including CompuServe America Online and Prodigy and hundreds of bulletin boards *Laser Video Guide* ,1997 The complete laser disc catalog movies music and special interest including karaoke and animation **Watching TV** Harry Castleman,Walter J. Podrazik,2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline Watching TV provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to the earliest days Watching TV is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format **The Laser Disc Newsletter** ,1996 Star Trek Discovery and the Female Gothic Carey Millsap-Spears,2023-10-16 While many scholars agree the Gothic mode has been a precursor to science fiction since Mary Shelley s *Frankenstein* Carey Millsap Spears argues in this book that the made for streaming series *Star Trek Discovery* draws on an even older gothic formula namely the Female Gothic of Ann Radcliffe s romance novels including *The Romance of the Forest* and *The Mysteries of Udolpho* Millsap Spears reads the streaming series through the lens of the Female Gothic illustrating that each season contains the formulaic elements of a mystery a gothic villain and heroine an escape narrative and the explained supernatural In doing so the author expands *Star Trek* scholarship and sheds new light on the intertextual connections between gothic literature and contemporary science fiction Make It So Nathan Shedroff,Christopher Noessel,2012-09-17 Many designers enjoy the interfaces seen in science fiction films and television shows Freed from the rigorous constraints of designing for real users sci fi production designers develop blue sky interfaces that are inspiring humorous and even instructive By carefully studying these outsider user interfaces designers can derive lessons that make their real world designs more cutting edge and successful Red Dwarf: Discovering the TV Series Tom Salinsky,2024-11-30 Explores the unique journey of the long running British sitcom detailing its creation cast changes and enduring legacy through critical analysis and behind the scenes insights *Red Dwarf* is virtually unique among British sitcoms It began in 1988 and was still releasing new episodes in 2020 making it one of the longest running sitcoms of all time but the core cast has remained largely unchanged And its science fiction flavor contrasts strongly with the drawing rooms and sofas which were the norm when it launched and the fast cut mockumentary style which is popular today And yet this is a show which nobody wanted to make and which only barely made it to our screens at all In this work Tom Salinsky will look at exactly how it came to be who was considered for the cast but didn t make it how it was radically reinvented for the third

sixth seventh ninth and tenth seasons how it survived the breakup of its key creative partnership the loss of the original spaceship models BBC strikes the departure of a major cast member and the seemingly self defeating rules which the writers imposed on themselves But this isn't just a behind the scenes account It's also a detailed critical analysis examining why the best episodes succeed and why the less impressive episodes struggle while also finding time to ask just how a hologram made of light can smell burning camphor wood why a creature evolved from a cat is familiar with Wilma Flintstone or just how long Lister and Kochanski were dating for How can all this possibly be contained in one book It can't Volume I will cover the first six series and Volume II will conclude the story of Red Dwarf on television as well as looking at the novels comic strips computer games and more

Sherlock Holmes - The Hero With a Thousand Faces: Volume 2 David MacGregor, 2022-06-22 Picking up the trail with the incredibly influential films of Basil Rathbone and Nigel Bruce Volume II goes on to explore the antiheroic Sherlock Holmes films of the 1970s and then the somewhat rocky journey of Holmes into the medium of television actors Alan Wheatley Douglas Wilmer and Peter Cushing all declared their respective TV series as the worst experience of their professional careers Television finally found its definitive Holmes in Jeremy Brett's portrayal for Granada Television and then the BBC's Sherlock had flashed brilliantly across the cultural sky before crashing and burning in spectacular fashion Still despite its ignominious end Benedict Cumberbatch's

version of Sherlock Holmes quite literally changed the face of Sherlockian fandom overnight as studious middle aged white men now found themselves sharing uneasy ground with a younger more diverse and more female audience Now a full fledged transmedia phenomenon Sherlock Holmes can be any gender ethnicity or species and is celebrated in fan fiction and fanvids as well as conventions that are far more inclusive than Sherlock Holmes societies of the past Vincent Starrett's poetic notion that Sherlock Holmes is a character who never lived and so can never die has never been more true and the Digital Age promises any number of new versions of Sherlock Holmes to come

The Next Generation Companion Larry Nemecek, 2012-09-25 First published in 1992 and last revised in 1995 this is a fitting record of a show that changed the rules by which television was made The first adventure drama series ever to run to seven seasons and more than 170 episodes Star Trek The Next Generation broke audience records wherever it was shown and remains the most widely viewed and consistently popular of all the Star Trek series This new edition of the series companion has been brought bang up to date to include not only all seven years of the TV series but also all four films which have featured the Next Generation crew In addition to Generations 1994 we now have full details of First Contact 1997 Insurrection 1998 and the very latest incarnation Nemesis 2002 A positive feast of information the Companion includes complete plot summaries and credits for each individual episode and film There are fascinating behind the scenes glimpses into how each one was made and in depth analysis really brings The Next Generation universe to life Illustrated throughout with more than 150 black and white photographs this is a truly invaluable reference guide

Sherlock Holmes and Conan Doyle S. Vanacker, C. Wynne, 2012-11-12 Sherlock Holmes is an iconic figure within cultural narratives More recently Conan Doyle has also appeared as a fictional figure in contemporary novels and films confusing the boundaries between fiction and reality This collection investigates how Holmes and Doyle have gripped the public imagination to become central figures of modernity
