Once Burned Peter David, 2002-08-23 There s a bar called The Captain s Table where those who have commanded mighty vessels of every shape and era can meet relax and share a friendly drink or two with others of their calling Sometimes a brawl may break out but it s all in the family more or less Just remember the first round of drinks is always paid for with a story even in Thallonian space Six years ago long before he took command of the Starship Excalibur a young Starfleet officer named Mackenzie Calhoun served as first officer aboard the U S S Grissom Then disaster struck and Calhoun took the blame A court martial led to his
