The Literary Universe Of Jack B Yeats

Giulia Bruna

The Literary Universe Of Jack B Yeats:

The Literary Universe of Jack B. Yeats Nora A. McGuinness, 1992 Jack B Yeats 1871 1957 younger brother of William Butler Yeats is best known as a painter What is less well known is that he was an accomplished writer primarily of fiction and drama Nora A McGuinness sets out here to explore this other creative side of Jack B Yeats and to establish his reputation beyond the realm of visual art Uncovering a consistent philosophy and a unified political and social point of view McGuinness emphasizes Yeats's seriousness as a writer and places his work in the experimental Irish fiction and drama of the Modernist period

The Yeats Circle, Verbal and Visual Relations in Ireland, 1880-1939 Karen E. Brown, 2011 Focusing on W B Yeats's ideal of mutual support between the arts and on the cultural production of the Yeats circle members Karen Brown explores the artistic relationships and outcome of Yeats's vision in five case studies In so doing the author makes use of primary materials and fresh archival evidence and delves into a variety of media including embroidery print illustration theatre costume design poetry and painting

"The Yeats Circle, Verbal and Visual Relations in Ireland, 1880-1939" Karen E. Brown, 2017-07-05 Focusing on W B Yeats's ideal of mutual support between the arts Karen Brown sheds new light on how collaborations and differences between members of the Yeats family circle contributed to the metamorphosis of the Irish Cultural Revival into Irish Modernism Making use of primary materials and fresh archival evidence Brown delves into a variety of media including embroidery print illustration theatre costume design poetry and painting Tracing the artistic relationships and outcome of W B Yeats's vision through five case studies Brown explores the poet's early engagement with artistic tradition contributions to the Dun Emer and Cuala Industries collaboration between W B Yeats and Norah McGuinness analysis of Thomas MacGreevy's pictorial poetry and a study of literary influence and debt between Jack Yeats and Samuel Beckett Having undertaken extensive archival research relating to word and image studies Brown considers her findings in historical context with particular emphasis on questions of art and gender and art and national identity

Interdisciplinary this volume is one of the first full length studies of the fraternal arts surrounding W B Yeats It represents an important contribution to word and image studies and to debates surrounding Irish Cultural Revival and the formation of Irish Modernism

The Oxford Handbook of W. B. Yeats Lauren Arrington, Matthew Campbell, 2023 A Handbook devoted to the poet W B Yeats 1865 1939 that examines how his work as a poet playwright critic and public figure in the late 19th through the mid 20th century continues to influence writing in English Irish and worldwide Anglophone literatures

The World of Samuel Beckett, 1906-1946 Lois Gordon, Lois G. Gordon, 1996-01-01 Samuel Beckett whose play *Waiting for Godot* was one of the most influential works for the post World War II generation has long been identified with the debilitated and impotent characters he created In this provocative book Lois Gordon offers a new perspective on Beckett challenging the prevalent image of him as reclusive self absorbed and disturbed Gordon investigates the first forty years of Beckett's life and finds that he was on the contrary a kind and generous man who responded sensitively and even heroically to the world

around him Gordon describes the various places and events that affected Beckett during this formative period war torn Dublin during the Easter Uprising and World War I where he spent his childhood and student days Belfast and Paris in the 1920s and London during the Depression where he lived and worked Germany in 1937 where he traveled and witnessed Hitler's brutal domestic policies prewar and occupied France where he was active in the Resistance for which he was later decorated and the war ravaged town of Saint L in Normandy which he helped to restore following the liberation Gordon also portrays the individuals who were important to Beckett including Jack B Yeats Alfred P ron Thomas McGreevy and most significantly James Joyce who was a model for Beckett personally artistically and politically Gordon argues convincingly that Beckett was very much aware of the political and cultural turmoil of this period and that the enormously creative works he wrote after World War II can in fact be viewed as a product of and testament to those tumultuous times **The Literary**

World, 1912 **Experimental Irish Theatre** I. Walsh, 2012-03-13 This book examines experimental Irish theatre that ran counter to the naturalistic peasant drama synonymous with Irish playwriting Focusing on four marginalised playwrights after Yeats it charts a tradition linking the experimentation of the early Irish theatre movement with the innovation of contemporary Irish and international drama Dictionary of Irish Literature, 1996 The Journal of Irish Literature, 1992

J. M. Synge and Travel Writing of the Irish Revival Giulia Bruna, 2017-10-31 Between the late 1890s and the early 1900s the young Irish writer John Millington Synge journeyed across his home country documenting his travels intermittently for ten years His body of travel writing includes the travel book *The Aran Islands* his literary journalism about West Kerry and Wicklow published in various periodicals and his articles for the Manchester Guardian about rural poverty in Connemara and Mayo Although Synge's nonfiction is often considered of minor weight compared with his drama Bruna argues persuasively that his travel narratives are instances of a pioneering ethnographic and journalistic imagination J M Synge and Travel Writing of the Irish Revival is the first comprehensive study of Synge's travel writing about Ireland compiled during the zeitgeist of the preindependence Revival movement Bruna argues that Synge's nonfiction subverts inherited modes of travel writing that put an emphasis on Empire and Nation Synge's writing challenges these grand narratives by expressing a more complex idea of Irishness grounded in his empathetic observation of the local rural communities he traveled amongst Drawing from critically neglected revivalist travel literature newspapers and periodicals and visual and archival documents Bruna sketches a new portrait of a seminal Irish Literary Renaissance figure and sheds new light on the itineraries of activism and literary engagement of the broader Revival movement

Unveiling the Magic of Words: A Review of "**The Literary Universe Of Jack B Yeats**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring.
