Think Like A Sheepdog Trainer Kay Stephens, Beth Kerber, 2022-06-01 Think Like A Sheepdog Trainer looks at the ancient art of sheepdog training through the lens of science based learning theory and behavior analysis It is designed to help you understand how and why a method works and to give you the tools for setting up and evaluating training plans and for approaching training problems in a logical evidence based manner While there are good sheepdog training books available almost all of them assume the reader has a basic knowledge of sheep and sheep behavior the skill and experience to train a dog to do complex behaviors the ability to figure out training steps on their own and a clear mental picture of what a properly trained herding dog should look like This book covers several topics that will help you become a more successful sheepdog trainer Here s what you can expect

- 1 We discuss in detail how to train manage and communicate with your dog before you take him to sheep Without a proper relationship and training foundation working stock with your dog is extremely difficult
- 2 We introduce you to science based learning theory and explain how it can be used to speed up and improve your ability to train your dog We demonstrate how to evaluate and analyze training techniques so you can choose which ones work best for you and your dog
- 3 We describe and discuss the physical and mental traits a sheepdog trainer must cultivate to succeed People aren t born as excellent trainers training is a learned skill that must be practiced and refined
- 4 We explain the behavior and handling of sheep Understanding and knowing how to properly control sheep is essential to your journey in the world of sheepdog training Many newcomers to herding have no previous experience with sheep We provide some basic sheep handling exercises to improve your ability to control livestock
- 5 We offer detailed lesson plans that break down training sessions into very small and clearly explained steps that a novice handler can apply on her own This should help you with developing a daily lesson plan a goal for that day s lesson and a way to evaluate how you and your dog are progressing You will discover that having a training plan and metrics to evaluate that plan will help you train faster and more efficiently
- 6 Finally we give you ways to think about training problems and how to approach and solve them in a logical evidence based manner Because people have been training dogs and herding with dogs for many years some of the methods described here are similar to those found in other books and from other sources We have chosen training approaches that are widely used

least aversive and easily understood and implemented by an inexperienced trainer You will find our sources in the resources and recommended reading section at the end of the book Remember sheepdog training is a lifelong journey You will learn something new with every dog you train and with every competition that you enter We hope this book will help make that journey a little easier This book focuses on training Border Collies for United States Border Collie Handlers Association USBCHA type trials but the information is applicable to all herding breeds and herding venues **Mini Knitted Christmas** Stratford,2015 *Awards, Agreements, Orders, and Decisions Made Under the Industrial Relations Act, the Apprentices Act, and Other Industrial Legislation* New Zealand.
