Stowell, Gordon

Note: This is not the actual book cover

# The Little Girls Home The Story Of Jairus Daughter Building

**Richard R. Losch**

## **The Little Girls Home The Story Of Jairus Daughter Building:**

**The Church School Journal** ,1896      The Reign of God is Such as These Sharon Betsworth,2010-09-30 This is a new analysis of the daughters in the Gospel of Mark Betsworth analyzes the daughters in the Gospel of Mark the woman from the crowd whom Jesus calls daughter Jairus daughter 5 21 43 Herodias daughter 6 14 29 and the daughter of the Syro Phoenician woman 7 24 30 To demonstrate how the Gospel s first century audience may have heard these stories Betsworth begins by examining daughters in their ancient Mediterranean context Betsworth then considers representations of daughters in select texts from the Septuagint and Greco Roman literature from the seventh and sixth centuries B C E to the second century C E Although these depictions seem to be in contrast to the social historical construction of daughters Betsworth shows that in many ways the literary portrayals of daughters function to uphold the values of Greco Roman culture especially those of virginity before and faithfulness in marriage These two lines of enquiry undergird Betsworth s investigation From it she is able to show that the daughters in the Gospel uphold the values of the reign of God as an integral part of the Gospel s inclusive social vision of God s reign This title was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches      **Bible Stories and Character Building** ,1915      *All the People in the Bible* Richard R. Losch,2008-05-13 More than any other book the Bible offers an amazing collection of fascinating characters ranging from the holiest of the holy to some of the most depraved scoundrels imaginable Many are mentioned only in passing yet history and archaeology can often fill in the blanks and flesh them out as exciting human beings For this reason we have in many cases been able to tell much more about them than the Bible alone reveals Richard R Losch from the preface A comprehensive gathering of persons found in the Bible including the Apocrypha All the People in the Bible really delivers on its title literally all of the Bible s characters appear in this fascinating reference work From the first article on Aaron to the final entry on Zophar Richard Losch details each person in a lively narrative style The bulk of the book consists of Losch s A Z articles covering the familiar and the not so familiar figures in Scripture Names of people who are found only in genealogies or who had no significant effect on history are included solely in the alphabetical listing starting on page 452 That listing All the People in the Bible and Apocrypha includes pronunciations brief identifications and biblical references Persons covered in greater detail in the main part of the book are identified in bold print Losch s intriguing look at all the people in the Bible is anything but a dry reference work This is a book to dip into and enjoy over and over      **The Baptist Home Mission Monthly** ,1883      **Conversations with Scripture** Marcus J. Borg,2009-07-01 Most Christians are familiar with the story told in Mark s gospel from the fishermen leaving their nets to the miracle of the loaves and fishes to the political rumblings and the crucifixion But no one knows who Mark really was or why this gospel was written or why it s charged with such a sense of immediacy For noted Jesus scholar Marcus Borg reading

Mark is like meeting Jesus again for the first time Individual readers and parish study groups will learn about this earliest gospel from the perspective of an important Anglican theologian Conversations with Scripture is the umbrella title of the Anglican Association of Biblical Scholars Study Series Written in accessible language and sensitive to those who have little or no experience in reading the Bible each book in the series focuses on exploring the historical and critical background plus modern application of the texts Other books in the series focus on the Gospel of John Revelation the Law the Parables and 2 Isaiah

**Women Healing/Healing Women** Elaine Wainwright, 2017-10-03 Women Healing Healing Women begins with a search for women who were healers in the Graeco Roman world of the late Hellenistic and early Roman period Women healers were honoured in inscriptions and named by medical writers and were familiar enough to be stereotyped in plays and other writings What emerges by the first century of the Common Era is a world in which women functioned as healers but where healing becomes a contested site for gender relations By the time the gospels are written the place of women as healers is effectively erased The book uses the historical and cultural evidence to re read the gospel texts and discover healers in a woman pouring out ointment healed women bearing on their bodies the language describing Jesus and even in women possessed by demons

**Stories from the Gospels** William Loring Worcester, 1908

**Leaves of Healing**, 1904

Bible for teenagers Increase your faith, strength and wisdom, 2024-09-13 The work of translating the Bible is never finished As good as they are English translations must be regularly updated so that they will continue to communicate accurately the meaning of God's Word Updates are needed in order to reflect the latest developments in our understanding of the biblical world and its languages and to keep pace with changes in English usage Recognizing then that the NIV would retain its ability to communicate God's Word accurately only if it were regularly updated the original translators established the Committee on Bible Translation CBT The Committee is a self perpetuating group of biblical scholars charged with keeping abreast of advances in biblical scholarship and changes in English and issuing periodic updates to the NIV The CBT is an independent self governing body and has sole responsibility for the NIV text The Committee mirrors the original group of translators in its diverse international and denominational makeup and in its unifying commitment to the Bible as God's inspired Word
