Forrest, 2011-12-01 Early Iranians believed evil had to have a source outside of God which led to the concept of an entity as powerful and utterly evil as God is potent and good These two forces good and evil which have always vied for superiority needed helpers in this struggle According to the Zoroastrians every entity had to take sides from the cosmic level to the microcosmic self One of the results of this battle was that certain humans were thought to side with evil Who were these allies of that great Evil Spirit Women were inordinately singled out Male healers were forbidden to deal with female health disorders because of the fear of the polluting power of feminine blood Female healers midwives and shamans were among those who were accused of collaborating with the Evil Spirit because they healed women Men who worked to prepare the dead were also suspected of secret evil Evil even showed up as animals such as frogs snakes and bugs of all sorts which scuttled to the command of their wicked masters This first comprehensive study of the concept of evil in early Iran uncovers details of the Iranian struggle against witchcraft sorcery and other evils beginning with their earliest texts *Witches* Kathryn Griffith, 2016-06-17 There are witches in the world some are good and some of them are downright evil Amanda Givens is careful how she uses her benevolent powers She doesn't want the people of Canaan Connecticut to know they have a witch among them even a good white witch For years she's lived quietly in a remote cabin with Amadeus her quirky feline familiar At first with her husband Jake the love of her life until a car accident but now alone after his death But when she's wrongly blamed for a rash of ritualistic murders committed by a satanic cult she knows she can no longer hide She's the one the cult is after and she is the only one who can stop them and prove her innocence Yet as punishment for fighting and destroying the cult she's drawn back in time by the ghost of the dark witch Rachel Coxe who was drowned for practicing black magic in the 17th century Now as Amanda tries to rehabilitate Rachel's reputation in an effort to save lives as well as her own and falls in love all over again with Joshua her reincarnated dead husband from the future she has to rely on a sister's love and magical knowledge and a powerful sect of witches named the Guardians to help her get home safely **The Real**
