The Lobster Chronicles Life On A Very Small Island:

The Lobster Chronicles Linda Greenlaw, 2003-06-11 Declared a triumph by the New York Times Book Review Linda Greenlaw's first book *The Hungry Ocean* appeared on nearly every major bestseller list in the country Now taking a break from the swordfishing career that earned her a major role in *The Perfect Storm* Greenlaw returns to Isle au Haut a tiny Maine island with a population of 70 year round residents 30 of whom are Greenlaw's relatives With a Clancy esque talent for fascinating technical detail and a Keillor esque eye for the drama of small town life Greenlaw offers her take on everything from rediscovering home love and family to island characters and the best way to cook and serve a lobster But Greenlaw also explores the island's darker side including a tragic boating accident and a century old conflict with a neighboring community Throughout Greenlaw maintains the straight shooting funny and slightly scrappy style that has won her so many fans and proves once again that fishermen are still the best storytellers around [Life Stories](#) Maureen O'Connor, 2011-08-23
