## **Stanley Knowles The Man From Winnipeg North Centre:**

**Stanley Knowles** Susan Mann Trofimenkoff, 1986 A stalwart in the Canadian Parliament for more than four decades Stanley Knowles worked tirelessly on behalf of the poor the elderly and those in need Born in the United States to Canadian parents Knowles studied at Brandon College and was ordained a United Church minister A friend of Tommy Douglas he was moved by his passion for social justice to join the CCF was elected to the House of Commons in 1942 and worked there on behalf of his constituents for more than four decades Knowles was asked three times to become Speaker of the House of Commons but preferred to remain an opposition member fighting for the causes he embraced throughout his career Based on extensive interviews Stanley Knowles *The Man from Winnipeg North Centre* is an informal warm account of the life of a remarkable compassionate Canadian *Stanley Knowles* Susan Mann, 1982

**Dictionary of Manitoba Biography** J.M. Bumsted, 1999-12-10 Manitoba has been at the crossroads of many of the important debates and events in Canadian history From the early fur trade to the Riel Rebellion to the Winnipeg General Strike Manitobans have frequently played crucial roles in Canadian and sometimes world history Until now there has been no comprehensive contemporary source for information on the many Manitobans who have left their mark on history and society *Dictionary of Manitoba Biography* fills this gap with biographical sketches of over 1700 Manitobans who have made an impact in politics the arts sports commerce agriculture and society It is an invaluable resource for scholars students and general readers interested in Canadian history Particular emphasis has been placed on reflecting Manitoba's ethnic and social diversity and on including men and women who were notable in their own day but have now been forgotten Many entries also refer the reader to additional references for further reading More than a reference book *Dictionary of Manitoba Biography* is also a fascinating work of history in its own right which presents the full and colourful scope of over 300 years of people in Manitoba history and social life from premiers and mayors to nightclub owners and sports heroes *Tommy Douglas and the Quest for Medicare in Canada* Gregory Marchildon, 2024-11-30 How and why was universal health coverage implemented so early in a poverty stricken province in Canada Why was its design so faithfully replicated in the national standards that ultimately shaped Medicare across the rest of Canada Seeking to answer these questions *Tommy Douglas and the Quest for Medicare in Canada* explores the history of universal health care through the life of Canadian politician Tommy Douglas identifying the pivotal moments and decisions that led to the establishment of Medicare in Canada The book traces the origins of Medicare back to the 1930s Depression and its devastating impact on the Prairie populations Marchildon examines how Tommy Douglas and a new generation of reformers radicalized by the Depression prioritized socialized health care The book reveals how as the provincial party leader Douglas leveraged support from both local and external allies to rapidly implement universal hospital insurance and lay the groundwork for a new health system Despite strong opposition from physician and business lobbies Douglas continued to pressure the government for federal cost sharing of universal health coverage Drawing on archival sources including

speeches television broadcasts and cabinet documents Tommy Douglas and the Quest for Medicare in Canada illuminates how Douglas's vision leadership and coalition building among unions were crucial to the successful establishment of Medicare in Canada

**Religion and Public Life in Canada** Marguerite Van Die, 2001-01-01 As this collection of scholarly case studies reveals religion once played a major public role in all aspects of Canadian society including politics education and culture

**Our Canada** Leo Heaps, 1991-01-01 Preface Acknowledgements PART 1 The Pioneers A Note on the Biographies J S Woodsworth Leo Heaps A A Heaps Leo Heaps M J Coldwell David Heaps Tommy Douglas Pierre Berton

Rural Life James P. Giffen, 2004-10-18 In the 1940s the Manitoba Royal Commission on Adult Education investigated directions for the modernization of the province in the post war era of change It was charged particularly with looking at rural Manitoba's cultural educational and leadership opportunities in the wake of new technologies dwindling populations and altered political and social affiliations The commission engaged Jim Giffen then a young sociologist from the University of Toronto to undertake a detailed field study of three rural Manitoba towns in this context Giffen's extensive study examined the towns of Carman Elgin and Rosburn all significantly different in terms of their ethnic makeup and level of political and organizational sophistication He remained in the province for a year and a half at the end of which his report an analysis of education for leadership was considered too revealing for public release It remained in the Ontario Legislative Library until it was retrieved 50 years later by well known historian Gerald Friesen who has written an extensive postscript to the report As a snapshot of rural agricultural life in prairie Canada at a time of great change the study is invaluable Despite the differences in the three towns they retain some common characteristics that define a particular socio cultural view of the larger world Giffen looks at characteristics such as leadership in the community ethnic differences hierarchy of roles participation in organizations and aims and activities of young people Friesen's postscript provides a wider context to this study and an assessment of what these differences and commonalities meant to the province

