Standin' Tall with Happiness Janeen Brady,Brite Music Enterprises, Inc,1984 *Standing Tall* C. Vivian

Stringer,Laura Tucker,2009-03-03 Lots of people have dreams but C Vivian Stringer is the dream a coalminer s daughter who believed when her Poppa told her there was no obstacle she could not surmount And she lives that dream teaching others to rise up to meet challenges turning underdogs into champions again and again on and off the court This is the quintessential American story of a woman and of a family pulling together against the odds Standing Tall offers an important message of

hope to so many John Chaney Hall of Fame college basketball coach At a time when heroes are too rare C Vivian Stringer sets a shining example She has time and again shown character fortitude and heart both on and off the hardwood and in the face of unbearable loss In *Standing Tall* she shares her remarkable life story inspiring us to find this fortitude within ourselves Work hard and don't look for excuses Stringer's parents told her and you can achieve anything But her faith and perseverance would be tested many times A gifted athlete she had to fight for a place on an all white cheerleading squad in the sixties In 1981 just as her coaching career was taking off her fourteen month old daughter Nina was stricken with spinal meningitis Nina would never walk or talk again Still grieving Stringer brought a small poor historically black college to the national championships a triumph hailed as Hoosiers with an all female cast In 1991 her husband Bill her staunchest supporter the father of her children and the love of her life fell dead of a sudden heart attack but that same year she led yet another young team to the Final Four Through these dark times and others including her bout with cancer shared here for the first time Stringer has carried her burdens with grace Given her history it was no surprise that she led her team to respond to Don Imus's slurs with dignity and courage *Standing Tall* is a story of quiet strength in the face of punishing odds Above all it is an extraordinary love story love for the game for the players she has coached for her close knit family and for the husband she lost far too soon It will resonate long after the last page **Standing Tall** Robert F. Foley, 2022-09-29 The Medal of Honor recipient chronicles his life and military career in this memoir while also sharing his thoughts on leadership Robert Foley had only been in Vietnam for six months when he was promoted to captain and given command of a rifle company In November 1966 Foley led his men on a mission to rescue another company that had been pinned down by Viet Cong forces His leadership that day inspired his men and led to a successful operation and the Medal of Honor His actions in Vietnam were only a small portion of a long and varied career of service in the U S Army but Foley did not always seem marked for success Coming from a blue collar suburb of Boston his years in West Point were marked by poor grades injuries and sickness With a determination to lead by example and inspire trust among others Foley served across the globe and rose through the ranks He even returned to West Point as Commandant of Cadets later retiring as a 3 star general and commander of Fifth Army Praise for *Standing Tall* Finalist 2022 Army Historical Foundation Distinguished Writing Awards What an amazing opportunity *Standing Tall* allows us to learn about leadership from a true American hero Mike Krzyzewski former Head Coach Duke University and USA Olympic Gold Medal basketball teams *Twisted Roots, Standing Tall* Anne de Nada, 2018-08-28 Childhood sexual abuse is the most traumatic of all wounds for it is a betrayal at the very root of our being It turns us against ourselves in such a way that more often than not victims become convinced that the fault is theirs To find a way back from that injury to prevail and rise above it is to do the seemingly impossible In *Twisted Roots* *Standing Tall* author Anne de Nada recounts her long dance from the darkness of the soul into the love and light of an open heart as she courageously heeds her soul's insistence and clears away her legacy of trauma from both infant sexual abuse and incest

Born into both emotional and economic poverty Anne's early life consisted of only obstacles and challenges But she never gave up and she continually trusted in her own guidance being rewarded with insight and wisdom Whenever it felt like her life was not flowing she took that as a sign that it was time to do more healing clearing away the trauma that lay embedded deep in cellular memory Anne's story speaks to the gift of grace and the indomitable courage of the human heart As Anne continued to heal she discovered many essential truths about life among them that we are never given something we cannot handle that life is about manifesting the deepest desires of our hearts and that the thing we most fear is our own greatness
