*Why we crave it,
how to get it, and
why it's so important in marriage*

CARLSON

Starved For Affection

Mariana Caplan, Ph.D.

Starved For Affection:

Starved for Affection Randy Carlson, 2015-08-07 Love is the main component that binds a marriage together but it doesn't end there. Sharing affection allows a couple to perceive that love. In *Starved for Affection* Dr. Randy Carlson teaches why affection is so important and how to develop that essential active ingredient in marriage: the affection that demonstrates love for each other and makes a marriage the rich experience every couple craves. **The Complete Idiot's Guide to Dating** Judith Kuriansky, 2004 An updated and revised edition of this best-selling guide to dating in the 21st century. A new look at dating in the age of reality TV shows such as *The Bachelorette* and *Joe Millionaire*. Two new chapters: Diversity in Dating and Money Matters. The subjects Dr. Judy is asked about the most on her radio show. Additional tips on using the Internet to meet new people, a major focus in dating today. *Starved for Affection* Randy Carlson, 2005 We live in the same house, we're raising the same kids, we're spending the same money, but we're just not connected. We don't even know each other anymore. I feel so alone. Does this sound familiar? For many people, marriage is not the intimate, fulfilling relationship they had assumed it would be. Therapist and radio host Randy Carlson compares a good marriage to a vast banquet table loaded with scrumptious food. But when you don't connect as a couple, the table is bare; you become starved for affection. If you long for a more satisfying relationship with your spouse, there is hope. Your marriage can again have renewed tenderness, intimate closeness, and intense passion. In *Starved for Affection*, you'll find practical help and encouragement to strengthen your connection with your mate in all aspects of your relationship. And in doing so, you'll again find the table spread with a banquet of blessings that God has prepared just for you. Back cover. **The Complete Idiot's Guide to Dating, 2e** Dr. Judy Kuriansky, 1998-12-01 You're no idiot, of course. You're smart, funny, and well put together. In fact, your friends and family consider you quite the catch. But when it comes to getting a date on Friday night, the only person calling you is Mom, who's hoping that you're not at home. Don't call it a night just yet. *The Complete Idiot's Guide to Dating*, Second Edition, by renowned radio personality Dr. Judy Kuriansky shows you how to make your mother proud and get the date of your dreams. *The Disconnected Generation* Josh McDowell, 2000-07-16 The real battle is not in the amoral and immoral influences of our culture, but in the hearts of our young people, says author and speaker Josh McDowell in *The Disconnected Generation*. And our young people are losing hope because they feel isolated and alienated from their parents. They are the disconnected generation. This book shows parents and youth workers how to understand and close the isolation gap to form nurturing, enduring relationships that can withstand cultural influences. As a companion to *The Disconnected Generation*, the video curriculum resources provides five video sessions from Josh McDowell offering practical steps that every adult can take to close the emotional gap between themselves and their children. **Reshaping the Self** Michael Eigen, 2018-05-01 The author relates the stories of two patients reshaping their lives into something they could believe in and examines the complex roles of the therapist and therapy, self, other, and mind/body relations and the dramatic interplay of faith and catastrophe.

Metaphors of Anger, Pride and Love Zoltán Kövecses,1986-01-01 This study is an attempt to uncover the structure of three emotion concepts anger pride and love The results indicate that the conceptual structure associated with these emotions consists of four parts 1 a system of metaphors 2 a system of metonymies 3 a system of related concepts and 4 a category of cognitive models with a prototypical model in the center This goes against an influential view of the structure of concepts in linguistics psychology anthropology according to which the structure of a concept can be represented by a small number of sense components

Love & Light Clayton Tylor,2017-05-20 This book examines Swedenborg s spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take

regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth
