Saladyga, 2011-05-26 Founded in 1911 the AAVSO boasts over 1200 members and observers and is the world's largest non
profit organization dedicated to variable star observation This timely book marks the AAVSO's centennial year presenting an
authoritative and accurate history of this important association Writing in an engaging and accessible style the authors move
chronologically through five eras of the AAVSO discussing the evolution of its structure and purpose Throughout the text the
main focus is on the thousands of individuals whose contributions have made the AAVSO's progress possible Describing a
century of interaction between amateur and professional astronomers the authors celebrate the collaborative relationships
that have existed over the years As the definitive history of the first hundred years of the AAVSO this text has broad appeal
and will be of interest to amateur and professional astronomers as well as historians and sociologists of science in general
