The Beatles On Apple Records:

The Beatles Solo on Apple Records ,2005 The Beatles Solo on Apple Records is the companion piece to Bruce Spiziers critically acclaimed The Beatles on Apple Records This book details the solo records released by John Paul George and Ringo on their own Apple label in America starting with the December 1968 release of Georges Wonderwall Music album and ending with the December 1975 release of Georges single This Guitar Cant Keep From Crying All solo projects are covered including all of the albums and singles released by John Yoko and Paul McCartney Wings as well as classic albums such as Imagine Band On The Run All Things Must Pass and Ringo The book provides complete session and chart information and shows all picture sleeves album covers and label variations along with many of the promotional posters displays and trade magazine ads The book is hard cover and printed on heavy weight glossy paper It has over 900 images all in full color or original black white spread throughout the book 358 pages

The Beatles on Apple Records ,2003 The Beatles on Apple Records tells the stories behind the entire Beatles catalog on Apple Records from Hey Jude and The White Album through Anthology and Beatles 1 The book opens with John and Paul s visit to New York in May 1968 to promote the Beatles home grown business venture Apple Corps After covering the rise and fall and triumphant return of Apple the book moves on to the Beatles records released by Apple in America providing complete songwriting session and chart information and showing images of all picture sleeves album covers labels ads and promotional posters and displays all in full color There are three chapters on the January 1969 sessions that eventually evolved into the Let It Be album and film These chapters analyze and clarify this confusing phase of Beatles history and review the music recorded during and records released from these sessions The book also covers the annual Christmas records issued by the group s fan club The book has over 800 images color and original black white throughout its 310 pages

The Longest Cocktail Party Richard DiLello,2014-11-05 Apple Records was a noble experiment created in the spirit of the 1960s by four musicians who came to represent everything that was best about those tumultuous experimental and liberating times The Beatles started out with the greatest of intentions but reality soon got in the way Much has been written about this period in the history of The Beatles evolution and dissolution some of it true some of it wildly exaggerated but not much of it first hand The Longest Cocktail Party is a rare exception Written by Richard DiLello who served as Apple Records House Hippie from 1968 to 1970 this unusual first hand glimpse into The Beatles empire humorously chronicles the stranger than life stories that were to become legendary including visits by the Hell s Angels and endless tales of celebrity antics Alfred Music is proud to offer this latest edition which features a new and insightful foreword by the author Originally published by Playboy Press in 1972 The Longest Cocktail Party has proven itself a timeless chronicle of this most colorful period in pop history

Four known only to a few like Mansfield The White Book shines fresh light on the true characters behind the cultural phenomena that revolutionized a generation As the former Head of Apple Records International Jack Oliver has said of Ken He is one of the few insiders left that bore witness to the highs and lows of those insane days when we ruled the world Ken has a unique gift He can take you in the room and have you sit with the folk he knows and make you one of the gang part of the plan and considering these folk include the Beatles Dolly Parton Waylon Jennings the Beach Boys Roy Orbison David Cassidy and a whole host more that is some doing I really enjoyed sitting in on his world and I respect the affection he has for our game and what he brought to it will get you ANDREW LOOG OLDHAM Rolling Stones Manager and Producer Ken Mansfield brings us a new and closely personal perspective not only on the Beatles but on a whole cast of musical characters from Brian Wilson to Don Ho An observant and perceptive man in the centre of the storm a contradictory man both ambitious and spiritual but at the heart of the record industry during its most exciting years and enjoying every minute of it I lived through those years with Ken and we became friends It is a pleasure to experience so much of it all again through the accuracy of his story telling and the clarity of his memory PETER ASHER Peter and Gordon A R Chief Apple Records Producer Manager James Taylor Linda Ronstadt Carole King et al Journalism is normally a very inexact science Many of the countless books about the Beatles have been written by researchers not by people who were actually there Everyone has experienced reading a book or article where one s own inside knowledge about a particular person or event shows up inaccuracies on the part of the writer that totally distort the truth This book is an exception I know because I was there for some of it myself Ken Mansfield and I unknowingly shared the experience of the famous Apple rooftop session where I was nervously adjusting mikes and cables for the sound recording of that unforgettable day Ken was not only working for the Beatles through their heyday he was also their trusted friend There is no one better equipped to tell the Beatles story truthfully and more importantly factually from the inside ALAN PARSONS Engineer to the Beatles Pink Floyd Multi Platinum Producer Alan Parsons Project Unlike many people claiming a Beatles connection Ken Mansfield doesn t have an agenda or try to elevate his role or importance Ken comes across as a man who knows how lucky he was to be where he was and enjoys sharing his stories with us Ken was there and that is why The White Book is informative fresh and entertaining without being ego driven BRUCE SPIZER Author Beatle Historian

The Beatles On Apple Records Introduction

In today's digital age, the availability of The Beatles On Apple Records books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Beatles On Apple Records books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Beatles On Apple Records books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Beatles On Apple Records versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Beatles On Apple Records books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Beatles On Apple Records books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for The Beatles On Apple Records books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Beatles On Apple Records books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Beatles On Apple Records books and manuals for download and embark on your journey of knowledge?
