The Lost Key To The Scriptures:

The Lost Key to the Scriptures Alvin Boyd Kuhn, 2013-10 This is a new release of the original 1960 edition **The Lost Key to the Scriptures** Alvin Boyd Kuhn, 1966 *The Lost Key of the Buddha* Joseph J. Dewey, 2003 For thousands of years it has been assumed that the core teaching of the Buddha the Middle Way has been understood But has it In this book an Immortal who was the beloved disciple of Siddhartha reveals otherwise that there is a lost key to restore the teaching of the master *The Lost Key to the Scriptures* Alvin Kuhn, 2011-05-13 Preface The likelihood of a favorable acceptance of the astounding revelation to be made in this essay will be considerably heightened if the epochal disclosure is preceded by sufficient prefatory exegesis to present it in its proper frame of reference So incredible is the true esoteric elucidation of the lost meaning of the Scriptures of Christianity that the immediate reaction will generate the demand to know what historical circumstances or developments could have led in the first place to so fateful a loss of vital knowledge once possessed It will therefore be judicious to begin the exposition by presenting certain items of the historical background as necessary and highly enlightening introductory matter This explanatory material must begin with the broad blunt statement that what is commonly believed about the Bible as a book its date authorship and inspiration is all quite erroneous Let us be explicit in this the solid bulk of common belief about this book is totally untrue There is scarcely a single item of the common man's presuppositions about the Christian Scriptures who wrote its books when it was written how the composition was dictated or inspired what its message really means in what language it was written what is its assumed historical reference how and why these particular books were selected out of hundreds to become the Bible and other subsidiary questions by the score that comes within the proverbial mile of the actual truth concerning this mysterious document that for centuries has held the minds of millions under the prodigious obsession of its inviolable sanctity The grim and sober truth must now be stated that all general ideas about this volume disseminated among the masses by the priests of the religions and never corrected by them are totally grossly tragically false to fact *The Lost Light: An Interpretation of Ancient Scriptures* Alvin Boyd Kuhn, 2021-11-09T22:55:00Z Kuhn contended that the Bible derived its origins from other Pagan religions and that much of Christian history was pre extant as Egyptian mythology He also proposed that the Bible was symbolic and did not depict real events and argued that the leaders of the church started to misinterpret the bible at the end of the third century These controversial ideas outside of mainstream history and theology are rejected by most pre eminent scholars but many including Tom Harpur and John G Jackson were influenced by the works of Kuhn Harpur even dedicated his best selling 2004 book *The Pagan Christ* to Kuhn calling him a man of immense learning and even greater courage and one of the single greatest geniuses of the twentieth century who towers above all others of recent memory in intellect and his understanding of the world's religions **The Christian Science Journal** ,1909 *Mormon Hermeneutics* Jeffrey S. Krohn, 2022-05-13 Bible readers are often preoccupied with themselves At times they neglect the original ancient context of the biblical writings The

novelty of the modern is leveraged to trump the ancient Mormon hermeneutics seems to say more about the modern LDS church than any ancient biblical meaning Positively the LDS is to be applauded for their emphasis on the living out of their faith However through various approaches to the Bible the LDS Church seems to neglect the ancient horizon of the biblical text Any interpretation of the Bible LDS or otherwise should be held accountable This book is an attempt to categorize Mormon hermeneutics and utilizes numerous hermeneutical voices from the field of philosophical hermeneutics

The Lost Scriptures of Giza Jason Breshears, 2006-07-26 After exploring every part of the Great pyramid both inside and out the author reveals how it connects to history and predicts future events He advances the idea that major cataclysms of the past occurred at specifically predicable times and when the next world wide catastrophe will come If his predictions are accurate we need to prepare

The Glorious Resurrection Hilton Hotema, 1998 1960 Chapter Headings Symbolism Ancient Science Crucified Saviors Great Mother of the Gods Mysterious Resurrection Birth of Gods Light Two Bodies in One Ancient Terminology Mystic Sleep Life Cycle Swindle of Mythography Unknown

The Lost Meaning of Death Alvin Boyd Kuhn, 2020-03-05 The text can be read with profit by both new and old Mason for within its pages lies an interpretation of Masonic symbolism which supplements the monitorial instruction usually given in the lodges The leading Masonic scholars of all times have agreed that the symbols of the Fraternity are susceptible of the most profound interpretation and thus reveal to the truly initiated certain secrets concerning the spiritual realities of life Freemasonry is therefore more than a mere social organization a few centuries old and can be regarded as a perpetuation of the philosophical mysteries and initiations of the ancients This is in keeping with the inner tradition of the Craft a heritage from pre Revival days The present volume will appeal to the thoughtful Mason as an inspiring work for it satisfies the yearning for further light and leads the initiate to that Sanctum Sanctorum where the mysteries are revealed The book is a contribution to Masonic idealism revealing the profounder aspects of our ancient and gentle Fraternity those unique and distinctive features which have proved a constant inspiration through the centuries
