Big Question: Do Humans Need God? E. Asamoah-Yaw, 2014-08-19 BIG

QUESTION Do Humans need God by E Asamoah Yaw The book questions humans need for God as power source Holy Bible contains scores of questions without answers about significant godly characters portrayed with inexcusable unholy faults or sins The book reveals evil characteristics of God of Israel Adams generation Abrahams generation Noahs generation Davids generation Christs generation Paul and several others with their sinful behaviour stated in the Holy bible as evidence in support of the needlessness of God in human life This book shows over 120 chapters from the Holy Bible that proves that dependence on God is counter productive unpredictable and unreliable and that quality knowledge or wisdom perseverance dedication passion to succeed and self reliance are keys to every success **The Prophet Jeremiah** Harold

Lerch, 2023-12-11 This book reviews and studies the prophecies of Jeremiah one of the major prophets Jeremiah was a young priest when he began to prophesy His prophecies were a warning of coming judgment to his people the Jews as well as in mourning for the fate of Jerusalem The final chapter is an assurance of how you can enter Heaven *Jungle need and home help, ed. by mrs. M. Baxter* Jungle need, 1900 **How to Preach the Prophets for All Their Worth** Andrew G. M.

Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God s plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God s people enjoy the scenery of this part of God s word
