**Our Monica, Ourselves** Lauren Berlant,Lisa A. Duggan,2001-03-01 Alongside the O J Simpson trial the affair between Bill Clinton and Monica Lewinsky now stands as the seminal cultural event of the 90s Alternatively transfixed and repelled by this sexual scandal confusion still reigns over its meanings and implications How are we to make sense of a tale that is often wild and bizarre yet replete with serious political and cultural implications Our Monica Ourselves provides a forum for thinking through the cultural political and public policy issues raised by the investigation publicity and Congressional impeachment proceedings surrounding the affair It pulls this spectacle out of the framework provided by the conventions of the corporate news media with its particular notions of what constitutes a newsworthy event Drawing from a broad range of scholars Our Monica Ourselves considers Monica Lewinsky s Jewishness Linda Tripp s face the President s penis the role of shame in public discourse and what it s like to have sex as the president as well as specific legal and historical issues at stake in the impeachment of Bill Clinton Thoughtful but accessible immediate yet far reaching Our Monica Ourselves will change the way we think about the Clinton affair while helping us reimagine culture and politics writ large Contributors include Lauren Berlant Eric O Clarke Ann Cvetkovich Simone Weil Davis Lisa Duggan Jane Gallop Marjorie Garber Janet R Jakobsen James R Kincaid Laura Kipnis Tomasz Kitlinski Pawel Leszkowicz Joe Lockard Catharine Lumby Toby Miller Dana D Nelson Anna Marie Smith Ellen Willis and Eli Zaretsky **United States Reports** United States. Deffinbaugh,2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20 31 For Christians the Gospel of John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24 32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of
