*Sower's Seeds of Encouragement* Brian Cavanaugh,1998 Stories that offer hope humor and healing in dealing with everyday life There are numerous sources of inspiration here for Lent and Easter sermons Analyzing Christmas in Film Lauren Rosewarne,2017-12-06 Film plays a vital role in the celebration of Christmas For decades it has

taught audiences about what the celebration of the season looks like from the decorations to the costumes and to the expected snowy weather as well as mirrors our own festivities back to us. Films like *It's a Wonderful Life* and *Home Alone* have come to play key roles in real life domestic celebrations; watching such titles has become for many families every bit as important as tree trimming and leaving cookies out for Santa. These films have exported the American take on the holiday far and wide and helped us conjure an image of the perfect holiday. Rather than settling the what is a Christmas film debate, indeed *Die Hard* and *Lethal Weapon* are discussed within *Analyzing Christmas in Film*. Santa to the Supernatural focuses on the how Christmas is presented on the deluge of occasions when it appears. While most Christmas films are secular, religion makes many cameos appearing through Nativity references, storylines involving spiritual rebirth, the framing of Santa as a Christ-like figure, and the all importance of family, be it the Holy family or just those gathered around the dining table. Also explored are popular narratives involving battles with stress and melancholy, single parents, and Christmas martyrs' visits from ghosts and angels. Big cities and small towns, break ups and make ups, and the ticking clock of mortality. Nearly 1000 films are analyzed in this volume to determine what the portrayal of Christmas reveals about culture, society, and faith, as well as sex roles, consumerism, aesthetics, and aspiration.

**A Seagull Named Papa** Barry J. Robinson, 2023-05-26. *A Seagull Named Papa* is a gentle but powerful exploration of those aspects of our experience that invite and sometimes challenge us to develop such necessary human qualities as courage, compassion, tolerance, humility, patience, defiance, contrition, and perseverance. Get ready to laugh, cry, and wonder at the deeply healing experiences of a violent ex-convict who is healed by a simple invitation, an eight-year-old girl trying to recover from schoolyard name-calling, a bullying supervisor stopped in his tracks, an eighty-seven-year-old woman who never got to say goodbye to her long-lost papa, and married therapists fortuitously visited by a clown. Exploring such themes as humility, non-violent resistance, holding in sin, tolerance, poverty, redemption, contrition, the challenge of mercy, facing your inner demons, and repairing the world, Barry Robinson invites you to
