**Stardust** Tony Zanetta, Henry Edwards, 1986-01-01      *The Complete David Bowie (Revised and Updated 2016 Edition)*  
Nicholas Pegg, 2016-12-06 The biggest edition yet expanded and updated with 35 000 words of new material Critically acclaimed in its previous editions The Complete David Bowie is widely recognized as the foremost source of analysis and information on every facet of Bowie s career The A Z of songs and the day by day dateline are the most complete ever published From the 11 year old s skiffle performance at the 18th Bromley Scouts Summer Camp in 1958 to the emergence of the legendary lost album Toy in 2011 to his passing in January 2016 The Complete David Bowie discusses and dissects every last development in rock s most fascinating career The Albums detailed production history and analysis of every album from 1967 to the present day The Songs hundreds of individual entries reveal the facts and anecdotes behind not just the famous recordings but also the most obscure of unreleased rarities from Absolute Beginners to Ziggy Stardust from Abdulmajid to Zion The Tours set lists and histories of every live show The Actor a complete guide to Bowie s career on stage and screen Plus the videos the BBC radio sessions the paintings the Internet and much more      **The Words and Music of David Bowie** James E. Perone, 2007-06-30 All Music Guide s Stephen Thomas Erlewine has written Even when he was out of fashion in the 80s and 90s it was clear that Bowie was one of the most influential musicians in rock for better or worse In this comprehensive analysis of David Bowie s career author James Perone examines the many identities and styles Bowie has developed over the years and in so doing provides a stunning chronicle of creativity at work Born David Jones in a London suburb in 1947 David Bowie changed his name in the late 60s to avoid confusion with the singer David Jones of The Monkees This name change would turn out to be a highly prescient act for in incorporating an exceptionally wide variety of styles Bowie would become the most notorious chameleon of the rock era Due in large part to his early success in the glam rock subgenre and his claims of homosexuality dismissed by many writers as a ploy to generate public interest and record sales Bowie raised serious issues about sexual orientation in rock music regardless of whether or not his claimed homosexuality was genuine or part of his on stage character His regular use of theatrical personae also raises interesting issues concerning authenticity and the perception of authenticity in rock music Although Bowie has been primarily an album artist his recordings of Fame Golden Years Let s Dance China Girl Blue Jean and Dancing in the Streets all made it into the Billboard top 10 singles charts Of these all but one was written or co written by Bowie Even more notable are the songs he wrote and recorded that have made an impact far in excess of their chart standing These include Space Oddity Rebel Rebel Changes Modern Love and Young Americans From his early 1970s albums like Hunky Dory and The Rise Fall of Ziggy Stardust and the Spiders from Mars in both of which he assumed the character of the fictional androgynous Stardust to Diamond Dogs Heroes Tin Machine and Black Tie White Noise Bowie s albums generated both significant word of mouth interest and some of the most contentious critical reactions of any artist of the rock era This long overdue investigation lets Bowie s artistry

speaking for itself After a biographical introduction chronologically arranged chapters discuss the singer's fascinating and iconoclastic body of work A discography and annotated bibliography conclude the book *Strange Fascination* David Buckley, 2012-04-24 The Sunday Times bestseller David Bowie was arguably the most influential artist of his time reinventing himself again and again transforming music style and art for over five decades David Buckley's unique approach to unravelling the Bowie enigma via interviews with many of the singer's closest associates biography and academic analysis makes this unrivalled biography a classic for Bowie fans old and new This revised edition of *Strange Fascination* captures exclusive details about the tours the making of the albums the arguments the split ups the music and most importantly the man himself Also including exclusive photographic material *Strange Fascination* is the most complete account of David Bowie and his impact on pop culture ever written

**Experiencing David Bowie** Ian Chapman, 2015-09-01 In *Experiencing David Bowie* A Listener's Companion musicologist writer and musician Ian Chapman unravels the extraordinary marriage of sound and visual effect that lies at the heart of the work of one of the most complex and enduring performers in popular music Still active in a career now well into its fifth decade Bowie's influence on music and popular culture is vast At the height of the glam rock era Bowie stood head and shoulders above his peers His influence however would extend far beyond glam through successive changes of musical style and stage work that impacted upon wider popular culture through fashion film gender studies theatre and performing arts As Chapman suggests Bowie recognized early on that in a post war consumer culture that continued the cross pollination of media platforms the line between musician and actor was an ever thinning one Opposing romantic notions of authenticity in rock Bowie wore many faces challenging listeners who consider his large body of work with a bewildering array of musical styles covering everything from classic vaudeville to heavy metal glam rock to soul and funk electronic music to popular disco In *Experiencing David Bowie* Chapman serves as tour guide through this vast musical landscape tracing his development as a musical artist through twenty seven studio albums he generated Pivotal songs anchor Chapman's no nonsense look at Bowie's work alerting listeners to his innovations as composer and performer Moreover through a close look at Bowie's visuals in particular his album covers Chapman draws the lines of connection between Bowie the musician and Bowie the visual stage artist illuminating the broad nature of his art This work will appeal to not only fans of David Bowie but anyone interested in the history of modern popular music fashion stage and cinema and modern art
