Peasants in the Promised Land Jaroslav Petryshyn, Luba Dzubak, 1985 For many years following Confederation Canada remained an absurd country with its vast West still free of agricultural settlers John A Macdonald's vision of a great nation bound together by a transcontinental railway and a nationalist economic policy remained an unfulfilled dream On the other side of the Atlantic the present day Ukraine was vastly overpopulated with redundant peasants Their increasingly precarious existence triggered emigration more than 170 000 of them sailed for Canada Life in the promised land was hard Many Canadians seemed to think that the only good immigrants were British some went so far as to suggest that the Ukrainian newcomers were less than human But on the harsh and remote prairies the Ukrainians triumphed over the toil and isolation of homesteading putting down roots and prospering *Peasants in the Promised Land* is the first book to focus on the formative period of Ukrainian settlement in Canada Drawing on his exhaustive research including Ukrainian language archival sources Jaroslav Petryshyn brings history to life with extracts from memoirs letters and newspapers of the period His text is illustrated with maps and historical photographs
