The Little Devil

**Brian Presson as told to Dan
Putterman**

The Little Devil:

The Little Devil, 1905 **The Good Little Devil and Other Tales** Pierre Gripari, 2014-10-21 Absurd fairy tales very sensibly told There once was a good little devil did you read that right Yes you did not a wicked little devil but a good one and boy was he in a fix Instead of doing bad things like forgetting his homework and playing tricks on his teachers this little devil kept trying to be good He did all his homework and sometimes enjoyed it He was never rude and he even encouraged sinners to say sorry His parents were at their wits end So the little devil struck out on his own On his quest to learn to be good our little devil meets all kinds of people from priests to police and from the Pope in Rome to Little Jesus himself But will the angels let a little red devil with black horns into Heaven In these thirteen tales clever young people find nifty ways to overcome greedy kings wicked witches unlucky spells and even silly names And there s a big dash of magic to help them on the way *The Last Capone* Brian Presson as told to Dan Putterman, 2025-05-27 A gripping story of lust love and money in sun soaked Thailand In his quest for fortune and love he created an empire in the dark world of Thailand nightlife But it s a dangerous business This is a portrait of former Pattaya City brothel owner Brian Presson With its reputation as one of the epicenters of Thailand s sex industry Pattaya represents a unique challenge for the tourist industry While the city remains a popular destination drawing throngs of travelers throughout the year some people are keen to clean up the seaside resort s image and to improve the situation for thousands of sex workers But with much of the town s erstwhile coastal charm obliterated by high rise buildings and go go bars it is too late for Pattaya to be saved **The Complete Russian Folktale:**

v. 4: Russian Wondertales 2 - Tales of Magic and the Supernatural Jack V. Haney, 2019-07-23 These stories of heroism and magic and of terrifying encounters with Baba Yaga Zmei the serpent and Koschchei the Immortal represent at least one example of every wondertale type known in Russia The Little Devil and Other Stories Alexei Remizov, 2021-04-13 In a dilapidated and isolated old house something peculiar seems to happen whenever the town s bestial exterminator visits On a seemingly bucolic country estate the head of the household is a living corpse obsessed with other corpses An adolescent boy who passes his days in private dream worlds experiences a sexual awakening spurred by his family s scandalous tenant In these and other stories the modernist writer Alexei Remizov offers a panorama of Russian mythology the supernatural rural grotesques and profound religious faith in fiery revolutionary settings Alexei Remizov was one of the greatest writers of the Russian symbolist movement of the early twentieth century In the thirteen stories collected in this volume his exceptional stylistic achievements are on full display Equally drawing on rural colloquial speech the language of Russian fairy tales and the customs of the Old Believers and Russian Orthodoxy they transport the reader into a mysterious world in between uncanny folktales and encroaching modernity *The Little Devil and Other Stories* includes works from across Remizov s career encompassing his thematic preoccupations and stylistic experimentation Antonina W Bouis s translation captures Remizov s many registers to offer English language readers a sampling of a remarkable Russian writer Russian Tales of Clever

Fools: Complete Russian Folktale: v. 7 Jack V. Haney, 2019-07-23 This is the concluding installment of a splendid multi volume work that makes available to English readers a rich folktale tradition that has not been easily accessible or well known in the West Compared to other European traditions the East Slavs have an extremely large number of tale types Using the Aarne Thompson index to folktale types and drawing on both archival and written sources dating back to the early sixteenth century J V Haney has assembled and translated examples of the full range of tales Nearly all of these tales appear here in translation for the first time The tales in this volume center on the so called fool the village simpleton However Ivan the Russian everyman turns out to have far more sense than his would be oppressors The greedy priests and landlords and dim witted demons who try to take advantage of him are easily outsmarted In the end it is they who are shown to be the fools as Ivan outwits or outlasts them In these unequal contests lies the pleasure of the tales **An Anthology of Russian**

Folktales Jack V. Haney, 2014-12-18 This anthology gathers a broad selection of Russian folktales legends and anecdotes and includes helpful features that make them more accessible and engaging for English language readers Editor Jack V Haney has selected some of the best tales from his seven volume Complete Russian Folktale collection and added examples of anecdotes and the long serial tales told in the far north The 114 tales included here represent every genre found in the Russian tradition They date from the eighteenth through the twentieth centuries and come from all geographic regions of the Russian speaking world The collection is enhanced by a detailed introduction to the folktale and its types brief introductions to each grouping of tales head notes with interesting background for individual tales and a glossary explaining Russian terms

The Little Devil Irene Tremper, 2001-07 Billionaire's Mistress AZCCULTURE, She betrayed herself and gave herself over to the strange man who was both wealthy and unbeatable so that her sister may be cured After one night of intense sexual activity she grabbed the money and ran off She believed that from this point on she would have no further interactions with him *Talk to My Back* Yamada Murasaki, 2022-07-21 Now that we've woken from the dream what are we going to do Chiharu thinks to herself rubbing her husband's head affectionately Set in an apartment complex on the outskirts of Tokyo Murasaki Yamada's *Talk to My Back* 1981-84 explores the fraying of Japan's suburban middle class dreams through a woman's relationship with her two daughters as they mature and assert their independence and with her husband who works late and sees his wife as little more than a domestic servant While engaging frankly with the compromises of marriage and motherhood Yamada remains generous with the characters who fetter her protagonist When her husband has an affair Chiharu feels that she too has broken the marital contract by straying from the template of the happy housewife Yamada saves her harshest criticisms for society at large particularly its false promises of eternal satisfaction within the nuclear family as fears of having been thrown away inside that empty vessel called the household gnaw at Chiharu's soul Yamada was the first cartoonist in Japan to use the expressive freedoms of alt manga to address domesticity and womanhood in a realistic critical and sustained way A watershed work of literary manga *Talk to My Back* was serialized in the influential magazine

Garro in the early 1980s and is translated by Eisner nominated Ryan Holmberg
