century Philip Gooding deploys diverse source materials including oral climatological anthropological and archaeological sources to ground interpretations of the better known European authored archive in local epistemologies and understandings of the past Gooding shows that Lake Tanganyika s shape location and distinctive lacustrine environment contributed to phenomena traditionally associated with the history of the wider Indian Ocean World being negotiated contested and re imagined in particularly robust ways He adds novel contributions to African and Indian Ocean histories of urbanism the environment spirituality kinship commerce consumption material culture bondage slavery Islam and capitalism African peoples and environments are positioned as central to the histories of global economies religions and cultures *Percheron Stud Book of America* Percheron Society of America,1917 **Glimpses in in the Dark** Kieran Marsden,2019-11-04 A collection of stories each a glimpse into the dark I have decided to make this book free Due to it s many mistakes My next book will have a more professional finish TABLE OF CONTENTS FOR GLIMPSES IN THE DARK CLARKS DEMISE a mans last day of sanity TOTALITARIAN Fascism has taken Britain DELUSION DETECTIVE A writer loses touch with reality