**Parting at the Crossroads** Antonia Maioni, 2020-11-10 As almost all newspaper or magazine readers know Canada figured prominently in the turbulent U S debates over health care reform in the early Clinton presidency Furthermore future news analysts and policymakers will undoubtedly again use Canada to cite the good and the bad aspects of single payer national health insurance Beyond the debate about the desirability of Canadian style health care reforms Antonia Maioni sees another question Why did the United States and Canada alike in so many ways part at the crossroads to produce such different systems of health insurance She answers this previously neglected query so interestingly that her book will hold the attention of anyone concerned with health care in either country or both The author explores the development of health insurance in the United States and Canada from the emergence of health care as a political issue in the 1930s to the passage of federal health insurance legislation in the 1960s Focusing on how political institutions influence policy development she shows that Canada's federal structure and its parliamentary institutions encouraged a social democratic third party that became pivotal in demonstrating

the feasibility of universal public health insurance Meanwhile the constraints of the U S political system forced health care reformers to temper their own ideas to appeal to a wide coalition within the Democratic party Even readers previously unfamiliar with Canadian politics will find in this book important clues about the realm of the possible in the uncertain future of U S health care The Fate of Labour Socialism James Naylor,2016-05-12 Almost a century before the New Democratic Party rode the first orange wave their predecessors imagined a movement that could rally Canadians against economic insecurity win access to necessary services such as health care and confront the threat of war The party they built during the Great Depression the Co operative Commonwealth Federation CCF permanently transformed the country s politics Past histories have described the CCF as social democrats guided by middle class intellectuals a party which shied away from labour radicalism and communist agitation James Naylor s assiduous research tells a very different story a CCF created by working class activists steeped in Marxist ideology who sought to create a movement that would be both loyal to its socialist principles and appealing to the wider electorate The Fate of Labour Socialism is a fundamental reexamination of the CCF and Canadian working class politics in the 1930s one that will help historians better understand Canada s political intellectual and labour history **Canadian History: Confederation to the present** Martin Brook Taylor,Doug Owram,1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **The Constant Liberal** Christo Aivalis,2018-05-15 Pierre Elliott Trudeau radical progressive or unavowed socialist His legacy remains divisive Most scholars portray Trudeau s ties to the left as evidence either of communist affinities or of ideals that led him to found a progressive modern Canada The Constant Liberal traces the charismatic politician s relationship with left and labour movements throughout his career Christo Aivalis argues that although Trudeau found key influences and friendships on the left he was in fact a consistently classic liberal driven by individualist and capitalist principles While numerous biographies have noted the impact of the left on Trudeau s intellectual and political development this comprehensive analysis showcases the interplay between liberalism and democratic socialism that defined his world view and shaped his effective use of power The Constant Liberal suggests that Trudeau s leftist activity was not so much a call for social democracy as a warning to fellow liberals that lack of reform could undermine liberal capitalist social relations

Politics in Manitoba Christopher Adams,2008-09-15 Politics in Manitoba is the first comprehensive review of the Manitoba party system that combines history and contemporary public opinion data to reveal the political and voter trends that have shaped the province of Manitoba over the past 130 years The book details the histories of the Progressive Conservatives the Liberals and the New Democratic Party from 1870 to 2007 Adams looks in particular at the enduring influence of political geography and political culture as well as the impact of leadership campaign strategies organizational resources and the media on voter preferences Adams also presents here for the first time public opinion data based on more

than 25 000 interviews with Manitobans conducted between 1999 and 2007 He analyzes voter age gender income education and geographic location to determine how Manitobans vote In the process Adams dispels some commonly held beliefs about party supporters and identifies recurring themes in voter behaviour *The Order of Canada* Christopher P.

