The Little Hobo:

The Little Hobo Melba M. Ashburn,1997-12 *The Little Brother* Josiah Flynt,1902 **AFTER THE SUNSET** Arlene Pullen,2024-10-13 After the Sunset is a memoir of a woman who likes to travel and the cats that live in her back yard It focuses on the beauty found in a landscape a seascape or a small corner of a city It identifies animals seen in their native habitat There are geographical historical and literary references to enhance a story and some humor to make you smile It is a story about interacting with people and walking on beaches and cobblestone streets There are responses to sunsets and always there are stories about the cats **The Drive-In** Guy Barefoot,2023-11-16 The Drive In meaningfully contributes to the complex picture of outdoor cinema that has been central to American culture and to a history of US cinema based on diverse viewing experiences rather than a select number of films Drive in cinemas flourished in 1950s America in some summer weeks to the extent that there were more cinemagoers outdoors than indoors Often associated with teenagers interested in the drive in as a passion pit or a venue for exploitation films accounts of the 1950s American drive in tend to emphasise their popularity with families with young children downplaying the importance of a film programme apparently limited to old low budget or independent films and characterising drive in operators as industry outsiders They retain a hold on the popular imagination The Drive In identifies the mix of generations in the drive in audience as well as accounts that articulate individual experiences from the drive in as a dating venue to a segregated space Through detailed analysis of the film industry trade press local newspapers and a range of other primary sources including archival records on cinemas and cinema circuits in Arkansas California New York State and Texas this book examines how drive ins were integrated into local communities and the film industry and reveals the importance and range of drive in programmes that were often close to that of their indoor neighbours *Open Door* ,1915 **On the Road** Jack Kerouac,2002-12-31 The classic novel of freedom and the search for authenticity that defined a generation One of The Atlantic s Great American Novels of the Past 100 Years On the Road chronicles Jack Kerouac s years traveling the North American continent with his friend Neal Cassady a sideburned hero of the snowy West As Sal Paradise and Dean Moriarty the two roam the country in a quest for self knowledge and experience Kerouac s love of America his compassion for humanity and his sense of language as jazz combine to make On the Road an inspirational work of lasting importance Kerouac s classic novel of freedom and longing defined what it meant to be Beat and has inspired every generation since its initial publication more than fifty years ago This Penguin Classics edition contains an introduction by Ann Charters For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Cross Stitch** Amanda James,2014-12-09 Gorgeously romantic time travel from the author
