Much literature for children appears in the form of series in which familiar characters appear in book after book In the late nineteenth and early twentieth century authors began to write science fiction series for children These early series generally had plots that revolved around inventions developed by the protagonist But it was the development and use of rocket and atomic science during World War II that paved the way for interesting and exciting new themes conflicts and plots While much has been written about the early juvenile science fiction series particularly the Tom Swift books comparatively little has been written about children s science fiction series published since 1945 This book provides a broad overview of this previously neglected topic The volume offers a critical look at the history themes characters settings and construction of post 1945 juvenile science fiction series including the A I Gang the Animorphs Commander Toad Danny Dunn Dragonfall Five the Magic School Bus and Space Cat The book begins with an introductory history of juvenile science fiction since 1945 with chapters then devoted to particular topics Some of these topics include the role of aliens and animals attitudes toward humor the absence and presence of science and the characterization of women A special feature is an appendix listing the various series In addition the volume provides extensive bibliographical information *The Devil's Heart* Carter Carmen, 2000-09-22

The Devil's Heart a legendary object of unsurpassed power and mystery Worlds that believe in magic consider it Darkness s mightiest talisman worlds of science consider it a lost artifact of some ancient and forgotten race Some say the Heart enables its possessor to control people s minds and to amass wealth enough for a dozen lifetimes while others thing it capable of

raising the dead perhaps even changing the flow of time itself But to all the location of this fabled object has remained a mystery until now An isolated archaeological outpost has suddenly stopped responding to repeated requests for information Sent to discover why the U S S Enterprise crew finds a devastated outpost and a dying scientist whose last worlds fall on disbelieving ears the Devil s Heart has been found Now as the quest for the Heart unfolds Captain Jean Luc Picard discovers the awful truth behind all the legends and age old secrets Whoever holds the Devil s Heart possesses power beyond imagining

Mariners Weather Log ,1994 **New Approaches in Teaching History** Frederic Krome,2024-02-14 Science fiction literature and film are an underappreciated source for the teaching of history Finding material that can excite a student s curiosity can be a key towards greater student engagement especially among students who are taking history as a requirement rather than from interest The discovery that they can read or watch science fiction as part of their classwork often comes as a pleasant surprise Beyond its popularity however utilizing science fiction for class assignments has certain pedagogical advantages it introduces students to new vistas in historical thought helps them learn how literature and film can be applied as a primary source and can encourage participation in projects that are enjoyable Each chapter provides case studies focusing on a different subject in the modern history curriculum and in addition to providing an analysis of specific texts and or cinematic sources gives suggestions on assignments for the students *Air University Library Index to Military Periodicals* ,1996

Joel Whitburn's Rock Tracks Joel Whitburn,2002 Book Billboard s two greatest rock charts are covered individually in one book From Creed to The Cure Pearl Jam to Puddle of Mudd Incubus to INXS Linkin Park to Love and Rockets Scorpions to Staind Rock Tracks is an artist by artist account of every hit that landed on Billboard s Mainstream Rock Tracks and Modern Rock Tracks chart over the past 22 years Complete chart data includes peak position chart debut date and total weeks on the charts plus each track s corresponding album album label and number and artist biographies Special sections include a comprehensive track index an index of classic rock tracks from 1964 1980 yearly rankings all time rankings chronological listing of all 1 rock tracks and much more *To Boldly Stay* Sherry Ginn,Michael G. Cornelius,2022-05-13 Despite the fact that Star Trek Deep Space Nine ended over twenty five years ago there has yet to be a stand alone assessment of the series This collection corrects that omission examining what made Deep Space Nine so unique within the Star Trek universe and how that uniqueness paved the way for an altogether new entirely different vision for Star Trek If the Star Trek slogan has always been to boldly go where no one has gone before then Deep Space Nine helped to bring in a new renaissance of serialized television that has become normal practice Furthermore Deep Space Nine ushered in critical discussions on race gender and faith for the franchise science fiction television and American lives It relished in a

vast cast of supporting characters that allowed for the investigation of psychosocial relationships from familial issues to interpersonal and interspecies conflict to regional strife that the previous Star Trek series largely overlooked Essays explore how Deep Space Nine became the most richly complicated sci fi series in the entire Star Trek pantheon *Star Trek: Discovering the TV Series* Tom Salinsky,2024-07-30 In 2022 a devoted science fiction enthusiast embarked on a two year journey to watch every piece of Star Trek media offering insights into the series evolution trivia and cultural impact essential for fans and TV history buffs alike How well do you know Star Trek Lifelong science fiction fan podcaster and author Tom Salinsky decided that the answer was not well enough and so at the beginning of 2022 he embarked on a two year mission to watch everything from the start of The Original Series to the end of Enterprise at the rate of one episode per day This book is the first part of that odyssey covering the 79 television episodes which started it all the animated series which briefly brought it back in the 1970s the first six original movies and the full run of The Next Generation As well as having fun saluting the show s triumphs cringing at its lapses in taste and admiring its willingness to swing for the fences there s lots of fascinating behind the scenes information here Why were salt cellars unchanged in the 23rd century Was Gene Roddenberry really not allowed to show a woman s belly button How many characters get killed during the run of The Animated Series Who actually wrote the script for Wrath of Khan How did Paramount get Next Generation on the air when no network would touch it But you ll also get the benefit of a complete overview of this landmark series watching it unfold and familiar elements appear often much later than you think When s the first mention of the Federation Of Kirk s time being the 23rd century Of there being no money in the future And some elements appear rather earlier than you might think which episode is the first to feature a Holodeck Whether you re a die hard fan a casual viewer or just someone interested in the history of television you ll adore coming on this daily journey though the highs and lows of one of the most significant and much loved media properties in the world **Billboard** ,2012-01-07 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **On a Steel Horse I Ride .:** Darrel D. Whitcomb,2012 *Crosswords* John M. Samson,2004-04 If you know who played Lieutenant Hawk in Star Trek First Contact and the name of Picard s first Chief of Security Officer on the U S S Enterprise this is the book for you The third book in this series includes fifty never before published puzzles devoted entirely to Star Trek Edited by top puzzle master John M Samson these crossword puzzles will challenge your knowledge of the everyday and the obscure related to every Star Trek series and movie Grab a cup of faktajino and solve them all Ethical Dilemmas in the Global Defense Industry Daniel Schoeni,Tobias Vestner,2023 The defense industry develops produces and sells weapons that cause great harm It operates at the intersection of the public and private sectors with increased reliance on technology companies This book brings together the diverse perspectives of scholars and practitioners from academia government service the

military and the private sector to discuss the moral and legal challenges facing the global defense industry and to introduce solutions that are innovative effective and practical
