

Denobulan Sausages

Source: Enterprise
Culture: Denobulan

In Denobulan, compact living quarters do not always allow for cooking facilities in every home. As a consequence, there is a robust business of restaurants for both dining in and catering out. These sausages are a popular street food, often eaten on the go. They are made from tender meat, and the experienced eaters are inclined to appreciate the creature's fat.

Although these sausages come from humble origins, their unique appearance and delicious flavor has gained them popularity on many more sophisticated tables as both an entrée and appetizer. Other meats can be substituted for the tender, although as with all sausages, it's best not to require too deeply.

Difficulty: 2/4 stars

Preparation: 15 minutes

Cooking: 35 to 40 minutes

Serves: 3 to 4 servings
depending on portions

Pairs well with: a nice cold, strong cheese

Diplomatic plating: Although this food is striking appearance on their own, several of these sausages can be arranged in a decorative pattern on a large platter, garnishing with cheese, various condiments, and other meats.

INGREDIENTS

4 hot dogs

1/2 cup raspberry jam

1 tablespoon honey

1 teaspoon Thai red curry paste

1 teaspoon soy sauce

1. Preheat the oven to 400°F. Line a baking sheet with parchment paper and rub a stick of butter on top of the sheet.

2. On a cutting board, working with one at a time, place each hot dog on board every 15 inch, cutting almost all the way through, leaving a small amount uncut (a good trick is to use bamboo skewers, placed on either side of the hot dog to keep the links from cutting all the way through).

3. Place the sliced hot dogs on the prepared baking sheet and curl each into a round shape—don't worry if they're not completely cooking, as they will do so during cooking.

4. In a small bowl, combine the jam, honey, curry paste, and soy sauce to make a glaze. Brush about half the glaze evenly over the hot dogs.

5. Bake the hot dogs until curled and crispy on the edges, 35 to 40 minutes. At the halfway mark, brush the remaining glaze onto the hot dogs, making sure to get as much as possible in the slices.

Star Trek Cookbook