McCreery,2018-05-04 In 1966 a project to create a national honour for Canadians was begun The order recognizes individuals for their outstanding achievements dedication and service to the country It is a product of national identity politics and history and includes such individuals as Atom Egoyan Joseph Boyden and Louise Arbour The second edition of *The Order of Canada* continues the celebration of the order Christopher McCreery sheds new light on the development of Canadian honours in the early 1930s the imposed prohibition on honours from 1946 to 1967 and new details on those who have been removed or resigned from the Order Extensively illustrated *The Order of Canada* pays tribute to the individuals who felt the need for a system of recognition for Canadians Indeed the order s history is as fascinating as the more than four thousand Canadians who have received it

**Keeping the Dream Alive** Dan Azoulay,1997-07-30 Azoulay delineates the central themes and determining factors of the party s development during the 1950s and early 1960s The CCF NDP had to contend with not only a booming postwar economy and a very popular premier but also a Cold War induced phobia toward the Left and serious intraparty divisions Despite this the party slowly recovered led by a core of dedicated activists and employing an array of strategies including the much publicized transformation of the CCF into the NDP in the early 1960s The author counters allegations that the CCF NDP opportunistically abandoned its essential qualities such as its socialist ideology or democratic structure for the sake of electoral gain and that organized labour played a leading role in the party in these years contributing to the dilution of the movement Although the party sought new alliances among the province s less privileged groups especially organized labour it did so cautiously and even hesitantly always conscious of the need to preserve its basic identity

*The Order of Canada* Christopher McCreery,2005-01-01 In 1966 a project to create a national honour for Canadians was begun The first recipients of the Order of Canada were announced a year later and in the nearly forty years since the Order has become a symbol familiar to and respected by people from across the country The spirit that motivates the Order of Canada celebration inclusion and democracy was born of the memories of Canada s earlier experience with honours From initial distrust and misunderstanding to the awakening of a national identity the development of the Order reflects the relationship Canadians have with their country their government their culture and their heroes The Order itself is a product of national identity politics and history reflected by the significance of its recipients accomplishments Indeed the Order s history is as fascinating as the more than 4000 Canadians who have received it This first book length history of the Order of Canada and first major work on Canadian honours by Christopher McCreery is a celebration of the Order and a close examination of its unique design and various early incarnations McCreery provides both a history of the Order s beginnings and a more general overview of trends in Canadian honours Extensively illustrated with never before

published photographs The Order of Canada Its Origins History and Developments pays tribute to the individuals who felt the need for a system of recognition for Canadians **House of Commons Debates, Official Report** Canada. Parliament.

House of Commons,1929 **Official Reports of the Debates of the House of Commons of the Dominion of Canada**

Canada. Parliament. House of Commons,1929 **The Canada Year Book** Canada. Dominion Bureau of Statistics,1914

**Canadian Working-class History** Laurel Sefton MacDowell,Ian Walter Radforth,2006 Canadian Working Class History Selected Readings Third Edition is an updated version of the bestselling reader that brings together recent and classic scholarship on the history politics and social groups of the working class in Canada Some of the changes readers will find in the new edition include better representation of women scholars and nine provocative and ground breaking new articles on racism and human rights women s equality gender history Quebec sovereignty and the environment **Visionaries,**

**Crusaders, and Firebrands** Lynn Gidluck,2012-03-27 As an idealist and a visionary Jack Layton connected with millions of Canadians who saw that he was a different kind of political leader So did Tommy Douglas chosen as the greatest Canadian ever by CBC s television audience The New Democratic Party and its predecessor the CCF have often chosen leaders who resonated with the Canadian public In fact the vision and the ideals of the leaders of the NDP and the CCF have been key to its strength and appeal Their commitment to these values in their personal as well as their political lives has earned them admiration and support far beyond the votes they have attracted at election time Even though these politicians have never succeeded in forming a government in Ottawa they are seen to stand for values the whole country cherishes As a historian Lynn Gidluck noted that the story of the CCF NDP has often focused on events policies programs and electoral campaigns In this book her emphasis is on the leaders who have defined the party its vision and its policies This tradition of selecting distinguished leaders who share and refine a vision of a better Canada is as important as the policies they have promoted By focusing on leaders this book offers fresh insight into the NDP and its appeal to Canadians

### **Stanley Knowles The Man From Winnipeg North Centre Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Stanley Knowles The Man From Winnipeg North Centre PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Stanley Knowles The Man From Winnipeg North Centre PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Stanley Knowles The Man From Winnipeg North Centre free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Stanley Knowles The Man From Winnipeg North Centre Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
