Conflict of Emotions Geraldine McCall,2012-04-27 This is

the story of a woman who pays too high a price for love At first glance Janice and Christopher Blunt seem to have the ideal marriage in fact Janices love for Chris is so strong that she foregoes the pursuit of a higher education to marry him They have three beautiful children a home and a great deal of happiness or so it seems As the years pass Janice notices a change in Chris but tries to smooth over any disagreements in the hopes that their love will remain strong Because Janices belief in the sanctity of marriage and the commitment it entails is so strong she refuses to face reality and see Chris for what he really is a liar and an adulterer who has repeatedly taken advantage of his wifes trusting nature The true conflict of emotions comes

when Janice has no choice but to face the truth about her husband The enormity of the decision she must make a decision affecting every facet of her life threatens to render her helpless causing her great mental and physical anguish Janices choice and the grace and dignity with which she carries it out will serve as an inspiration to all those forced to choose between their belief in the sacred union of marriage and their own personal happiness Grummpess Mumpiss and the Freshman Start Edward Klaiber,2022-01-12 Although fifteen year old Grummpess Mumpiss has been living with facial disfigurements all his life he has no idea that he is about to transform into a monster capable of much more than he ever imagined When the dots on the keloids on his face begin forming a circular pattern and his fellow high school students begin referring to him as a freakazoid Grummpess is forced to face a harsh reality he never requested Guided by his loving parents Grummpess leaves his town of Marralow to begin anew in the isolated country of Scarsenova where he hopes to continue his education in a more accepting environment As he attempts to immerse himself in the culture and traditions of his new home Grummpess s curiosity for solving problems leads him into an entirely different world when he discovers a hidden science laboratory formerly occupied by a famous inventor But it is not until he decides to bring a stentz back to life one day that Grummpess unwittingly opens a new door to becoming the perfect scientist In this action packed fantasy tale a teenager battling a monstrous side he never wanted sets out on an unimaginable journey in a new country where he discovers a passion for science *Freshwater and Marine Aquarium* ,1993 **Florists' Review** Gilbert Leonard Grant,1919 **Paperbound Books in Print** ,1983 **Onirohora** Charalambos Mavrommatis,2024-03-01 In Onirohora we are introduced to Constantine a thirty three year old man at the brink of despair Life s relentless challenges have left him without hope a situation further compounded when his girlfriend Alicia ends their relationship In a quest to escape his pain Constantine takes a fateful drive to a place he holds dear only to meet with an unexpected accident that transports him to a realm beyond the ordinary constraints of time and space This magical world reminiscent of myths and legends offers Constantine a rare opportunity for a fresh start In this extraordinary place he encounters two pivotal figures a young boy brimming with energy and wisdom and a cynical old man who has given up on life Constantine s journey in Onirohora is fraught with challenges as he finds himself in a land where the forces of good and evil are in a delicate balance A veil of mystery cloaks this realm where the convergence of religion and technology seeks to decode the mysteries of the divine Survival in Onirohora is uncertain Can Constantine rise against the encroaching darkness threatening to engulf him Will he be able to harness his inner strength to transform his life and secure a better future The outcome rests on the resilience of Constantine s will and his newfound enlightenment in this surreal and transformative journey The Phoenix Wars Daniel A.
