McGill University Stanley Brice Frost,1980-04-01 James McGill is an important figure in Canada's history in his own right The bequest made in 1813 for the founding of a university of which one college was to bear his name only increased that significance The political tensions of Lower Canada delayed implementation of his plans for sixteen years and then it was only by incorporating the Montreal Medical Institution as Faculty of Medicine that in 1829 a beginning could be made Thirty years after his death the Faculty of Arts was finally established but not until the trustee body known as the Royal Institution for the Advancement of Learning was moved from Quebec City to Montreal and established as its board of governors did McGill College begin to revive and hold out promise of a respectable future

Theological Education Fund,1971

T. F. Torrance in Recollection and Reappraisal Bruce Ritchie,2021-01-19 This is

perhaps the most engaging and readable introduction to T F Torrance's theology around The author writes from the perspective of having been a student in Torrance's theology class in Edinburgh when Torrance was at the height of his powers painting a fascinating picture of Torrance in action as a teacher The book sets Torrance's theology in context by placing it in relation to liberal Protestantism on the one hand and traditional Calvinism on the other It explores Torrance's methodology it offers insights on how he linked incarnation and atonement and it also suggests how some of Torrance's ideas may be extended in order to result in an even more integrated and cohesive theology This book is a must not only for Torrance readers but for all lovers of theology

Integrative Psychotherapy Mark R. McMinn,Clark D. Campbell,2009-08-20 Mark McMinn and Clark

Campbell present an integrative model of psychotherapy that is grounded in Christian biblical teaching and in a critical and constructive engagement with contemporary psychology This foundational work integrates behavioral cognitive and interpersonal models of therapy within a Christian theological framework

Biblical Interpretation and Christian Ethics J. I.

H. McDonald,1993-12-02 Interdisciplinary studies are emerging rapidly to meet the insistent demands of the modern age

Biblical interpretation is itself interdisciplinary drawing together the biblical traditions and others to address the problem of interpreting texts Christian ethics is also multi disciplinary and thus no stranger to this new ethos To bring these two areas

together is a potentially creative undertaking It comes at a time when much attention is being paid to reading texts and the interpretive tradition The author s principal aim is to read the Bible in the context of moral concern Attention is paid to the liberal quest and to eschatology and ethics each marking a distinct epoch in the relationship of Bible and ethics before the post critical age is studied under the rubric participation in meaning The final section deals with ethics and historical reading and with ethics and contemporary reading The book concludes with a discussion of selected practical topics

The Cambridge Companion to Augustine Eleonore Stump, Norman Kretzmann, 2001-03-15 It is hard to overestimate the importance of the work of Augustine of Hippo both in his own period and in the subsequent history of Western philosophy Until the thirteenth century when he may have had a competitor in Thomas Aquinas he was the most important philosopher of the medieval period Many of his views including his theory of the just war his account of time and eternity his understanding of the will his attempted resolution of the problem of evil and his approach to the relation of faith and reason have continued to be influential up to the present time In this 2001 volume of specially commissioned essays sixteen scholars provide a wide ranging and stimulating contribution to our understanding of Augustine covering all the major areas of his philosophy and theology

Members Are Ministers Paul F. Goetting, 2011-12-01 Cultural changes and social conditions today give evidence of a growing disregard of traditional authority and an increasing distrust of institutions Relations between pastor and people are changing In many situations the practice of top down leadership appears no longer to be effective Members Are Ministers identifies the positive change necessary to achieve greater unity and to reduce conflict within the church This book promotes an approach that generates a greater sense of community enables a clearer corporate and personal witness to the faith and reduces the social distances between pastors and people Above all it recognizes the Word as crucial for effecting change in our emerging new culture Paul Goetting works from a biblical base that shapes the Christian ministry of all people through their various vocations and equips them for a clearer witness to the Christian faith and to issues of injustice The family the workplace the political arena and the church are seen as the primary contexts for authentic servant ministry of both clergy and laity

The Secret Message of Jesus Brian D. McLaren, 2007-04-01 When Brian McLaren began offering an alternative vision of Christian faith and life in books such as *A New Kind of Christian* and *A Generous Orthodoxy* he ignited a firestorm of praise and condemnation that continues to spread across the religious landscape To some religious conservatives McLaren is a dangerous rebel without a doctrinally correct cause Some fundamentalist websites have even claimed he s in league with the devil and have consigned him to flames To others though Brian is a fresh voice a welcome antidote to the staleness superficiality and negativity of the religious status quo A wide array of people from Evangelical Catholic and Mainline

Protestant backgrounds claim that through his books they have begun to rediscover the faith they d lost or rejected And around the world many readers say that he has helped them find for the first time in their lives a faith that makes sense and rings true For many he articulates the promise of what is being called emerging Christianity In The Secret Message of Jesus you ll find what s at the center of Brian s critique of conventional Christianity and what s at the heart of his expanding vision In the process you ll meet a Jesus who may be altogether new to you a Jesus who is Not the crusading conqueror of religious broadcasting Not the religious mascot of partisan religion Not heaven s ticket checker whose words have been commandeered by the church to include and exclude judge and stigmatize pacify and domesticate McLaren invites you to discover afresh the transforming message of Jesus an open invitation to radical change an enlightening revelation that exposes sham and ignites hope an epic story that is good news for everyone whatever their gender race class politics or religion Pastor and best selling author McLaren revisits the gospel material from a fresh and at times radical perspective He does an excellent job of capturing Jesus quiet revolutionary style Publishers Weekly starred review Here McLaren shares his own ferocious journey in pondering the teachings and actions of Jesus It is McLaren s lack of salesmanship or agenda that creates a refreshing picture of the man from Galilee who changed history Donald Miller Author of Blue Like Jazz In this critical book Brian challenges us to ask what it would mean to truly live the message of Jesus today and thus to risk turning everything upside down Jim Wallis Author of God s Politics and editor of Sojourners Compelling crucial and liberating a book for those who seek to experience the blessed heat of Christianity at its source Anne Rice Author of Christ the Lord Out of Egypt Christian Education ,1923 **Ideas in God According to Saint Thomas Aquinas** Vivian Boland,2021-12-06 This work examines the role of the doctrine of divine ideas in the theology of Thomas Aquinas a question which remains controversial Aquinas received this doctrine in two distinct forms from Augustine and Dionysius The historical origins and development of this twofold tradition are traced from Plato and Aristotle through Hellenistic philosophy to the patristic and medieval periods In Aquinas account of God s knowledge of the Word of God of Creation and of Providence the doctrine of divine ideas plays a key role Various strands of neoplatonist thought are clearly important for him but it is Aristotle who is of greatest significance for Aquinas sustained and original re thinking of the doctrine A study of this question provides a fresh perspective on the nature of Aquinas unique synthesis
