Stories of old were communicated interpersonally conveying information necessary to our survival This extraordinary power led to mankind s dominion over the world Today our stories are largely fed to us by way of our devices our black boxes which are incredible tools for spreading that same knowledge and wisdom globally However in the wrong hands they are terrible weapons of misdirection encouraging those under their influence to indulge selfish appetites and glorify victimhood leading them to make the same mistakes that inspired those ancient stories in the first place These stories shape the human mind to the same degree that we are what we eat influencing the behavior of individuals and societies alike Our shared stories fantastical or otherwise either reflect eternal truth and wisdom of the ages or they do not instead perpetuating a foolishly idealized form of reality Put another way they either prepare us for the inevitable obstacles of life or they lead us to ruin Such is the cunning of progressivism an egregiously duplicitous philosophy that at first glance appears benevolent but leads to devastating personal and societal consequences when put into practice This book stands as a grand indictment of the illusion of progress exploring how the seductive draw of its promises is nothing more than a trojan horse a devil in disguise that threatens mankind s hard won order over a chaotic world **Disney's Star Wars** William Proctor,Richard McCulloch,2019-07-01

In 2012 Disney purchased Lucasfilm which meant it also inherited the

beloved Star Wars franchise This corporate marriage sent media critics and fans into a frenzy of speculation about what would happen next with the hugely popular series Disney's Star Wars gathers twenty one noted fan and media studies scholars from around the world to examine Disney's revival of the franchise Covering the period from Disney's purchase through the release of *The Force Awakens* the book reveals how fans anticipated interpreted and responded to the steady stream of production stories gossip marketing materials merchandise and other sources in the build up to the movie's release From fears that Princess Leia would be turned into a Disney princess to collaborative brand management the authors explore the shifting relationship between fans texts and media industries in the context of a crucial rebranding campaign The result is a fascinating examination of a critical moment in the iconic series history [Phasers on Stun!](#) Ryan Britt, 2022-05-31 An Esquire Best Book of 2022 Written with inside access comprehensive research and a down to earth perspective *Phasers on Stun* chronicles the entire history of Star Trek revealing that its enduring place in pop culture is all thanks to innovative pivots and radical change For over five decades the heart of Star Trek's pro science anti racist and inclusive messaging has been its willingness to take big risks Across thirteen feature films and twelve TV series including five shows currently airing or in production the brilliance of Star Trek is in its endless ability to be rethought rebooted and remade Author and Star Trek expert Ryan Britt charts an approachable and entertaining course through Star Trek history from its groundbreaking origins amid the tumultuous 1960s to its influence on diversifying the space program to its contemporary history making turns with LGBTQ representation this book illuminates not just the behind the scenes stories that shaped the franchise but the larger meaning of the Final Frontier Featuring over 100 exclusive interviews with actors and writers across all the generations including Walter Koenig LeVar Burton Dorothy Fontana Brent Spiner Ronald D Moore Jeri Ryan and many more Britt gets the inside story on all things Trek like Spock's evolution from red devil to the personification of logical empathy the near failure to launch of *The Next Generation* in 1987 and how Trekkie outrage has threatened to destroy the franchise more than once The book also dives deep with creators like Michael Chabon co creator of *Star Trek: Picard* and Nicholas Meyer director *The Wrath of Khan* These interviews extend to the bleeding edge of contemporary Star Trek from *Discovery* to *Picard* to *Lower Decks* and even the upcoming highly anticipated 2022 series *Strange New Worlds* For fans who know every detail of each Enterprise bridge to a reader who has never seen a single minute of any Star Trek this book aims to entertain inform and energize Through humor insight archival research and unique access this journey through the Star Trek universe isn't just about its past but a definitive look at its future [The Jurassic Park Book](#) Matthew Melia, 2023-11-16 The definitive 1990s blockbuster Steven Spielberg's *Jurassic Park* met with almost universal critical and popular acclaim broke new ground with its CGI recreation of dinosaurs and started one of the most profitable of all movie franchises To mark the film's 30th anniversary this exciting illustrated collection of new essays interrogates the *Jurassic Park* phenomenon from a diverse range of critical historical and theoretical angles The primary focus is on *Jurassic Park* itself but there is also discussion of the

franchise and its numerous spin offs As well as leading international scholars of film studies and history contributors include experts in special effects science on screen fan studies and palaeontology Comprehensive up to date and accessible The Jurassic Park Book appeals not only to students and scholars of Hollywood and contemporary culture but also to the global audience of fans of the greatest of all dinosaur movies Cult Pop Culture Bob Batchelor, 2011-12-07 This three volume collection of original essays examines cult pop culture the often seedy underbelly of American popular culture Cult Pop Culture How the Fringe Became Mainstream is the first collection dedicated to the quirky offbeat aspects of American popular culture that people have loved enjoyed and in some cases worshiped over the last 50 years By examining the people and subjects we hold most dear this three volume set offers deep insights into what Americans think feel and cherish Organized by subject the collection enables readers to focus on a given topic or compare different subjects across cult phenomenon Volume One of the set covers film and television topics Volume Two examines music and literature and Volume Three explores sports clubs and the cult industry Through this investigation of sublime transcendent and idiosyncratic trends readers will learn more about iconic individuals topics and subjects that form the vast underbelly of American culture By revealing how tightly interwoven cult topics are with the public s broader notion of popular culture the collection underscores the blurry line between normal and abnormal grandiose and degradation
